## EXPLANATORY NOTE

We provide debt and equity financing for sustainable infrastructure projects that increase energy efficiency, provide cleaner energy sources, positively impact the environment or make more efficient use of natural resources. We are self-advised and self-administered, were incorporated in the state of Maryland on November 7, 2012, and qualified as a real estate investment trust (“REIT”) for U.S. federal income tax purposes commencing with our taxable year ending December 31, 2013.

Hannon Armstrong Capital, LLC, a Maryland limited liability company, the entity that operated our historical business prior to the consummation of our initial public offering on April 23, 2013 (our “IPO”) and which we refer to as the “Predecessor,” became our subsidiary upon consummation of our IPO. To the extent any of the financial data included in this Quarterly Report on Form 10-Q is as of a date or from a period prior to the consummation of our IPO, such financial data is that of the Predecessor. The financial data for the Predecessor for such periods do not reflect the material changes to the business as a result of the capital raised in the IPO including the broadened types of projects undertaken, the enhanced financial structuring flexibility and the ability to retain a larger share of the economics from the origination activities. Accordingly, the financial data for the Predecessor is not necessarily indicative of our results of operations, cash flows or financial position following the completion of the IPO.

## FORWARD-LOOKING STATEMENTS

We make forward-looking statements in this Quarterly Report on Form 10-Q within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) that are subject to risks and uncertainties. For these statements, we claim the protections of the safe harbor for forward-looking statements contained in such Sections. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans and objectives. When we use the words “believe,” “expect,” “anticipate,” “estimate,” “plan,” “continue,” “intend,” “should,” “may” or similar expressions, we intend to identify forward-looking statements.

**HANNON ARMSTRONG SUSTAINABLE INFRASTRUCTURE CAPITAL, INC.  
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
(UNAUDITED)**

**SEPTEMBER 30, 2014**

**1. The Company**

Hannon Armstrong Sustainable Infrastructure Capital, Inc. (the “Company”) provides debt and equity financing for sustainable infrastructure projects that increase energy efficiency, provide cleaner energy sources, positively impact the environment or make more efficient use of natural resources. The Company and its subsidiaries are hereafter referred to as “we,” “us,” or “our.”

Our principal business is providing or arranging financing of sustainable infrastructure projects. We refer to the financings that we hold on our balance sheet as our “Portfolio.” Our Portfolio may include:

- Financing Receivables, such as sustainable infrastructure project loans, receivables and direct financing leases,
- Investments, such as sustainable infrastructure debt and equity securities, and
- Real Estate, such as land or other physical assets and related intangible assets used in sustainable infrastructure projects.

We finance our business through cash on hand, the securitization of receivables and equity and other debt financings. We also generate fee income for arranging financings that are held on the balance sheet of other parties, by providing broker/dealer or other financing related services to sustainable infrastructure project developers and by servicing assets owned by third parties.

On April 23, 2013, we completed our initial public offering (“IPO”). We sold a total of 14.2 million shares and raised net proceeds of approximately \$160 million including the exercise by the underwriters of their option to purchase an additional 0.8 million shares on May 23, 2013. Our common stock is listed on the New York Stock Exchange (“NYSE”) under the symbol “HASI.” Concurrently with the IPO, we completed a series of transactions, which are referred to as the formation transactions, that resulted in Hannon Armstrong Capital, LLC (the “Predecessor”), the entity that operated the historical business prior to the consummation of the IPO, becoming our subsidiary.

On April 29, 2014, we completed our first follow-on public offering in which we sold 5,750,000 shares of common stock (including 750,000 shares sold pursuant to the full exercise of the underwriters’ option to purchase additional shares) at \$13.00 per share, less the underwriting discount and estimated expenses, for net proceeds of \$70.4 million.

On October 31, 2014, we completed another follow-on public offering in which we sold 4,600,000 shares of common stock (including 600,000 shares sold pursuant to the full exercise of the underwriters’ option to purchase additional shares) at \$13.60 per share, less the underwriting discount and estimated expenses, for net proceeds of \$58.9 million.

We qualified to be taxed as real estate investment trust (“REIT”) for U.S. federal income tax purposes, commencing with our taxable year ended December 31, 2013. We generally will not be subject to U.S. federal income taxes on our taxable income to the extent that we annually distribute all of our taxable income to stockholders and maintain our qualification as a REIT. We operate our business through, and serve as the sole general partner of, our Operating Partnership subsidiary, Hannon Armstrong Sustainable Infrastructure, L.P. (the “Operating Partnership”) which was formed to acquire and directly or indirectly own the Company’s assets. We also intend to operate our business in a manner that will continue to permit us to maintain our exception from registration as an investment company under the 1940 Act.

## Table of Contents

To the extent any of the financial data included in this report is as of or from a period prior to April 23, 2013, such financial data is that of the Predecessor. The financial data for the Predecessor for such periods do not reflect the material changes to our business as a result of the capital raised in the IPO, including the broadened scope of projects targeted for financing, our enhanced financial structuring flexibility and our ability to retain a larger share of the economics from our origination activities. Accordingly, the financial data for the Predecessor is not necessarily indicative of our results of operations, cash flows or financial position following the completion of the IPO and formation transactions.

### Recent Acquisition

On May 28, 2014, we entered into a Unit Purchase Agreement (the "Purchase Agreement") to acquire all of the outstanding member interests in AWCC from Northwharf Nominees Limited, DBD AWCC LLC, NGP Energy Technology Partners II, L.P. and C.C. Hinckley Company, LLC (collectively, the "Sellers") in exchange for approximately \$106.7 million (the "Purchase Price"), which we funded from the use of our cash on hand and our existing credit facilities. Through this acquisition, we expanded our portfolio of sustainable infrastructure assets, including acquiring more than 7,500 acres of land with in-place land leases to three solar projects, which we have recorded as real estate, and the rights to payments from land leases for a diversified portfolio of 57 wind projects, which we have recorded as financing receivables. We did not assume any of AWCC's indebtedness in connection with the transaction. We accounted for our acquisition of AWCC as a business combination and incurred approximately \$1.1 million of acquisition related costs, which we have expensed as acquisition costs in our condensed consolidated statement of operations. We recorded the AWCC assets acquired at fair value. We used a qualified appraiser to assist us with the determination of the fair value estimates for the majority of the AWCC assets acquired. During the three months ended September 30, 2014, we agreed to a working capital adjustment of approximately \$0.2 million, which reduced the Purchase Price and net working capital amounts.

The purchase price allocation for this transaction after this adjustment, which reflects our estimates of the fair value of the assets acquired, is as follows:

	<u>As of September 30, 2014</u>
	<i>(amounts in thousands)</i>
Financing receivables	\$ 37,244
Real estate	50,318
Real estate lease intangibles	16,945
Goodwill	2,144
Net working capital	40
<b>Purchase Price</b>	<b>\$ 106,691</b>

In addition, we entered into a three-year mutually exclusive origination and servicing agreement with an entity owned by former employees and minority owners of AWCC. This entity will be referred to hereafter as "AWCC Capital." Under this agreement, AWCC Capital has agreed to (a) originate new similar transactions for our benefit and (b) service the existing and any new assets originated by them for our benefit. We paid approximately \$0.6 million in cash as consideration for this agreement that will be amortized over the three-year initial life of the agreement and will pay additional consideration in the future for new assets originated by AWCC Capital.

As a result of this acquisition, we have recorded rental income of \$0.9 million and \$1.4 million and interest income of \$0.7 million and \$0.9 million for the three and nine months ended September 30, 2014, respectively, in our condensed consolidated statement of operations.

## 2. Summary of Significant Accounting Policies

### Basis of Presentation

The condensed consolidated financial statements reflect all normal and recurring adjustments that, in the opinion of management, are necessary for a fair presentation of the financial position, results of operations, comprehensive income (loss) and cash flows for the periods presented. The preparation of financial statements in

---

## **Table of Contents**

accordance with U.S. generally accepted accounting principles (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the reporting period. The results of operations for the periods presented are not necessarily indicative of the results to be expected for the entire year. Certain information and footnote disclosures normally included in our annual consolidated financial statements have been condensed or omitted. Certain amounts in the prior year have been reclassified to conform to the current year presentation.

The condensed consolidated financial statements include the accounts of the Company and its controlled subsidiaries, including the Operating Partnership. All significant intercompany transactions and balances have been eliminated in consolidation.

Following the guidance for non-controlling interests in Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 810, *Consolidation*, references in this report to our earnings per share and our net income and shareholders’ equity attributable to common shareholders do not include amounts attributable to non-controlling interests.

### ***Financing Receivables***

Financing receivables include financing sustainable infrastructure project loans, receivables and direct financing leases. We account for leases as direct financing leases in accordance with ASC 840, *Leases*.

Unless otherwise noted, we generally have the ability and intent to hold our financing receivables for the foreseeable future and thus they are classified as held for investment. Our ability and intent to hold certain financing receivables may change from time to time depending on a number of factors, including economic, liquidity and capital conditions. The carrying value of financing receivables held for investment represents the present value of the note, lease or other payments, net of any unearned fee income, which is recognized as income over the term of the note or lease using the effective interest method. Financing receivables that are held for investment are carried, unless deemed impaired, at cost, net of any unamortized acquisition premiums or discounts and including origination and acquisition costs, as applicable. Financing receivables that we intend to sell in the short-term are classified as held-for-sale and are carried at the lower of amortized cost or fair value on our balance sheet. We may secure non-recourse debt with the proceeds from our financing receivables.

We evaluate our financing receivables for potential delinquency or impairment on at least a quarterly basis and more frequently when economic or other conditions warrant such an evaluation. When a financing receivable becomes 90 days or more past due, and if we otherwise do not expect the debtor to be able to service all of its debt or other obligations, we will generally consider the financing receivable delinquent or impaired and place the financing receivable on non-accrual status and cease recognizing income from that financing receivable until the borrower has demonstrated the ability and intent to pay contractual amounts due. If a financing receivable’s status significantly improves regarding the debtor’s ability to service the debt or other obligations, we will remove it from non-accrual status.

A financing receivable is also considered impaired as of the date when, based on current information and events, it is determined that it is probable that we will be unable to collect all amounts due in accordance with the original contracted terms. Many of our financing receivables are secured by sustainable infrastructure projects. Accordingly, we regularly evaluate the extent and impact of any credit deterioration associated with the performance and/or value of the underlying project, as well as the financial and operating capability of the borrower, its sponsors or the obligor as well as any guarantors. We consider a number of qualitative and quantitative factors in our assessment, including, as appropriate, a project’s operating results, loan-to-value ratios and any cash reserves, the ability of expected cash from operations to cover the cash flow requirements currently and into the future, key terms of the transaction, the ability of the borrower to refinance the transaction, other credit support from the sponsor or guarantor and the project’s collateral value. In addition, we consider the overall economic environment, the sustainable infrastructure sector, the effect of local, industry, and broader economic factors, the impact of any variation in weather and the historical and anticipated trends in interest rates, defaults and loss severities for similar transactions.

If a financing receivable is considered to be impaired, we record an allowance to reduce the carrying value of the financing receivable to the present value of expected future cash flows discounted at the financing

receivable's contractual effective rate or the amount realizable from other contractual terms such as the currently estimated fair market value of the collateral less estimated selling costs, if repayment is expected solely from the collateral. We write off financing receivables against the allowance when we determine the unpaid principal balance is uncollectible, net of recovered amounts.

### ***Investments***

Investments include debt or equity securities that meet the criteria of ASC 320, *Investments—Debt and Equity Securities*. As a result of the sale of certain debt securities previously designated as held-to-maturity during the quarter ended June 30, 2014, we have designated our debt securities as available-for-sale and will carry these securities at fair value on our balance sheet from that date. Unrealized gains and losses, to the extent not considered other than temporary impairment ("OTTI"), on available-for-sale debt securities are recorded as a component of accumulated other comprehensive income (loss) ("OCI") in equity on our balance sheet. Previously, we recorded our debt securities as held-to-maturity and thus had carried these securities on the balance sheet at amortized cost, which is initially at cost plus any premiums or less any discounts that are amortized or accreted from or into investment interest income using the effective interest method.

We evaluate our investments for OTTI on at least a quarterly basis, and more frequently when economic or market conditions warrant such an evaluation. Our OTTI assessment is a subjective process requiring the use of judgments and assumptions. Accordingly, we regularly evaluate the extent and impact of any credit deterioration associated with the financial and operating performance and/or value of the underlying project. We consider a number of qualitative and quantitative factors in our assessment. We first consider the current fair value of the security and the duration of any unrealized loss. Other factors considered include changes in the credit rating, performance of the underlying project, key terms of the transaction and support provided by the sponsor or guarantor.

To the extent that we have identified an OTTI for a security and intend to hold the investment to maturity and we do not expect that we will be required to sell the security prior to recovery of the amortized cost basis, we recognize only the credit component of OTTI in earnings. We determine the credit component using the difference between the securities' amortized cost basis and the present value of its expected future cash flows, discounted using the effective interest method or its estimated collateral value. Any remaining unrealized loss due to factors other than credit, or the non-credit component, is recorded in accumulated OCI.

To the extent we hold investments with an OTTI and if we have made the decision to sell the security or it is more likely than not that we will be required to sell the security prior to recovery of its amortized cost basis, we recognize the entire portion of the impairment in earnings.

Premiums or discounts on investment securities are amortized or accreted into investment interest income using the effective interest method.

### ***Real Estate***

Real estate reflects land or other real estate held on our balance sheet. Real estate intangibles reflect the value of associated lease intangibles, net of any amortization. In accordance with ASC 840, *Business Combinations*, the fair value of the real estate acquired in a business combination with in-place leases is allocated to the acquired tangible assets, consisting of land or other real property such as buildings, and identified intangible assets and liabilities, consisting of the value of above-market and below-market leases and the value of other acquired intangible assets, based in each case on their fair values.

The fair value of the tangible assets of an acquired leased property is determined by valuing the property as if it were vacant, and the "as-if-vacant" value is then allocated to land, building and tenant improvements, if any, based on the determination of the fair values of these assets. The as-if-vacant fair value of a property was determined by management based on an appraisal of the property by a qualified appraiser.

In allocating the fair value of the identified intangible assets and liabilities of an acquired property, above-market and below-market in-place lease values are recorded as intangible assets based on the present value (using an interest rate which reflects the risks associated with the leases acquired) of the difference between (i) the contractual

---

## Table of Contents

amounts to be paid pursuant to the in-place leases, and (ii) management's estimate of fair market lease rates for the corresponding in-place leases, measured over a period equal to the remaining term of the lease, including the probability of renewal periods. The capitalized above-market lease values are amortized as a reduction of rental income and the capitalized below-market lease values are amortized as an increase to rental income. We also record, as appropriate, an intangible asset for in-place leases. The value of the leases in place at the time of the transaction is equal to the potential revenue (rent and expenses) lost if the leases were not in place (during downtime) and that would be incurred to obtain the lease. The amortization is calculated over the initial term unless management believes that it is likely that the tenant would exercise the renewal option whereby we would amortize the value attributable to the renewal over the renewal period. If a lease were to be terminated prior to its stated expiration, all unamortized amounts relating to that lease would be written off.

We record the acquisition of real estate, other than in a business combination, at cost, including acquisition and closing costs.

Our real estate is generally leased to tenants on a net lease basis, whereby the tenant is responsible for all operating expenses relating to the property, generally including property taxes, insurance, maintenance, repairs and capital expenditures. Revenue is recognized as rentals are earned and expenses (if any) are charged to operations as incurred. When scheduled rental revenue varies during the lease term, income is recognized on a straight-line basis, unless there is considerable risk as to collectability, so as to produce a constant periodic rent over the term of the lease. Accrued rental income is the aggregate difference between the scheduled rents which vary during the lease term and the income recognized on a straight-line basis and is recorded in other assets.

### ***Securitization of Receivables***

We have established various special purpose entities or securitization trusts for the purpose of securitizing certain financing receivables or other debt investments. We determined that the trusts used in securitizations are variable interest entities, as defined in ASC 810, *Consolidation*. We typically serve as primary or master servicer of these trusts; however, as the servicer, we do not have the power to make significant decisions impacting the performance of the trusts. Based on an analysis of the structure of the trusts, under U.S. GAAP, we have concluded that we are not the primary beneficiary of the trusts as we do not have power over the trusts' significant activities. Therefore, we do not consolidate these trusts in our condensed consolidated financial statements.

We account for transfers of financing receivables to these securitization trusts as sales pursuant to ASC 860, *Transfers and Servicing*, as the transferred receivables have been isolated from the transferor (i.e., put presumptively beyond the reach of the transferor and its creditors, even in bankruptcy or other receivership) and we have surrendered control over the transferred receivables. When we sell receivables in securitizations, we generally retain interests in the form of servicing rights and residual assets, which we refer to as securitization assets.

Gain or loss on sale of receivables is calculated based on the excess of the proceeds received from the securitization (less any transaction costs) plus any retained interests obtained over the cost basis of the receivables sold. We generally transfer the receivables to securitization trusts immediately upon the initial funding from the third party purchasing a beneficial interest in the trust. For retained interests, we generally estimate fair value based on the present value of future expected cash flows using our best estimates of the key assumptions of anticipated losses, prepayment rates, and discount rates commensurate with the risks involved.

We initially account for all separately recognized servicing assets and servicing liabilities at fair value as required under ASC 860. Under ASC 860-50 *Transfers and Servicing—Servicing Assets and Liabilities*, entities may either subsequently measure servicing assets and liabilities using the amortization method or the fair value measurement method and we have selected the amortization method to subsequently measure our servicing assets. We assess servicing assets for impairment at each reporting date. If the amortized cost of servicing assets is greater than the estimated fair value, we will recognize an impairment in net income.

Our other retained interest in securitized assets, the residual assets, are classified as available-for-sale securities and carried at fair value on the condensed consolidated balance sheets. We generally do not sell our residual assets. If we make an assessment that (i) we do not intend to sell the security or (ii) it is not likely we will be required to sell the security before its anticipated recovery, changes in fair value, such as those resulting from changes in market interest yield requirements, are reported as a component of accumulated OCI. However, in the

---

## **Table of Contents**

case where we do intend to sell our residual assets or if the fair value of our residual assets is below the current carrying amount and we determine that the decline is OTTI, any impairment charge would be recorded through the statement of operations. An OTTI is considered to have occurred when, based on current information and events, there has been an adverse change in the timing or amount of cash flows expected to be collected. The impairment is equal to the difference between the residual asset's amortized cost basis and its fair value at the balance sheet date. In the case where there is any expected decline in the forecasted cash flows, such decline would be unlikely to reverse during the holding period of the retained assets and thus would be considered OTTI.

Servicing income is recognized as earned. Servicing assets are amortized in proportion to, and over the period of, estimated net servicing income, and are periodically assessed for impairment.

Interest income related to the residual assets is recognized using the effective interest rate method. If there is a change in expected cash flows related to the residual assets, we calculate a new yield based on the current amortized cost of the residual assets and the revised expected cash flows. This yield is used prospectively to recognize interest income.

### ***Modifications to Debt***

We evaluate any modifications to our debt in accordance with the applicable guidance in ASC 470-50 *Debt Modifications and Extinguishments*. If the debt instruments are substantially modified, the modification is accounted for in the same manner as a debt extinguishment (i.e., a major modification) and the fees paid are recognized as expense at the time of the modification. Otherwise, such fees are deferred and amortized as an adjustment of interest expense over the remaining term of the modified debt instrument using the interest method.

### ***Cash and Cash Equivalents***

Cash and cash equivalents include short-term government securities, certificates of deposit and money market funds, all of which had an original maturity of three months or less at the date of purchase. These securities are carried at their purchase price, which approximates fair value.

### ***Restricted Cash***

Restricted cash include cash and cash equivalents set aside with certain lenders primarily to support deferred funding and other obligations outstanding at the balance sheet dates.

### ***Income Taxes***

We elected and qualified to be taxed as a REIT for U.S. federal income tax purposes, commencing with our taxable year ended December 31, 2013. To qualify as a REIT, we must meet a number of organizational and operational requirements, including a requirement that we currently distribute at least 90% of our net taxable income, excluding capital gains, to our shareholders. We intend to continue to meet the requirements for qualification as a REIT. As a REIT, we are not subject to U.S. federal corporate income tax on that portion of net income that is currently distributed to our owners. However, our taxable REIT subsidiaries ("TRS") will generally be subject to U.S. federal, state, and local income taxes as well as taxes of foreign jurisdictions, if any.

We account for income taxes of our TRS using the asset and liability method. Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to the differences between the consolidated financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities from a change in tax rates is recognized in earnings in the period when the new rate is enacted.

Prior to the completion of the IPO, the Predecessor was taxed as a partnership for U.S. federal income tax purposes. No provision for federal or state income taxes has been made for the period prior to our IPO since our profits and losses were reported on the Predecessor's members' tax returns.

We apply accounting guidance with respect to how uncertain tax positions should be recognized, measured, presented, and disclosed in the financial statements. This guidance requires the accounting and disclosure of tax positions taken or expected to be taken in the course of preparing our tax returns to determine whether the tax positions are “more likely than not” to be sustained by the applicable tax authority. We are required to analyze all open tax years, as defined by the statute of limitations, for all major jurisdictions, which includes U.S. federal and certain states. We have no examinations in progress, none are expected at this time, and years 2010 through 2013 are open. As of September 30, 2014 and December 31, 2013, we had no uncertain tax positions. Our policy is to recognize interest expense and penalties related to income tax matters as a component of other expense. There was no accrued interest and penalties as of September 30, 2014 and December 31, 2013, and no interest and penalties were recognized during the three and nine months ended September 30, 2014 and 2013.

### ***Equity-Based Compensation***

We recorded compensation expense for stock awards in accordance with ASC 718, *Compensation—Stock Compensation*, which requires that all equity-based payments to employees be recognized in the condensed consolidated statements of operations, based on their grant date fair values with the expense being recognized over the requisite service period.

At the time of completion of our IPO, we adopted our 2013 Equity Incentive Plan (the “2013 Plan”), which provides for grants of stock options, stock appreciation rights, restricted stock units, shares of restricted common stock, phantom shares, dividend equivalent rights, long-term incentive-plan units (“LTIP units”) and other restricted limited partnership units issued by our Operating Partnership and other equity-based awards. From time to time, we may award unvested restricted shares as compensation to members of our senior management team, our independent directors, advisors, consultants and other personnel under our 2013 Plan. Under the 2013 Plan, we have granted service based awards to certain employees and directors. The shares issued under this plan vest over a period of time as determined by the board of directors at the date of grant. We recognize compensation expense for unvested shares that vest solely based on service conditions on a straight-line basis over the vesting period based upon the fair market value of the shares on the date of grant, adjusted for forfeitures.

Under the 2013 Plan, we granted performance based restricted stock awards to certain employees. The fair value of the performance based awards is measured by the market price of our common stock on the date of the grant. The vesting of these awards is contingent upon achievement of certain performance targets at the end of specified performance periods and the employees’ continued employment. The performance conditions affect the number of shares that will ultimately vest. The range of possible stock-based award vesting is generally between 0% and 150% of the initial target. If minimum performance targets are not attained then no awards will vest under the agreement. Compensation expense related to these awards is recognized based upon the fair market value of the shares on the date of grant over the requisite service period and based on our estimate of the achievement of the various performance targets, adjusted for forfeitures. We currently estimated that 100% of the various award targets will be achieved.

### ***Earnings Per Share***

We compute earnings per share of common stock in accordance with ASC 260, *Earnings Per Share*. Basic earnings per share is calculated by dividing net income attributable to controlling stockholders (after consideration of the earnings allocated to unvested shares of restricted common stock or restricted stock units) by the weighted-average number of shares of common stock outstanding during the period excluding the weighted average number of unvested shares of restricted common stock or restricted stock units (“participating securities” as defined in Note 12). Diluted earnings per share is calculated by dividing net income attributable to controlling stockholders by the weighted-average number of shares of common stock outstanding during the period plus other potentially dilutive securities. No adjustment is made for shares that are anti-dilutive during a period.

Due to the capital structure of the Predecessor, earnings per share of common stock information has not been presented for historical periods prior to the IPO.

### ***Segment Reporting***

We provide and arrange debt and equity financing for sustainable infrastructure projects and report all of our activities as one business segment.

### ***Recently Issued Accounting Pronouncements***

#### *Revenue from Contracts with Customers*

In May 2014, the FASB issued Accounting Standards Update (“ASU”) No. 2014-09, *Revenue from Contracts with Customers*, requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either the retrospective or cumulative effect transition method. Early adoption is not permitted. The updated standard becomes effective for us beginning in the quarter ending March 31, 2017. We have not yet selected a transition method, and we are currently evaluating the effect that the updated standard will have on our consolidated financial statements and related disclosure.

#### *Compensation – Stock Compensation*

In June 2014, the FASB issued ASU No. 2014-12, *Compensation – Stock Compensation*, which amends and updates the guidance in ASC 718, as it relates to the accounting for awards with performance conditions that affect vesting after the service. The amendment provides explicit accounting guidance for when an employee is eligible to retire or otherwise terminate employment before the end of the period in which a performance target (for example, an initial public offering or a profitability target) could be achieved and still be eligible to vest in the award if and when the performance target is achieved. The amendment is effective for annual reporting periods beginning after December 15, 2015, including interim periods within that reporting period and is to be applied either retrospectively to all existing performance targets outstanding or prospectively for all awards granted or modified after the effective date, with early application permitted. We are evaluating the new standard, but do not at this time expect this standard to have a material impact on our consolidated financial statements.

### **3. Fair Value Measurements**

Fair value is defined as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. The fair value accounting guidance provides a three-level hierarchy for classifying financial instruments. The levels of inputs used to determine the fair value of our financial assets and liabilities carried on the balance sheet at fair value and for those which only disclosure of fair value is required are characterized in accordance with the fair value hierarchy established by ASC 820, *Fair Value Measurements*. Where inputs for a financial asset or liability fall in more than one level in the fair value hierarchy, the financial asset or liability is classified in its entirety based on the lowest level input that is significant to the fair value measurement of that financial asset or liability. We use our judgment and consider factors specific to the financial assets and liabilities in determining the significance of an input to the fair value measurements. As of September 30, 2014 and December 31, 2013, only our residual assets, financing receivables held-for-sale and investments available-for-sale, if any, were carried at fair value on the condensed consolidated balance sheets on a recurring basis. The three levels of the fair value hierarchy are described below:

Level 1—Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities.

Level 2—Observable prices that are based on inputs not quoted on active markets, but corroborated by market data.

Level 3—Unobservable inputs are used when little or no market data is available.

### Financing Receivables and Investments

The fair value of financing receivables and investments is measured using a discounted cash flow model, contractual terms and Level 3 unobservable inputs. The significant unobservable inputs used in the fair value determination of our financing receivables and investments are discount rates and interest rates in recent comparable transactions. Significant increases in discount rates and recent comparable transactions would result in a significantly lower fair value. Significant decreases in discount rates and recent comparable transactions in isolation would result in a significantly higher fair value.

## Table of Contents

During the three months ended June 30, 2014, as part of our portfolio management process, we sold an investment designated as held-to-maturity. As a result, we have transferred all of our remaining investments in debt securities to investments available-for-sale at fair value. After the transfer of our debt securities to available-for-sale, we sold additional debt securities with a fair value of \$43.6 million and a cost of \$41.4 million based on the specific identification method and realized a gain on sale of these investments of \$2.2 million. The following table reconciles the beginning and ending balances for our Level 3 investments that are carried at fair value following the transfer of our investments to available-for-sale:

<b>Balance, end of period</b>	<u>\$ 43.4</u>	<u>\$ —</u>	<u>\$ 43.4</u>	<u>\$ —</u>

The financing receivable held for sale is carried at cost, which approximates fair value.

### Credit Facility

The fair values of the credit facility are determined using a discounted cash flow model and Level 3 unobservable inputs. The significant unobservable inputs used in the fair value determination of our credit facility are discount rates. Significant increases in discount rates would result in a significantly lower fair value. Significant decreases in discount rates in isolation would result in a significantly higher fair value.

### Asset-Backed Nonrecourse Notes and Other Nonrecourse Debt

The fair values of our nonrecourse debt are determined using a discounted cash flow model and Level 3 inputs. The significant unobservable inputs used in the fair value determination of our nonrecourse debt are discount rates and interest rates in recent comparable transactions. Significant increases in discount rates and interest rates would result in a significantly lower fair value. Significant decreases in discount rates and interest rates in recent comparable transactions in isolation would result in a significantly higher fair value.

### Residual Assets

As of September 30, 2014 and December 31, 2013, we had residual assets, which are included in the securitization assets line item in our balance sheets, relating to our retained interests in securitized receivables. Due to the lack of actively traded market data, the valuation of these residual assets was based on Level 3 unobservable inputs. The significant unobservable inputs used in the fair value measurement of our residual assets are estimated securitization cash flows, potential default rates and comparable transactions in related assets of public companies. The observable inputs include published U.S government interest rates. The discount rates considered, based on observations of market participants on other government-issued securitization transactions, range from 7% to 15%. Based on the high credit quality of the obligors under our underlying assets and our estimates of potential default and prepayment rates, we have used discount rates of 8% to 10% to determine the fair market value of our residual assets. Significant increases in U.S. Treasury rates or default and prepayment rates would, in isolation, result in a significantly lower fair value measurement. See Note 5 regarding servicing assets and the residual asset sensitivity analysis.

The following table reconciles the beginning and ending balances for our Level 3 residual assets carried at fair value:

	For the three months ended		For the nine months ended	
	September 30,		September 30,	
	2014	2013	2014	2013

<b>Balance, end of period</b>	<u>\$ 5.0</u>	<u>\$ 4.2</u>	<u>\$ 5.0</u>	<u>\$ 4.2</u>

### Recent Acquisitions

In connection with the AWCC acquisition, the assets acquired were recorded at their fair value. We used a third party valuation firm to assist us with developing our estimates of fair value. The fair value of land was based on comparable land sales and the fair value of the financial assets was based on a comparison of market yields for similar assets. All the valuations are Level 3 estimates.

### **Concentration of Credit Risk**

Financial instruments that potentially subject us to concentrations of credit risk are principally cash and cash equivalents. As of September 30, 2014 and December 31, 2013, we had cash deposits held in U.S. banks of \$68.2 million and \$81.7 million, respectively. Included in these balances are \$65.5 million and \$80.8 million in bank deposits, respectively, in excess of amounts federally insured.

Financing receivables, investments and leases consist of primarily U.S. government-backed receivables, investment grade state and local government receivables and receivables from various sustainable infrastructure projects and do not, in our view, represent a significant concentration of credit risk. See Note 6 for an analysis by type of obligor.

### **4. Non-Controlling Interest**

#### ***Non-Controlling Interest in Consolidated Entities***

Units of limited partnership interests in the Operating Partnership (“OP units”) that are owned by other limited partners are included in non-controlling interest on our condensed consolidated balance sheets. As of September 30, 2014, the Operating Partnership had 23,079,213 OP units outstanding; of which we owned 98.6% and other limited partners owned 1.4%. The outstanding OP units held by outside limited partners are redeemable for cash, or at our option, for a like number of shares of our common stock.

In January 2014, we agreed to not exercise our right under the Operating Partnership agreement to deliver shares of our common stock in lieu of cash upon a request for redemption of OP units held our limited partners and instead agreed to redeem such OP units for cash until such time that we have an effective registration statement covering the resale of shares of our common stock issuable upon exchange of OP units held by such limited partners. As a result of this agreement, we classified the non-controlling interest covered by this agreement as outside of equity. In August 2014, the required registration statement became effective and thus, we now have the ability to exercise our right to deliver shares in the event of an OP unit redemption request. Therefore, we are reporting our non-controlling interest within equity as of September 30, 2014.

For the three and nine months ended September 30, 2014, we redeemed 11,110 and 131,093 OP units held by our non-controlling interest holders for cash of \$0.2 million and \$1.8 million, respectively. Our non-controlling interest holders held 331,282 OP units as of September 30, 2014.

The following is an analysis of the controlling and non-controlling interest from December 31, 2013, to September 30, 2014:

	<b>Controlling Interest</b>	<b>Non-Controlling Interest Holders</b>	<b>Total</b>
	<i>(amounts in thousands)</i>		
<b>Total Equity by Interest Holders — December 31, 2013</b>	\$ 146,525	\$ 4,099	\$150,624
Net income attributable to interest holders	8,145	145	8,290

### Allocation of Profit and Loss and Cash Distributions prior to our IPO

Prior to the IPO, all profits, losses and cash distributions of the Predecessor were allocated based on the percentages as follows:

	<b>Prior to April 23, 2013</b>
MissionPoint HA Parallel Fund, L.P.	70%
Jeffrey W. Eckel, Chief Executive Officer	18%
Other management and employees of the Predecessor	12%

Upon the completion of the IPO, the Preferred Units and Common Units in the Predecessor were exchanged for shares of our common stock or OP units in the Operating Partnership, or for certain unit holders in the Predecessor, were redeemed for cash.

### 5. Securitization of Receivables

We sold financing receivables in securitization transactions, recognizing gains of \$2.2 million and \$6.5 million for the three and nine months ended September 30, 2014, respectively, as compared to \$1.9 million and \$2.8 million for the three and nine months ended September 30, 2013, respectively. In connection with securitization transactions, we typically retain servicing responsibilities and residual assets. In certain instances, we receive annual servicing fees ranging from 0.05% to 0.20% of the outstanding balance. The investors and the securitization trusts have no recourse to our other assets for failure of debtors to pay when due. Our residual assets are subordinate to investors' interests, and their values are subject to credit, prepayment and interest rate risks on the transferred financial assets.

The fair values of retained assets, including the discount rates used in valuing those assets and the sensitivity to an increase in the discount rates of 5% and 10%, as of September 30, 2014 and December 31, 2013, were as follows:

	<b>September 30, 2014</b>

Fair value that would be decreased based on hypothetical adverse changes in discount rates:		
5% change in discount rate	\$ 255	\$ 1,194
10% change in discount rate	\$ 418	\$ 1,842

In computing gains and losses on securitizations, the discount rates were consistent with the discount rates presented in the above table. Based on the nature of the receivables and experience-to-date, we do not currently expect to incur any credit losses on the receivables sold.

The following is an analysis of certain cash flows between us and the securitization trusts:

Cash received from residual assets	\$ 817	\$ 447

As of September 30, 2014 and December 31, 2013, our managed assets totaled \$2.3 billion and \$2.1 billion, respectively, of which \$1.7 billion and \$1.6 billion were securitized. There were no securitization credit losses in the three months ended September 30, 2014 or 2013, and no material securitization delinquencies as of September 30, 2014 and December 31, 2013.

**6. Our Portfolio – Financing Receivables, Investments and Real Estate**

As of September 30, 2014, our Portfolio included approximately \$610 million of financing receivables, investments and real estate on our balance sheet. The financing receivables and investments are typically collateralized contractually committed debt obligations of government entities or private high credit quality obligors and are often supported by additional forms of credit enhancement, including security interests and supplier guaranties. The real estate is typically land and related lease intangibles for long-term leases to sustainable infrastructure projects with high credit quality obligors.

The following is an analysis of our Portfolio by type of obligor and credit quality as of September 30, 2014.

In accordance with the terms of certain financing receivables purchase agreements, payments of the purchase price is scheduled to be made over time, generally within twelve months of entering into the transaction, and as a result, we have recorded deferred funding obligations of \$49.7 million and \$74.7 million as of September 30, 2014 and December 31, 2013, respectively. We have \$4.9 million and \$49.9 million in restricted cash as of September 30, 2014 and December 31, 2013, respectively, which will be used to pay these funding obligations.

During the first quarter ended March 31, 2014, we sold a debt security of \$3.2 million that was recorded at fair value and classified as available-for-sale as of December 31, 2013. The fair value of the debt security approximated its carrying value as of December 31, 2013. During the three months ended June 30, 2014, as part of our portfolio management process, we sold certain investments designated as held-to-maturity for \$15.5 million with a carrying value of \$14.7 million and realized a gain on sale of these investments of \$0.8 million. As a result, we transferred all of our remaining investments in debt securities to investments available-for-sale at fair value. From the date of this transfer through September 30, 2014, we sold certain available-for-sale debt securities with a fair value of \$43.6 million and a cost of \$41.4 million and realized a gain on sale of these investments of \$2.2 million. As of September 30, 2014, all of our investments in debt securities are classified as investments available for sale and we are carrying them on our balance sheet at fair value. There were no investments in an unrealized loss position as of September 30, 2014 or December 31, 2013.

The lease intangible asset for favorable land leases will be amortized on a straight-line basis over the lease terms with expirations dates that range between the years 2052 and 2061 assuming expected extensions. As of September 30, 2014, the future amortization expense to be recognized related to these intangible assets is:

In December 2013, we recorded an allowance of \$11.0 million on the remaining \$11.8 million balance of a \$24 million loan made in May 2013 to a wholly owned subsidiary of EnergySource to be used for a geothermal project. The loan's average outstanding balance for the three and nine months ended September 30, 2014 was \$11.8 million. No interest income was accrued or collected in cash on the loan for the three and nine months ended September 30, 2014. For the three and nine months ended September 30, 2013, we recorded and collected interest income on the loan of \$0.4 million and \$0.6 million, respectively. For the three and nine months ended September 30, 2013, we also recognized income from EnergySource for investment banking and management services of \$0.1 million and \$0.5 million, respectively. The project is considered a variable interest entity and the maximum exposure to loss is the net balance of \$0.8 million, which represents our current estimate of the realizable sale value of assets as described below. As previously disclosed, certain of our executive officers and directors own an indirect minority interest in EnergySource following the distribution of the Predecessor's ownership interest prior to our IPO. We have continued to pursue recovery options relating to this loan and expect to enter into an agreement in November 2014, where in full satisfaction of the remaining balance of our loan we would realize a portion of the proceeds from the sale of land held by EnergySource. We expect our recovery from the land sale to equal the net balance of \$0.8 million and have agreed to cap our recovery at \$2.0 million. However, there can be no assurance as to the actual timing or ultimate recovery from any land sale or whether any land sale will in fact occur.

## Table of Contents

We had no other financing receivables, investments or leases on nonaccrual status as of September 30, 2014 and December 31, 2013. There was no provision for credit losses for the three and nine months ended September 30, 2014, or September 30, 2013. We evaluate any modifications to our financing receivables in accordance with the guidance in ASC 310, Receivables. We evaluate modifications of financing receivables to determine if the modification is more than minor, whereby any related fees, such as prepayment fees, would be recognized in income at the time of the modification. We did not have any loan modifications that qualify as trouble debt restructurings for the three months and nine months ended September 30, 2014 or 2013.

### **7. Credit Facility**

In July 2013, we entered into a \$350 million senior secured revolving credit facility through newly-created, wholly-owned special purpose subsidiaries (the "Borrowers"). The terms of the credit facility are set forth in the Loan Agreement (G&I) (the "G&I Loan Agreement") and the Loan Agreement (PF) and related amendments as described below (the "PF Loan Agreement", and together with the G&I Loan Agreement, the "Loan Agreements"). In November 2013, the PF Loan Agreement was amended to provide us with the flexibility to negotiate an alternative interest rate margin on certain loans with the approval of the administrative agent. In May 2014, we amended the PF Loan Agreement to increase its overall borrowing capacity by \$200 million to \$500 million, increase the maximum borrowings allowed at any point in time in the facility by \$100 million to \$250 million and expand the collateral eligibility criteria to reflect current market opportunities in distributed energy assets. In August 2014, we entered into an amended and restated loan agreement which a) incorporated the terms of the first two amendments, b) added additional subsidiaries as Borrowers, c) provided for a fixed rate loan option and d) modified the timing of borrowings on certain projects. We have guaranteed the obligations of the Borrowers under each of the Loan Agreements pursuant to (x) a Continuing Guaranty, dated July 19, 2013, (y) a Limited Guaranty, dated July 19, 2013. As part of our August 2014 amendment, we entered into amended and restated versions of these guaranties. In September 2014, we entered into an amendment that that reduced the required notice period for advances under the Loan Agreements.

The Loan Agreements, as amended, provide for senior secured revolving credit facilities with total maximum advances of \$900 million (i) in the case of the G&I Loan Agreement, in the principal amount of \$200 million to be used to leverage certain qualifying government and institutional financings entered into by us, with maximum total advances (without giving effect to prepayments or repayments) of \$400 million, and (ii) in the case of the PF Loan Agreement, in the principal amount of \$250 million to be used to leverage certain qualifying project financings entered into by us, with maximum total advances (without giving effect to prepayments or repayments) of \$500 million. The scheduled termination date of each of the Loan Agreements is July 19, 2018. Loans under the G&I Loan Agreement bear interest at a rate equal to the London Interbank Offered Rate ("LIBOR") plus 1.50% or, under certain circumstances, the Federal Funds Rate plus 1.50%. Loans under the PF Loan Agreement bear interest at a rate equal to LIBOR plus 2.50% or, under certain circumstances, the Federal Funds Rate plus 2.50%, or a specifically negotiated rate on certain loans as approved by the administrative agent. Under the PF Loan Agreement, we also have the option to borrow at a fixed rate of interest until the expiration of the credit facility in July 2018. The fixed rate is determined by agreement with the Administrative Agent and is based on the prevailing US SWAP rate of an equivalent term to the average-life of the fixed rate portion of the borrowing plus an agreed upon margin.

Any financing we propose to be included in the borrowing base as collateral under the Loan Agreements is subject to the approval of the administrative agent in its sole discretion. The amount eligible to be drawn under the Loan Agreements for purposes of financing such investments will be based on a discount to the value of each investment or an applicable valuation percentage. Under the G&I Loan Agreement, the applicable valuation percentage for non-delinquent investments is 80% in the case of a U.S. Federal Government obligor, 75% in the case of an institutional obligor or a state and local obligor, and with respect to other obligors or in certain circumstances, such other percentage as the administrative agent may prescribe. Under the PF Loan Agreement, the applicable valuation percentage is 67% or such other percentage as the administrative agent may prescribe. The sum of approved financings after taking into account the valuation percentages and any changes in the valuation of the financings in accordance with the Loan Agreements determines the borrowing capacity, subject to the overall facility limits described above.

We had outstanding borrowings under our credit facilities of \$212.8 million and \$77.1 million as of September 30, 2014 and December 31, 2013, respectively. We pledged \$251.9 million and \$114.3 million of

## Table of Contents

financing receivables as collateral for the credit facility as of September 30, 2014 and December 31, 2013, respectively. The weighted average short-term borrowing rate of our credit facilities was 2.4% and 2.6% as of September 30, 2014 and December 31, 2013, respectively. We incurred approximately \$10.7 million of costs associated with the Loan Agreements that have been capitalized (included in other assets on the condensed consolidated balance sheets) and will be amortized on a straight-line basis over the term of the Loan Agreements. On each monthly payment date, the Borrowers shall also pay to the administrative agent, for the benefit of the lenders, certain availability fees for each Loan Agreement equal to 0.50%, divided by 360, multiplied by the excess of the available borrowing capacity under each Loan Agreement over the actual amount borrowed under such Loan Agreement.

Each Loan Agreement contains terms, conditions, covenants, and representations and warranties that are customary and typical for a transaction of this nature. The Loan Agreements contain various affirmative and negative covenants, and limitations on the incurrence of liens and indebtedness, investments, fundamental organizational changes, dispositions, changes in the nature of business, transactions with affiliates, use of proceeds and stock repurchases.

Each Loan Agreement also includes customary events of default, including for the existence of a default in more than 50% of underlying financings. The occurrence of an event of default may result in termination of the Loan Agreements, acceleration of amounts due under both Loan Agreements, and accrual of default interest at a rate of LIBOR plus 2.50% in the case of the G&I Loan Agreement and at a rate of LIBOR plus 5.00% in the case of the PF Loan Agreement.

The Loan Agreements require that we maintain the following financial covenants:

Covenant	Covenant Threshold
Minimum Liquidity (defined as available borrowings under the Loan Agreements plus unrestricted cash divided by actual borrowings) of greater than:	5%
12 month rolling Net Interest Margin of greater than:	zero
Maximum Debt to Equity Ratio of less than:	4 to 1

We were in compliance with the financial covenants of the Loan Agreements at each reporting date that such covenants were applicable. For purposes of the Maximum Debt to Equity ratio, debt is defined as total indebtedness excluding accounts payable and accrued expenses and nonrecourse debt.

## **8. Nonrecourse Debt**

### *Asset-Backed Nonrecourse Notes*

In December 2013, through certain of our subsidiaries, we issued in a private placement \$100 million of nonrecourse Asset-Backed Notes (the "Notes") with a fixed interest rate of 2.79%. The Notes mature in December 2019 and are secured by certain of our financing receivables included on our balance sheet. The Noteholders can only look to the cash flows of the pledged financing receivables to satisfy the Notes and we are not liable for nonpayment by the obligor of the financing receivables securing these Notes. As of September 30, 2014 and December 31, 2013, we had \$93.6 million and \$100.1 million, respectively, of Notes outstanding, which were secured by \$105.1 million and \$109.5 million, respectively, of our financing receivables included on our balance sheet. Upon maturity, the Notes are anticipated to have an outstanding debt balance of approximately \$57 million. The Notes may be prepaid prior to December 2018, with a make whole payment calculated using a discount rate equal to the comparable-maturity treasury yield plus 50 basis points. Thereafter the notes are repayable at par. At maturity, we will have the option to rollover the remaining debt with a mutually agreed term and rate or repay the outstanding balance.

## Table of Contents

We incurred approximately \$0.2 million of costs associated with the issuance of the Notes that have been capitalized (included in other assets on the condensed consolidated balance sheets) and will be amortized using the effective interest method over a 72 month period from December 2013.

### Other Nonrecourse Debt

We have other nonrecourse debt that was used to finance certain of our financing receivables for the term of the financing receivable. Amounts due under nonrecourse notes are secured by financing receivables with a carrying value of \$113.9 million and \$156.4 million as of September 30, 2014 and December 31, 2013, respectively, and there is no recourse to our general assets. Debt service payment requirements, in a majority of cases, are equal to or less than the cash flows received from the underlying financing receivables.

## 9. Commitments and Contingencies

### Litigation

We are not currently subject to any legal proceedings that are likely to have a material adverse effect on our financial position, results of operations or cash flows.

## 10. Income Tax

We qualified to be taxed as a REIT, commencing with our taxable year ending December 31, 2013. As a REIT, we are not subject to federal corporate income tax on that portion of net income that is currently distributed to our owners. However, our TRS will generally be subject to federal, state, and local income taxes as well as taxes of foreign jurisdictions, if any.

## Table of Contents

We account for income taxes of our TRS using the asset and liability method. Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to the differences between the consolidated financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities from a change in tax rates is recognized in earnings in the period when the new rate is enacted.

During the three months ended March 31, 2014, we transferred an asset to our TRS that had a tax basis in excess of its book basis. We recognized a deferred tax asset for the amount we expect to be realizable. Because the transfer was done amongst entities under common control, we recorded the \$1.9 million impact of the transaction to additional paid in capital. We established a valuation allowance against the remaining balance of our deferred tax asset as of March 31, 2014.

During the three months ended September 30, 2014, we recorded a tax provision of \$0.6 million related to our TRS activities. For the nine months ended September 30, 2014, we recorded an income benefit of \$0.2 million. The income tax expense and benefits recorded were determined using a federal rate of 35% and a combined state rate, net of federal benefit, of 5%. The effective tax rate for the TRS for the three months ended September 30, 2014, was 45%, which exceeded the combined statutory tax rate of 40% as a result of provision to return adjustments recorded during the quarter. For the nine months ended September 30, 2014, the TRS effective tax rate was a 3% benefit primarily as a result of the reversal of a \$2.1 million deferred tax valuation allowance. We had no income tax expense related to our TRS activities for the three and nine months ended September 30, 2013. As of September 30, 2014, there is no deferred tax valuation allowance against our deferred tax assets.

### *Registration Statements*

#### *Resale Shelf Registration Statement*

In August 2014, we filed a registration statement with the SEC registering the resale, from time to time, by certain persons of up to 3,178,410 shares of common stock, comprised of: (1) 1,741,238 shares of common stock issued in connection with our formation transactions at the time of our IPO, (2) 331,282 shares of common stock

---

## **Table of Contents**

issuable upon exchange of OP units issued in connection with our formation transactions, which are exchangeable on a one-for-one basis, into cash or, at our option, shares of our common stock and (3) 1,105,890 shares of common stock granted under the 2013 Plan to our directors, officers and other employees.

The registration of the resale of these shares does not necessarily mean that all or any of these shares will be offered or sold by the holders. We have not and will not receive any proceeds from the sale of these shares by the selling stockholders. In accordance with our registration rights agreement, we incurred the costs of approximately \$0.1 million to register the resale of these shares of common stock. Brokerage commissions and similar costs related to the future sale of these shares, if any, will be borne by the selling stockholders.

### ***Company Shelf Registration Statement***

In August 2014, we filed a registration statement with the SEC registering the possible offering and sale of up to \$500 million of any combination of our common stock, preferred stock, depository shares, and warrants and rights (collectively referred to as the “securities”.) We may offer the securities directly, through agents, or to or through underwriters. Sales of the securities may be made by means of ordinary brokers’ transactions on the NYSE or otherwise at market prices prevailing at the time of sale or at negotiated prices. The specific terms of the securities offering and the names of any underwriters involved in the sale of the securities will be set forth in the applicable prospectus supplement. We had not issued any securities under the registration statement as of September 30, 2014.

### ***Equity Incentive Plan***

We recorded compensation expense for stock awards in accordance with ASC 718, *Compensation—Stock Compensation*, which requires that all equity-based payments to employees be recognized in the condensed consolidated statements of operations, based on their grant date fair values with the expense being recognized over the requisite service period.

At the time of completion of our IPO, we adopted our 2013 Plan, which provides for grants of stock options, stock appreciation rights, restricted stock units, shares of restricted common stock, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our Operating Partnership and other equity-based awards. From time to time, we may award unvested restricted shares as compensation to members of our senior management team, our independent directors, advisors, consultants and other personnel under our 2013 Plan. The shares issued under this plan vest over a period of time as determined by the board of directors at the date of grant. Under the 2013 Plan, we issued both awards with service conditions and awards with performance conditions. We recognize compensation expense for unvested shares that vest solely based on service conditions on a straight-line basis over the vesting period based upon the fair market value of the shares on the date of grant, adjusted for forfeitures. Compensation expense related to our awards with performance conditions is recognized over the requisite service period based on our estimate of the achievement of the various performance targets based on the fair market value of the shares on the date of grant, adjusted for forfeitures.

### ***Reallocation of the Predecessor’s Membership Units***

Concurrently with the IPO, the existing owners of the Predecessor reallocated and distributed a portion of their equity ownership to the employees of the Predecessor and the employees received 202,826 shares of common stock, 128,348 restricted stock units and 135,938 OP units. This reallocation was accounted for as equity-based compensation in accordance with ASC 718, *Compensation — Stock Compensation*, with equity award valuations based on the IPO price of \$12.50 per share. As the shares of common stock, restricted stock units and OP units were immediately vested, we recorded compensation expense related to these awards of \$5.8 million on April 23, 2013. No tax benefits have been recorded related to this reallocation. The restricted stock units, net of applicable federal and state taxes withheld, were converted to common shares in November 2013.

### ***Awards of Shares of Restricted Common Stock under our 2013 Plan***

During the nine months ended September 30, 2014, our board of directors awarded employees and directors 149,359 shares of restricted common stock that vest in 2015 through 2018 and 379,741 shares of restricted common stock to certain employees that vest upon the later of the achievement of certain dividend growth targets and December 31, 2015.

## Table of Contents

We recognize compensation expense for unvested shares of restricted common stock on a straight-line basis over the vesting period based upon the fair market value of the shares on the date of issuance, adjusted for forfeitures. The calculation of the compensation expense assumes a forfeiture rate up to 5%. For the three and nine months ended September 30, 2014, we recorded \$1.7 million and \$3.6 million of equity-based compensation expense as compared to \$0.4 million and \$6.6 million, which includes \$5.8 million related to the reallocation of shares to employees from the existing owners of the Predecessor on the completion of our IPO, for the three and nine months ended September 30, 2013. Included in our stock based compensation expense is an accrual for an additional 163,868 shares of restricted common stock that the board has set as a target to be earned by certain employees upon the achievement of certain corporate and individual performance goals during 2014 and, if earned and awarded, will vest in equal amounts on December 31, 2015 and 2016.

The total unrecognized compensation expense related to awards of shares of restricted common stock subject to a vesting schedule, considering estimated forfeitures, is \$10.4 million as of September 30, 2014, which is expected to be recognized over a weighted-average term of approximately two years.

A summary of the unvested shares of restricted common stock that have been issued, as of September 30, 2014, is as follows:

	Restricted Shares of Common Stock	Value (000's)
Beginning Balance - December 31, 2013	598,815	\$ 7,484

Forfeited	(7,386)	\$ (98)

## Accumulated Other Comprehensive Income

Accumulated OCI is the cumulative total OCI that is included as a component of shareholder's equity. The following represents changes in accumulated OCI by component, net of tax, if any, as of September 30, 2014.

	Unrealized Gains/ (Loss) on Residual Assets	Unrealized Gains/ (Losses) on Investments Available-for-Sale	Less Noncontrolling Interest	Total

Balances as of September 30, 2014	<u>\$ (1)</u>	<u>\$ 804</u>	<u>\$ (16)</u>	<u>\$ 787</u>

As of September 30, 2014, unrealized gains on investments available-for-sale is presented net of \$0.5 million of income tax expense.

## 12. Earnings per Share of Common Stock

Net income or loss figures are presented net of income or loss attributable to the non-controlling OP units in the earnings per share calculations. The non-controlling limited partners' outstanding OP units have also been excluded from the diluted earnings per share calculation attributable to common stockholders as there would be no effect on the amounts since the limited partners' share of income would also be added back to net income. The weighted average number of OP units attributable to the non-controlling interest was 332,852 and 346,479 for the three months and nine months ended September 30, 2014, respectively.

## Table of Contents

Unvested share-based payment awards that contain non-forfeitable rights to dividends or dividend equivalents (whether paid or unpaid) are participating securities and shall be included in the computation of earnings per share pursuant to the two-class method. Any shares of common stock which, if included in the diluted earnings per share calculation, would have an anti-dilutive effect have been excluded from the diluted earnings per share calculation.

For the three months ended September 30, 2014, undistributed earnings attributable to unvested shares of restricted common stock have been excluded, as applicable, from net income or loss attributable to common shareholders used in the basic and diluted earnings per share calculations because the effect of these items on diluted earnings per share would be anti-dilutive. As of September 30, 2014 and 2013, there were 973,520 and 734,763 shares of unvested restricted common stock outstanding, respectively.

The computation of basic and diluted earnings per common share is as follows:

#### Wind Project Investment and Nonrecourse Debt

In October 2014, we acquired a \$144 million investment (“Wind Project Investment”), in a portfolio of ten operating wind projects owned by an affiliate of JP Morgan Chase & Co. (“JP Morgan”). The transaction enables us to participate in the priority cash flows associated with these wind projects. As part of the transaction, we borrowed \$115 million of fixed-rate, amortizing non-recourse debt using the investment as collateral, pursuant to a loan agreement.

The transaction was structured as an investment by HA Wind I LLC, our newly formed subsidiary (“HA Wind”), in a 50% ownership interest in newly formed Strong Upwind Holdings LLC (“NewCo”). NewCo, using the cash contributions from HA Wind and an affiliate of JP Morgan, the other 50% owner, has purchased minority ownership interests in four wind limited liability companies from JP Morgan. These four limited liability companies collectively own ten operating wind projects across five states. The expected cash flow from these wind projects is the primary source of repayments of the loan. The limited liability companies are majority owned and operated by large wind energy companies.

The minority ownership interests in the holding companies are structured in a typical wind partnership flip structure where NewCo, along with a number of other large institutional investors receive a pre-negotiated preferred return consisting of a priority distribution of the project cash flows along with tax attributes. Once this preferred

return is achieved, the partnership “flips” and the project owner receives the majority of the cash flow and the institutional investors will have an ongoing residual interest. HA Wind and JP Morgan will share in the cash flow and tax attributes of NewCo according to a negotiated schedule. After factoring in the various ownership interests, HA Wind will own between 4% and 17.5% of the holding companies based on voting percentage.

As part of the Wind Project Investment, we borrowed \$115 million of fixed-rate, amortizing non-recourse debt using the investment as collateral, pursuant to a loan agreement (the “Wind Loan Agreement”), dated as of October 15, 2014, among HA Wind, Bank of America, N.A., and each lender from time to time party thereto. The loan bore interest from the closing date through October 22, 2014, at a rate per annum equal to the sum of (x) the LIBOR daily floating rate plus (y) 4.25% per annum and converted on October 22, 2014, to a fixed rate of 5.74%. Principal and interest are paid quarterly starting in March 2015 with a minimum principal payment amount equal to one-half percent (0.5%) of the principal amount of the loans plus additional principal payments based on available cash flow and a target debt balance. The scheduled maturity date of the loan is September 30, 2021 and the expected remaining debt balance to be repaid at the maturity date is \$20.2 million.

HAT Holdings II LLC, our subsidiary, has pledged its 100% ownership of the equity in HA Wind and HA Wind has pledged all of its assets, which consists primarily of its 50% ownership interest in NewCo, as security for the loan. The loan is otherwise non-recourse to our company.

The Wind Loan Agreement contains terms, conditions, covenants, and representations and warranties from HA Wind that are customary and typical for a transaction of this nature, including limitations on the incurrence of liens and indebtedness, investments, fundamental organizational changes, dispositions, changes in the nature of business, transactions with affiliates, use of proceeds and stock repurchases. The Wind Loan Agreement also includes customary events of default, the occurrence of which may result in termination of the Wind Loan Agreement, acceleration of amounts due, and accrual of default interest at a rate of 7.74%.

### **Sale of Common Stock**

In October 2014, we completed a follow-on public offering in which we sold 4,600,000 shares of common stock (including 600,000 shares sold pursuant to the full exercise of the underwriters’ option to purchase additional shares) at \$13.60 per share, less the underwriting discount and estimated expenses, for net proceeds of \$58.9 million.

### **Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations**

*In this Quarterly Report on Form 10-Q, unless specifically stated otherwise or the context otherwise indicates, references to “we,” “our,” “us,” and “HASI” refer to Hannon Armstrong Sustainable Infrastructure Capital, Inc., a Maryland corporation, Hannon Armstrong Sustainable Infrastructure, L.P., and any of our other subsidiaries. Hannon Armstrong Sustainable Infrastructure, L.P. is a Delaware limited partnership of which we are the sole general partner and to which we refer in this Quarterly Report on Form 10-Q as our “Operating Partnership.”*

*Hannon Armstrong Capital, LLC, a Maryland limited liability company, the entity that operated our historical business prior to the consummation of our IPO and which we refer to as the “Predecessor,” became our subsidiary upon consummation of our IPO. To the extent any of the financial data included in this Quarterly Report on Form 10-Q is as of a date or from a period prior to the consummation of our IPO, such financial data is that of the Predecessor. The financial data for the Predecessor for such periods do not reflect the material changes to the business as a result of the capital raised in the IPO including the broadened types of projects undertaken, the enhanced financial structuring flexibility and the ability to retain a larger share of the economics from the origination activities. Accordingly, the financial data for the Predecessor is not necessarily indicative of our results of operations, cash flows or financial position following the completion of the IPO.*

*The following discussion is a supplement to and should be read in conjunction with the accompanying condensed consolidated financial statements and related notes and with our 2013 Form 10-K, that was filed with the SEC.*

#### **Our Business**

We provide debt for, and make equity investments in, sustainable infrastructure projects that increase energy efficiency, provide cleaner energy sources, positively impact the environment or make more efficient use of natural resources. Over this period, we have become the leading provider of financing for energy efficiency projects for the U.S. federal government, the largest property owner and energy user in the United States.

We provide and arrange debt and equity primarily for three types of projects, which we refer to together as sustainable infrastructure projects:

- *Energy Efficiency Projects:* projects, typically undertaken by Energy Services Companies (ESCOs), which reduce a building’s or facility’s energy usage or cost through the design and installation of improvements to various building components, including heating, ventilation and air conditioning systems, or HVAC systems, lighting, energy controls, roofs, windows and/or building shells;
- *Clean Energy Projects:* projects that deploy cleaner energy sources, such as solar, wind, geothermal and biomass as well as natural gas; and
- *Other Sustainable Infrastructure Projects:* projects, such as water or communications infrastructure, that reduce energy consumption, positively impact the environment or make more efficient use of natural resources.

We are highly selective in the projects we target. Our goal is to select projects that generate recurring and predictable cash flows or cost savings that will be more than adequate to repay the debt financing we provide or will deliver attractive returns on our investments. Our projects are typically characterized by revenues from contractually committed obligations of government entities or private high credit quality obligors and are often supported by additional forms of credit enhancement, including security interests and supplier guaranties. Our projects also generally employ proven technologies which minimize performance uncertainty, enabling us to more accurately predict project revenue and profitability over the term of the financing or investment. As of September 30, 2014, approximately 97% of the transactions held on our balance sheet are considered investment grade.

---

## Table of Contents

In April 2013, we completed our IPO, raising net proceeds of approximately \$160 million. In April 2014 and October 2014, we completed follow on public offerings, raising net proceeds of approximately \$70 million and \$58.9 million, respectively. Our strategy in undertaking the public offerings was to expand our proven ability to serve the rapidly growing sustainable infrastructure market by increasing our capital resources, enhancing our financial structuring flexibility, expanding the types of projects and end-customers we pursue, and selectively retaining a larger portion of the economics in the financings we originate. Prior to our IPO, we had traditionally financed our business by accessing the securitization market, primarily utilizing our relationships with institutional investors such as insurance companies and commercial banks. By utilizing the net proceeds from our offerings and our anticipated continued access to the public markets, our strategy is to hold a significantly larger portion of the loans or other assets we originate on our balance sheet, using our own capital in conjunction with both securitizations and other borrowings. For further information on our public equity offerings, see “Note 1. The Company” to our financial statements in Item 1 of this Quarterly Report on Form 10-Q.

We expect to see, in comparison to historical periods, a much larger portion of our total revenue derived from net investment revenue and other recurring and predictable revenue sources. While we expect our investment interest expense to increase, we also expect that our net investment revenue, which represents the margin, or the difference between income from investment income and investment interest expense, will increase due to a higher average margin on a per asset basis as well as growth in the overall amount of our investments. We expect our average margin will increase as a result of increased use of equity in place of debt as well as lower anticipated interest rates on our borrowings.

In our securitization transactions, including Hannon Armstrong Multi-Asset Infrastructure Trust (“Hannie Mae”), we transfer the loans or other assets we originate to securitization trusts or other bankruptcy remote special purpose funding vehicles. Large institutional investors, primarily insurance companies and commercial banks, historically provided the financing needed for a project by purchasing the notes issued by the trust or vehicle. The securitization market for the assets we finance has remained active throughout the financial crisis due to investor demand for high credit quality, long-term investments. We typically arranged such securitizations of loans or other assets prior to originating the transaction and thus have avoided exposure to credit spread and interest rate risks that are normally associated with traditional capital markets conduit transactions. Additionally, we have typically avoided funding risks for these loans or other assets given that our securitization partners contractually agree to fund such assets before the origination transaction is completed.

In most cases, transfers of loans or other assets to non-consolidated securitization trusts or to third parties qualify as sales for accounting purposes. In these transactions, we receive economics in the form of gain on sale income that is reflected in our statement of operations as gain on sale of receivables and investments. We also typically manage and service these assets in exchange for fees and other payments, which we record as fee income on our statement of operations. We may periodically provide other services, including arranging financings that are held on the balance sheet of other parties and advising various companies with respect to structuring investments.

From April 23, 2013, the date of our IPO, through September 30, 2014, we completed approximately \$1.1 billion of transactions, of which 52% are held on our balance sheet and 48% were securitized or syndicated. Approximately 56% of these transactions financed energy efficiency projects; approximately 41% financed clean energy projects, while the remaining 3% financed other sustainable infrastructure projects.

We refer to the transactions that we hold on our balance sheet as our “Portfolio.” Our Portfolio may include:

- Financing Receivables, such as sustainable infrastructure project loans, receivables and direct financing leases,
- Investments, such as sustainable infrastructure debt and equity securities, and
- Real Estate, such as land or other physical assets and related intangible assets used in sustainable infrastructure projects.

On May 28, 2014, we acquired all of the outstanding member interests in AWCC for approximately \$106.7 million (the “Purchase Price”). Through this acquisition, we expanded our portfolio of sustainable infrastructure

assets, including acquiring more than 7,500 acres of land with in-place land leases to three solar projects, which we have recorded as real estate, and the rights to payments from land leases for a diversified portfolio of 57 wind projects, which we have recorded as financing receivables. For further information on this transaction, see “Note 1.”

In October 2014, we acquired a \$144 million Wind Project Investment in a portfolio of ten operating wind projects owned by an affiliate of JP Morgan. The transaction enables us to participate in the priority cash flows associated with these wind projects. As part of the transaction, we borrowed \$115 million of fixed-rate, amortizing non-recourse debt using the investment as collateral. For further information on this transaction, see “Note 13.”

As of September 30, 2014, our Portfolio, from which we earn investment income, was approximately \$610 million. Approximately 96% of our Portfolio consisted of fixed rate loans, direct financing leases or debt securities, of which approximately 14% was real estate with long term leases, and the remaining 4% consisting of floating rate debt. Approximately 34% of our Portfolio consisted of U.S. federal government obligations, 12% of obligations of state or local government or other institutions such as hospitals and universities and 54% were commercial obligations. In total, as of September 30, 2014, we managed approximately \$2.3 billion of assets, which consisted of our Portfolio plus approximately \$1.7 billion of assets held in non-consolidated securitization trusts. We refer to this \$2.3 billion of assets collectively as our managed assets.

We have a large and active pipeline of potential new financing opportunities that are in various stages of our investment process. We refer to projects as being part of our pipeline if we have determined that the projects fit within our investment strategy and exhibit the appropriate risk/reward characteristics through an initial credit analysis, including a quantitative and qualitative assessment of the investments, as well as research on the market and sponsor. Our pipeline consists of projects, including real estate investment opportunities, for which we will either be the lead financier or projects in which we will participate that are originated by other institutional investors or intermediaries. As of September 30, 2014, our pipeline consisted of more than \$2.0 billion in new financing and investment opportunities. There can, however, be no assurance that any or all of the transactions in our pipeline will be completed.

### **Factors Impacting our Operating Results**

We expect that our results of operations will be affected by a number of factors and will primarily depend on the size of our Portfolio, including the mix of transactions which we hold in our Portfolio, the income we receive from securitizations, syndications and other services, our Portfolio’s credit risk profile, changes in market interest rates, commodity prices, U.S. federal, state and/or municipal governmental policies, general market conditions in local, regional and national economies and our ability to qualify as a REIT and maintain our exception from registration as an investment company under the 1940 Act.

We have elected to qualify, and operate our business so as to qualify, to be taxed as a REIT under Sections 856 through 860 of Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”) commencing with our taxable year ended December 31, 2013. We believe that we have been organized and operated, and we intend to continue to operate, in such a manner so as to qualify for taxation as a REIT under the Internal Revenue Code. Qualification and taxation as a REIT depends on our ability to satisfy, among other requirements, certain asset and income tests, some of which depend upon the classification of at least 75% of the “fair market value” of our assets as real estate assets under the Internal Revenue Code. On May 14, 2014, the United States Department of the Treasury published proposed regulations which, if adopted in the form proposed, would revise the definition of “real property” for purposes of the REIT income and asset tests. The proposed regulations are not yet in effect, and, depending upon whether and in what form they are actually adopted and how if adopted they are interpreted, may affect the classification of certain of our assets under these tests, and thus could require us to alter our mix of assets, adjust our approach to qualifying as a REIT or adjust our business strategy. The proposed regulations are proposed to be effective for calendar quarters beginning after they are published in final form. The Treasury has not indicated whether or when the proposed regulations will be finalized.

### **Critical Accounting Policies and Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make a number of judgments, estimates and assumptions that affect the reported amount of assets, liabilities, income and expenses in the consolidated financial statements. Understanding our accounting policies and the extent to which we use management judgment and estimates in applying these policies is integral to understanding our financial statements. We provide a summary of our significant accounting policies under “Note 2—Summary of Significant Accounting Policies” in our 2013 Form 10-K and under Note 2—“Summary of Significant Accounting Policies” in Item 1 of this 10-Q.

We have identified the following accounting policies as critical because they require significant judgments and assumptions about highly complex and inherently uncertain matters and the use of reasonably different estimates and assumptions could have a material impact on our reported results of operations or financial condition. These critical accounting policies govern:

- Financing receivables and the related accounting for allowance for credit losses and impairments
- Investments and the related accounting for impairments
- Real estate
- Securitization of receivables
- Valuation of financial instruments
- Revenue recognition
- Income taxes
- Equity-based compensation
- Earnings per share

We evaluate our critical accounting estimates and judgments on an ongoing basis and update them, as necessary, based on changing conditions.

We provide additional information on our critical accounting policies and use of estimates under “MD&A—Critical Accounting Policies and Use of Estimates” in our 2013 Form 10-K.

### **Financial Condition and Results of Operation**

#### **Our Portfolio**

As of September 30, 2014, our Portfolio included approximately \$610 million of financing receivables, investments and real estate on our balance sheet. The financing receivables and investments are typically collateralized contractually committed debt obligations of government entities or private high credit quality obligors and are often supported by additional forms of credit enhancement, including security interests and supplier guaranties. The real estate is typically land and related lease intangibles for long-term leases to sustainable infrastructure projects with high credit quality obligors. The weighted average remaining life of our Portfolio as of September 30, 2014, (excluding match-funded transactions) is approximately 12 years.

**Net Income**

Net income increased by \$0.7 million to \$2.6 million for the three months ended September 30, 2014, compared to \$1.9 million for the same period in 2013. This increase was primarily the result of higher total revenue, net of investment interest expense and provision of \$3.0 million, partially offset by an increase in other expense, net of \$1.7 million and a current period tax expense of \$0.6 million. Our growth in total revenue, net of investment interest expense and provision was driven by higher net investment revenue of \$1.7 million driven by an increase in the monthly average Portfolio balance to \$602 million during the three months ended September 30, 2014 when compared to \$361 million for the same period in 2013 as well as higher other investment revenue of \$1.3 million. The \$1.7 million increase in other expenses, net was primarily as a result of higher compensation and benefits costs of \$1.1 million and higher general and administrative expenses of \$0.6 million in 2014 driven by an increase in legal and professional fees.

**Net Investment Revenue**

Net investment revenue increased to \$4.3 million in the three months ended September 30, 2014, from \$2.6 million in the same period in 2013. The increase was driven primarily by an increase in our Portfolio of investments held during the three months ended September 30, 2014, when compared to the same period in 2013. The monthly average balance of our Portfolio increased to approximately \$602 million in the three months ended September 30, 2014, from approximately \$361 million in the same period in 2013. This increase in our Portfolio was driven by our strategy to hold more originated transactions on our balance sheet to increase our shareholders' value. Revenue from the increase in the size of our Portfolio was partially offset by a decline in the average interest rates earned on these assets, which decreased to 5.48% in the three months ended September 30, 2014, from 5.75% in the same period in 2013. This decrease was driven primarily by the impact of the current lower interest rate environment as compared to the historical rate environment when our legacy portfolio was originated. Our larger Portfolio, partially offset by lower interest rates, resulted in a \$3.0 million increase in investment revenue to \$8.2 million during the three months ended September 30, 2014, compared to \$5.2 million during the same period in 2013.

As we have increased our leverage, including the use of our 2.79% fixed rate asset backed debt, to finance our Portfolio, the monthly average debt balance increased in the three months ended September 30, 2014, to approximately \$404 million compared to approximately \$246 million during the same period in 2013. This increase in our monthly average debt balance was the primary driver for the increase in our investment interest expense of \$1.4 million, when comparing the \$4.0 million in the three months ended September 30, 2014, to \$2.6 million in the same period ended September 30, 2013. Our average debt rate decreased to 3.93% during the three months ended September 30, 2014, from 4.21% for the same period ending September 30, 2013, due to the lower interest rates on our credit facility and our asset backed debt as compared to our historical match funded other nonrecourse debt.

## Table of Contents

As a result of the increase in the size of our Portfolio offset by an increase in the debt used to leverage the Portfolio, net investment revenue increased 65% to \$4.3 million for the three months ended September 30, 2014, from \$2.6 million for the same period ended in 2013.

### Other Investment Revenue

Gain on sale of receivables and investments increased by \$1.4 million for the three months ended September 30, 2014, when compared to the same period ended September 30, 2013. The increase was the result of higher transaction volume in 2014 when compared to 2013. This increase was offset by a \$0.1 million decline in fee income due to lower fees from investment banking services. As a result, other investment revenue increased by \$1.3 million to \$3.5 million from \$2.2 million in the same period last year.

### Total Revenue, Net of Investment Interest Expense and Provision

Total revenue, net of investment interest expense and provision increased by \$3.0 million to \$7.8 million for the three months ended September 30, 2014, compared to \$4.8 million for the same period in 2013. This increase was primarily a result of the growth in our Portfolio when comparing the three months ended September 30, 2014, to the same period ended September 30, 2013, as well as higher gain on sale of receivables and investments in 2014.

### Other Expenses, Net

Other expenses, net increased by \$1.7 million to \$4.6 million in the three months ended September 30, 2014, compared to \$2.9 million in the same period in 2013, primarily as a result of higher compensation and benefits costs of \$1.1 million and \$0.6 million of higher general and administrative expenses driven by higher transaction related legal and professional fees in 2014. The increase in compensation and benefits during the three months ended September 30, 2014, when compared to the same period in 2013, was driven primarily by higher equity-based compensation expenses in 2014.

## **Table of Contents**

### ***Net Income***

Net income increased by \$13.4 million to \$8.3 million for the nine months ended September 30, 2014, compared to a loss of \$5.1 million for the same period in 2013. This increase was primarily the result of a \$12.7 million increase in total revenue, net of investment interest expense and provision that was driven primarily by higher net investment revenue, net of provision of \$5.3 million due to the increase in the size of our Portfolio and higher other investment revenue of \$7.3 million. In addition, other expenses, net decreased by \$0.5 million due to a \$2.8 million decrease in equity-based compensation, partially offset by \$1.1 million of AWCC acquisition costs and a \$1.2 million increase in general and administrative expenses resulting from higher legal, consulting and accounting costs associated with being a public company, during the nine months ended September 30, 2014, compared to the same period in 2013. Net income during the nine months ended September 30, 2014, was also favorably impacted by an income tax benefit of \$0.2 million related to our TRS activities.

### ***Net Investment Revenue***

Net investment revenue increased to \$9.7 million in the nine months ended September 30, 2014, from \$4.4 million in the same period in 2013. The increase was driven primarily by an increase in our Portfolio of assets held during the nine months ended September 30, 2014, when compared to the same period in 2013. The monthly average Portfolio balance increased to approximately \$518 million in the nine months ended September 30, 2014, from approximately \$266 million in the same period in 2013. This increase in our Portfolio was driven by our strategy to hold more originated transactions on our balance sheet to increase our shareholders' value. The increase in our Portfolio was partially offset by a decline in average interest rates earned on these assets, which decreased to 5.39% in the nine months ended September 30, 2014, from 5.67% in the same period in 2013. This decrease was driven primarily by the impact of the current lower interest rate environment as compared to the historical rate environment when our legacy portfolio was originated. Our larger Portfolio, partially offset by lower interest rates, generated a \$9.6 million increase in investment revenue to \$20.9 million during the nine months ended September 30, 2014, compared to \$11.3 million during the same period in 2013.

As we have increased our leverage, including the use of our 2.79% fixed rate asset backed debt, to finance a portion of our Portfolio, the monthly average debt balance increased in the nine months ended September 30, 2014, to approximately \$368 million compared to approximately \$207 million during the same period in 2013. This increase in our monthly average debt balance was the primary driver for the increase in our investment interest expense of \$4.3 million, when comparing the nine months ended September 30, 2014, to the same period ended September 30, 2013. Our average debt rate decreased to 4.05% during the nine months ended September 30, 2014, from 4.44% for the same period ending September 30, 2013, due to the lower interest rates on our credit facility and our asset backed debt as compared to our historical match funded other nonrecourse debt.

As a result of the increase in the size of our Portfolio offset by an increase in the debt used to finance the Portfolio, net investment revenue increased over 100% to \$9.7 million for the nine months ended September 30, 2014, from \$4.4 million for the same period ended in 2013.

### ***Other Investment Revenue***

Gain on sale of receivables and investments increased by \$6.8 million for the nine months ended September 30, 2014, when compared to the same period ended September 30, 2013. The increase was the result of higher transaction volume in 2014 when compared to 2013. Fee income in 2014 also increased by \$0.5 million to \$1.7 million for the nine months ended September 30, 2014, from \$1.2 million for the nine months ended September 30, 2013, primarily as a result of an increase in the value of a syndication fee transaction closed in 2014 when compared to such transactions closed in 2013.

### ***Total Revenue, Net of Investment Interest Expense and Provision***

Total revenue, net of investment interest expense and provision increased by \$12.7 million to \$21.1 million for the nine months ended September 30, 2014, compared to \$8.4 million for the same period in 2013. This increase

---

## **Table of Contents**

was primarily a result of the increase in net investment revenues due to an increase in the size of our Portfolio and higher transaction volumes driving the increases in other investment revenue when comparing the nine months ended September 30, 2014, to the same period ended September 30, 2013.

### ***Other Expenses, Net***

Other expenses, net decreased by \$0.5 million to \$13.0 million in the nine months ended September 30, 2014, compared to \$13.5 million in the same period in 2013, primarily as a result of lower compensation and benefits costs driven by the one-time IPO related equity-based compensation expense charge in 2013 of \$5.8 million partially offset by higher equity-based compensation expenses of \$2.8 million and staff costs of \$0.2 million in 2014 when compared to 2013 excluding the one-time IPO related charge. The decline in compensation expense was offset by higher transaction related professional fees in 2014 of \$1.1 million related to the AWCC acquisition costs and higher general and administrative expenses of \$1.2 million due to an increase in legal and professional fees related to being a public company.

### **Non-GAAP Financial Measures**

We consider the following non-GAAP financial measures useful to investors as key supplemental measures of our performance: (1) core earnings, (2) managed assets and (3) investment income from managed assets. These non-GAAP financial measures should be considered along with, but not as alternatives to, net income or loss as a measure of our operating performance. These non-GAAP financial measures, as calculated by us, may not be comparable to similarly named financial measures as reported by other companies that do not define such terms exactly as we define such terms.

### ***Core Earnings***

We calculate Core Earnings as U.S. GAAP net income (loss) excluding non-cash equity compensation expense, non-cash provision for credit losses, amortization of intangibles, one time acquisition related costs, if any and any non-cash tax charges. The amount is also adjusted to exclude one-time events pursuant to changes in U.S. GAAP and certain other non-cash charges as approved by a majority of our independent directors.

We believe that Core Earnings provides an additional measure of our core operating performance by eliminating the impact of certain non-cash expenses and facilitating a comparison of our financial results to those of other comparable REITs with fewer or no non-cash charges and comparison of our own operating results from period to period. Our management uses Core Earnings in this way. We believe that our investors also use Core Earnings, or a comparable supplemental performance measure, to evaluate and compare our performance to that of our peers, and as such, we believe that the disclosure of Core Earnings is useful to (and expected by) our investors.

However, Core Earnings does not represent cash generated from operating activities in accordance with U.S. GAAP and should not be considered as an alternative to net income (determined in accordance with U.S. GAAP), or an indication of our cash flow from operating activities (determined in accordance with U.S. GAAP), a measure of our liquidity, or an indication of funds available to fund our cash needs, including our ability to make cash distributions. In addition, our methodology for calculating Core Earnings may differ from the methodologies employed by other REITs to calculate the same or similar supplemental performance measures, and accordingly, our reported Core Earnings may not be comparable to the core earnings reported by other REITs.

## Table of Contents

We have calculated our Core Earnings for the three and nine months ended September 30, 2014 and from our IPO to September 30, 2013. We did not use Core Earnings and thus have not calculated it for periods prior to our IPO. The table below provides a reconciliation of our U.S. GAAP net income to Core Earnings:

(2) Core Earnings per share is based on 22,747,061 shares and 20,071,600 shares for the three and nine months ended September 30, 2014, and 16,529,881 and 16,377,392 shares for the three and nine months ended September 30, 2013, respectively, which represents the weighted average number of fully-diluted shares outstanding including participating securities, excluding the minority interest in our Operating Partnership as the income attributable to the minority interest is also excluded.

### Managed Assets and Investment Income from Managed Assets

As we both consolidate assets on our balance sheet and securitize investments, certain of our financing receivables and other assets are not reflected on our balance sheet where we may have a residual interest in the performance of the investment. Thus, we also calculate both our investments and our income on our investments on a non-GAAP “managed” basis, which assumes that securitized loans are not sold, with the effect that the income from securitized loans is included in our income in the same manner as the income from loans that we consolidated on our balance sheet. We believe that our managed basis information is useful to investors because it portrays the results of both on- and off-balance sheet loans that we manage, which enables investors to understand and evaluate the credit performance associated with the portfolio of loans reported on our consolidated balance sheet and our retained interests in securitized loans. Our non-GAAP managed basis measures may not be comparable to similarly titled measures used by other companies.

The following is a reconciliation of our U.S. GAAP on-balance sheet Portfolio to our managed assets as of September 30, 2014 and December 31, 2013 and our U.S. GAAP investment revenue to our investment revenue from managed assets for the nine months ended September 30, 2014:

### **Liquidity and Capital Resources**

Liquidity is a measure of our ability to meet potential short-term (within one year) and long-term cash requirements, including ongoing commitments to repay borrowings, fund and maintain our current and future sustainable infrastructure projects, make distributions to our stockholders and other general business needs. We will use significant cash to finance our sustainable infrastructure projects, repay principal and interest on our borrowings, make distributions to our stockholders and fund our operations. Our strategy for managing liquidity and capital resources has not changed significantly since December 31, 2013, other than as set forth below.

We use borrowings as part of our financing strategy to increase potential returns to our stockholders. In May 2014, we increased the size of our senior secured revolving credit facility to \$450 million with maximum total advances of \$900 million. In addition, in December 2013, we issued \$100 million, 2.79% fixed rate asset backed non-recourse notes that mature in 2019. We believe that this financing was one of the first asset-backed securitizations that provided details on the greenhouse gas emissions saved by the technologies that secured the financing. We have also historically financed our business through fixed rate nonrecourse debt where the debt is match-funded with corresponding fixed rate yielding assets. We may issue additional fixed rate asset backed non-recourse notes and match funded non-recourse debt to manage our interest rate risk. There can be no assurance that we will be able to issue such notes at any particular time or on any particular terms. For further information on the revolving credit facility and nonrecourse notes, see “Note 7. Credit Facility” and “Note 8. Nonrecourse Debt” to our financial statements in Item 1 of this Quarterly Report on Form 10-Q.

We also plan to use other fixed and floating rate borrowings in the form of additional bank credit facilities (including term loans and revolving facilities), warehouse facilities, repurchase agreements and public and private equity and debt issuances, as well as securitizations and match funded arrangements, as a means of financing our business. The decision on how we finance specific assets or groups of assets is largely driven by capital allocations and portfolio management considerations, as well as prevailing credit spreads and the terms of available financing and market conditions. Over time, as market conditions change, we may use other forms of leverage in addition to these financings arrangements.

We may raise funds through capital market transactions by issuing capital stock. In April 2013, we completed our IPO and in April 2014, we completed our first follow on public offering, raising net proceeds of approximately \$160 million. and \$70 million, respectively. In August 2014, we filed a registration statement with the SEC registering the possible offering and sale of up to \$500 million of any combination of our common stock, preferred stock, depositary shares and warrants and rights (collectively referred to as the “securities.”) We may offer the securities directly, through agents, or to or through underwriters. Sales of the securities may be made by means of ordinary brokers’ transactions on the NYSE or otherwise at market prices prevailing at the time of sale or at negotiated prices. The specific terms of the securities offering and the names of any underwriters involved in the sale of the securities will be set forth in the applicable prospectus supplement. We had not issued any securities under the registration statement as of September 30, 2014.

Although we are not restricted by any regulatory requirements to maintain our leverage ratio at or below any particular level, the amount of leverage we may deploy for particular assets will depend upon the availability of particular types of financing and our assessment of the credit, liquidity, price volatility and other risks of those assets and the credit quality of our financing counterparties. Our current policy is to maintain a debt to equity ratio of less than 2 to 1 across our overall portfolio and as of September 30, 2014, this debt to equity ratio was approximately 1.4 to 1, excluding our match funded other nonrecourse debt.

We intend to use leverage for the primary purpose of financing our portfolio and business activities and not for the purpose of speculating on changes in interest rates. While we generally intend to hold our target assets that we do not securitize upon acquisition as long-term investments, certain of our investments may be sold in order to manage our interest rate risk and liquidity needs, to meet other operating objectives and to adapt to market conditions. The timing and impact of future sales of financings, if any, cannot be predicted with any certainty. Since we expect that our assets will generally be financed, we expect that a significant portion of the proceeds from sales of our assets (if any), prepayments and scheduled amortization will be used to repay balances under our financing sources.

## **Table of Contents**

We believe these identified sources of liquidity will be adequate for purposes of meeting our short-term and long-term liquidity needs, which include funding future sustainable infrastructure projects, operating costs and distributions to our stockholders. To continue to qualify as a REIT, we must distribute annually at least 90% of our REIT taxable income without regard to the deduction for dividends paid and excluding net capital gains. These distribution requirements limit our ability to retain earnings and thereby replenish or increase capital for growth and our operations.

### **Sources and Uses of Cash**

We had \$60.9 million and \$31.8 million of unrestricted cash and cash equivalents as of September 30, 2014 and December 31, 2013, respectively. As a result of our post IPO strategy and our intention to hold more direct economic interests in our assets in the future, we do not believe that our sources and uses of cash for the historical pre-IPO periods as set forth below are comparable to our sources and uses of cash following our IPO.

#### ***Cash Generated from Operating Activities***

Net cash provided by operating activities was \$23.6 million for the nine months ended September 30, 2014, driven primarily by the sale of financing receivables held-for-sale and investments available-for-sale of \$16.8 million, net income of \$8.3 million, and non-cash charges of \$2.3 million, consisting primarily of equity-based compensation and amortization of deferred financing fees, partially offset by gain on sales of investments. Cash was also used to pay accounts payable and accrued expenses and other of \$3.8 million.

Net cash used in operating activities was \$1.4 million for the nine months ended September 30, 2013, driven primarily by the Net loss of \$5.1 million offset by non-cash stock based compensation expense of \$6.6 million. Approximately \$3.0 million of cash was used to acquire the held for sale financing receivables and to pay accounts payable, accrued expenses and other items including accrued costs incurred in connection with the IPO.

#### ***Cash Flows Relating to Investing Activities***

Net cash used in investing activities was \$81.9 million for the nine months ended September 30, 2014. We added to our Portfolio of investments \$121.1 million in real estate assets, including the AWCC acquisition in May 2014 and subsequent purchases of real estate during the three months ended September 2014. In addition, we invested \$131.5 million in the purchase of financing receivables and investments. These investments in our Portfolio were partially offset by sales of financing receivables and investments and principal collections of \$81.6 million and \$46.5 million, respectively. In addition, we released \$42.6 million of restricted cash that was used to pay our deferred funding obligations during the nine months ended September 30, 2014.

Net cash used in investing activities was \$197.8 million for the nine months ended September 30, 2013. Cash of \$89.7 million and \$87.5 million were used to acquire financing receivables and investments, respectively and \$38.9 million was set-aside in restricted cash to be used to pay for future funding obligations associated with the new investments. These cash outlays were offset by \$18.1 million of principal collections on financing receivables held on our balance sheet.

#### ***Cash Flows Relating to Financing Activities***

Net cash provided by financing activities was \$87.4 million for the nine months ended September 30, 2014. This includes cash of \$158.0 million provided from borrowings under our credit facility and \$70.4 million of net proceeds from the sale of our common stock. These cash receipts were partially offset by payments of our deferred funding obligations of \$57.6 million, payments on our credit facility and nonrecourse debt of \$22.5 million and \$48.2 million, respectively and payments of deferred financing costs of \$2.1 million. For the nine months ended September 30, 2014, we made dividend distributions of \$8.8 million to our shareholders and non-controlling interest holders and we redeemed 131,093 OP units held by our non-controlling interest holders for cash of \$1.8 million.

Net cash provided by financing activities was \$215.3 million for the nine months ended September 30, 2013. The IPO resulted in net proceeds of \$160.1 million. Total borrowings were \$113.1 million with borrowings from the new credit facility of \$84.0 million and non-recourse borrowings of \$29.1 million. Payments of \$37.3 million and \$4.3 million were made on non-recourse debt and on the credit facilities, respectively, and \$6.8 million

was paid on deferred funding obligations. A dividend of \$1.0 million was paid and \$8.4 million was used on deferred transactions costs associated with the new credit facility. The transaction costs will be amortized as a component of interest expense over the 60-month term of the agreement.

### *Credit Facility*

In July 2013, we entered into a \$350 million senior secured revolving credit facility through wholly owned subsidiaries. In May 2014, we increased the size of our senior secured revolving credit facility to \$450 million. The terms of the credit facility are set forth in the Loan Agreement (G&I) (the "G&I Loan Agreement") and the Loan Agreement (PF) and related amendments (the "PF Loan Agreement", and together with the G&I Loan Agreement, the "Loan Agreements") and provide for senior secured revolving credit facilities with total maximum advances of \$900 million (i) in the case of the G&I Loan Agreement, in the principal amount of \$200 million to be used to leverage certain qualifying government and institutional financings entered into by us, with maximum total advances (without giving effect to prepayments or repayments) of \$400 million, and (ii) in the case of the PF Loan Agreement, in the principal amount of \$250 million to be used to leverage certain qualifying project financings entered into by us, with maximum total advances (without giving effect to prepayments or repayments) of \$500 million. The loan agreements are scheduled to expire on July 19, 2018. We have guaranteed the obligations of these subsidiaries under each of the Loan Agreements.

Loans under the G&I Loan Agreement bear interest at a rate equal to the London Interbank Offered Rate ("LIBOR") plus 1.50% or, under certain circumstances, the Federal Funds Rate plus 1.50%. Loans under the PF Loan Agreement bear interest at a rate equal to LIBOR plus 2.50% or, under certain circumstances, the Federal Funds Rate plus 2.50%, or a specifically negotiated rate on certain loans as approved by the administrative agent. Under the PF Loan Agreement, we also have the option to borrow at a fixed rate of interest until the expiration of the credit facility in July 2018. The fixed rate is determined by agreement with the Administrative Agent and is based on the prevailing US SWAP rate of an equivalent term to the average-life of the fixed rate portion of the borrowing plus an agreed upon margin.

Any financing we proposed to be included in the borrowing base as collateral under the Loan Agreements will be subject to the approval of the administrative agent in its sole discretion. The amount eligible to be drawn under the Loan Agreements for purposes of financing such investments will be based on a discount to the value of each investment or an applicable valuation percentage. Under the G&I Loan Agreement, the applicable valuation percentage for non-delinquent investments is 80% in the case of a U.S. Federal Government obligor, 75% in the case of an institutional obligor or a state and local obligor, and with respect to other obligors or in certain circumstances, such other percentage as the administrative agent may prescribe. Under the PF Loan Agreement, the applicable valuation percentage is 67% or such other percentage as the administrative agent may prescribe. The sum of approved financings after taking into account the valuation percentages and any changes in the valuation of the financings in accordance with the Loan Agreement determines the borrowing capacity, subject to the overall facility limits described above.

We had outstanding borrowings under our credit facilities of \$212.8 million and \$77.1 million as of September 30, 2014 and December 31, 2013, respectively. We pledged \$251.9 million and \$114.3 million of financing receivables as collateral for the credit facility as of September 30, 2014 and December 31, 2013, respectively. The weighted average short-term borrowing rate of our credit facilities was 2.4% and 2.6% as of September 30, 2014 and December 31, 2013, respectively. We incurred approximately \$10.7 million of costs associated with the Loan Agreements that have been capitalized (included in other assets on the condensed consolidated balance sheets) and will be amortized on a straight-line basis over the term of the Loan Agreements. On each monthly payment date, we also pay to the administrative agent, for the benefit of the lenders, certain availability fees for each Loan Agreement equal to 0.50%, divided by 360, multiplied by the excess of the available borrowing capacity under each Loan Agreement over the actual amount borrowed under such Loan Agreement.

## Table of Contents

The Loan Agreements require that we maintain the following financial covenants:

Covenant	Covenant Threshold
Minimum Liquidity (defined as available borrowings under the Loan Agreements plus unrestricted cash divided by actual borrowings) of greater than:	5%
12 month rolling Net Interest Margin of greater than:	zero
Maximum Debt to Equity Ratio of less than:	4 to 1

We were in compliance with the financial covenants of the Loan Agreements at each reporting date that such covenants were applicable. For further information on the revolving credit facility, see "Note 7. *Credit Facility*" to our financial statements in Item 1 of this Quarterly Report on Form 10-Q.

### **Nonrecourse Debt**

#### *Asset-Backed Nonrecourse Notes*

In December 2013, through certain of our subsidiaries, we issued in a private placement \$100 million of nonrecourse Asset-Backed Notes (the "Notes") with a fixed interest rate of 2.79%. The Notes mature in December 2019 and are secured by certain of our financing receivables included on our balance sheet. The Noteholders can only look to the cash flows of the pledged financing receivables to satisfy the Notes and we are not liable for nonpayment by the obligor of the financing receivables securing these Notes. As of September 30, 2014 and December 31, 2013, we had \$93.6 million and \$100.1 million, respectively, of Notes outstanding, which were secured by \$105.1 million and \$109.5 million, respectively, of our financing receivables included on our balance sheet. Upon maturity, the Notes are anticipated to have an outstanding debt balance of approximately \$57 million. The Notes may be prepaid prior to December 2018, with a make whole payment calculated using a discount rate equal to the comparable-maturity treasury yield plus 50 basis points. Thereafter the notes are repayable at par. At maturity, we will have the option to rollover the remaining debt with a mutually agreed term and rate or repay the outstanding balance. For further information on the Nonrecourse Debt, see "Note 8. *Nonrecourse Debt*" to our financial statements in Item 1 of this Quarterly Report on Form 10-Q.

### **Other Nonrecourse Debt**

We have other nonrecourse debt that was used to finance certain of our financing receivables for the term of the financing receivable. Amounts due under the other nonrecourse notes are secured by certain of our financing receivables with a carrying value of \$113.9 million and \$156.4 million as of September 30, 2014 and December 31, 2013, respectively, and there is no recourse to our general assets. Debt service payment requirements, in a majority of cases, are equal to or less than the cash flows received from the underlying financing receivables. For further information on the Other Nonrecourse Debt, see "Note 8. *Nonrecourse Debt*" to our financial statements in Item 1 of this Quarterly Report on Form 10-Q.

### **General and Administrative Expenses**

Our general and administrative expenses include salaries, rent, professional fees and other corporate level expenses, as well as the costs associated with operating as a public company. As of September 30, 2014, we employed 28 people. We intend to hire additional business professionals as needed to assist in the execution of our business. We also expect to incur additional professional fees to meet the reporting requirements of the Exchange Act and comply with the Sarbanes-Oxley Act of 2002. The timing and level of these costs and our ability to pay these costs with cash flow from our operations depends on our execution of our business plan, the number of financings we originate or acquire and our ability to attract qualified individuals to fill these new positions.

### **Contractual Obligations and Commitments**

We lease office space at our headquarters in Annapolis, Maryland under an operating lease entered into in July 2011 and which was amended in October 2013 to incorporate expansion space. The lease provides for operating expense reimbursements and annual escalations that are amortized over the respective lease terms on a straight-line basis. Lease payments under the July 2011 lease commenced in March 2012 and incremental payments related to the

expansion space commenced in March 2014. In July 2014, we entered into a 5-year operating lease for office space in a satellite office in San Francisco, California. Lease payments under this lease commenced in August 2014. We also terminated the month-to-month lease of a satellite office in Sonoma, California in July 2014.

The following table provides a summary of our contractual obligations as of September 30, 2014:

Contractual Obligations	Payment due by Period				
	Total	Less than 1 year	1 – 3 Years	3 – 5 Years	More than 5 years
Long-Term Debt Obligations <sup>(1)</sup>	\$211,874	\$ 34,264	\$47,768	\$ 23,706	\$106,136

<b>Total</b>	<b>\$546,088</b>	<b>\$ 91,644</b>	<b>\$78,088</b>	<b>\$251,263</b>	<b>\$125,093</b>

- (1) The Long-Term Debt Obligations are secured by the financing receivables that were financed with no recourse to our general assets. Debt service, in the majority of the cases, is equal to or less than the financing receivables. Interest paid on these obligations was \$7.8 million and \$5.7 million for the nine months ended September 30, 2014 and 2013, respectively. Interest paid on the credit facilities was \$2.3 million and \$0.2 million for the nine months ended September 30, 2014 and 2013, respectively.
- (2) Interest is calculated based on the interest rate in effect at September 30, 2014, and includes all interest expense incurred and expected to be incurred in the future based on the current principal balance through the contractual maturity of the credit facility.

### Off-Balance Sheet Arrangements

We have relationships with non-consolidated entities or financial partnerships, such as entities often referred to as structured investment vehicles, or special purpose or variable interest entities, established to facilitate the sale of securitized assets. Other than our securitization assets of \$6.1 million as of September 30, 2014, that may be at risk in the event of defaults in our securitization trusts, we have not guaranteed any obligations of nonconsolidated entities or entered into any commitment or intent to provide additional funding to any such entities. A more detailed description of our relations with non-consolidated entities can be found in Note 2, *Summary of Significant Accounting Policies – Securitization of Receivables*, included in the notes to the condensed consolidated financial statements included in this report and as described under “MD&A—Critical Accounting Policies and Use of Estimates,” in our 2013 Form 10-K, filed with the SEC.

### Dividends

U.S. federal income tax law generally requires that a REIT distribute annually at least 90% of its REIT taxable income, without regard to the deduction for dividends paid and excluding net capital gains, and that it pay tax at regular corporate rates to the extent that it annually distributes less than 100% of its taxable income. In the event that our board of directors determines to make distributions in excess of the income or cash flow generated from our assets, we may make such distributions from the proceeds of future offerings of equity or debt securities or other forms of debt financing or the sale of assets. To the extent that in respect of any calendar year, cash available for distribution is less than our taxable income, we could be required to sell assets or borrow funds to make cash distributions or make a portion of the required distribution in the form of a taxable stock distribution or distribution of debt securities. We will generally not be required to make distributions with respect to activities conducted through our domestic TRS.

We anticipate that our distributions generally will be taxable as ordinary income to our stockholders, although a portion of the distributions may be designated by us as qualified dividend income or capital gain or may constitute a return of capital. In addition, a portion of such distributions may be taxable stock dividends payable in our shares. We will furnish annually to each of our stockholders a statement setting forth distributions paid during the preceding year and their characterization as ordinary income, return of capital, qualified dividend income or capital gain.

## Table of Contents

Our board of directors declared the following dividends in 2013 and 2014:

### **Book Value Considerations**

As of September 30, 2014, we carried only our investments available-for-sale and retained assets in securitized receivables at fair value on our balance sheet. As a result, in reviewing our book value, there are a number of important factors and limitations to consider. Other than the \$43.4 million in investments available-for-sale and the \$5.0 million in residual assets relating to our retained interests in securitized receivables that are on our balance sheet at fair value as of September 30, 2014, the carrying value of our remaining assets and liabilities are calculated as of a particular point in time, which is largely determined at the time such assets and liabilities were added to our balance sheet using a cost basis in accordance with U.S. GAAP. As such, our remaining assets and liabilities do not incorporate other factors that may have a significant impact on their value, most notably any impact of business activities, changes in estimates or changes in general economic conditions or interest rates since the dates the assets or liabilities were initially recorded. Accordingly, our book value does not necessarily represent an estimate of our net realizable value, liquidation value or our market value as a whole.

### **Item 3. Quantitative and Qualitative Disclosures About Market Risk**

#### **Quantitative and Qualitative Disclosures About Market Risk**

We anticipate that our primary market risks will be related to commodity prices, the credit quality of our counterparties and project companies, market interest rates and the liquidity of our assets. We will seek to manage these risks while, at the same time, seeking to provide an opportunity to stockholders to realize attractive returns through ownership of our common stock.

#### **Credit Risks**

While we do not anticipate facing significant credit risk in our financings related to U.S. federal government energy efficiency projects, we are subject to varying degrees of credit risk in these projects in relation to guarantees provided by ESCOs where payments under energy savings performance contracts are contingent upon energy savings. We are also exposed to credit risk in projects we finance and projects we have under long-term lease arrangements that do not depend on funding from the U.S. federal government. We expect to increasingly target such projects as part of our strategy. In the case of various other sustainable infrastructure projects, we are exposed to the credit risk of the obligor of the project's power purchase agreement or other long-term contractual revenue commitments as well as to the performance of the project. We may also encounter enhanced credit risk as we execute our strategy to increasingly include mezzanine debt or equity investments. We seek to manage credit risk using thorough due diligence and underwriting processes, strong structural protections in our loan agreements with customers and continual, active asset management and portfolio monitoring.

#### **Interest Rate and Borrowing Risks**

Interest rate risk is highly sensitive to many factors, including governmental monetary and tax policies, domestic and international economic and political considerations and other factors beyond our control.

We are subject to interest rate risk in connection with new asset originations and our credit facility, and in the future, will be subject to interest rate risk for any new floating or inverse floating rate assets and credit facilities. Because short-term borrowings are generally short-term commitments of capital, lenders may respond to market conditions, making it more difficult for us to secure continued financing. If we are not able to renew our then existing facilities or arrange for new financing on terms acceptable to us, or if we default on our covenants or are otherwise unable to access funds under any of these facilities, we may have to curtail our financing of sustainable infrastructure projects and/or dispose of assets. We face particular risk in this regard given that we expect many of

---

## **Table of Contents**

our borrowings will have a shorter duration than the assets they finance. Increasing interest rates may reduce the demand for our investments while declining interest rates may increase the demand. Both our current and future credit facilities may be of limited duration and are periodically refinanced at then current market rates. We expect to attempt to reduce interest rate risks and to minimize exposure to interest rate fluctuations through the use of match funded financing structures, when appropriate, whereby we may seek (1) to match the maturities of our debt obligations with the maturities of our assets and (2) to match the interest rates on our assets with like-kind debt (i.e., we may finance floating rate assets with floating rate debt and fixed-rate assets with fixed-rate debt), directly or through the use of interest rate swap agreements, interest rate cap agreements or other financial instruments, or through a combination of these strategies. We expect these instruments will allow us to minimize, but not eliminate, the risk that we have to refinance our liabilities before the maturities of our assets and to reduce the impact of changing interest rates on our earnings. In addition to the use of traditional derivative instruments, we also seek to mitigate interest rate risk by using securitizations, syndications and other techniques to construct a portfolio with a staggered maturity profile, which allows us to maintain a minimum threshold of recurring principal repayments and capital to redeploy into changing rate environments. We monitor the impact of interest rate changes on the market for new originations and often have the flexibility to increase the term of the project to offset interest rate increases.

All of our nonrecourse debt is at fixed rates and changes in market rates on our fixed debt impact the fair value of the debt but have no impact on our consolidated financial statements. If interest rates rise, and our fixed debt balance remains constant, we expect the fair value of our debt to decrease. As of September 30, 2014 and December 31, 2013, the estimated fair value of our fixed rate nonrecourse debt was \$225.2 million and \$266.9 million, respectively, which is based on having the same debt service requirements that could have been borrowed at the date presented, at prevailing current market interest rates.

Our credit facility is a variable rate loan. Significant increases in interest rates would result in higher interest expense while decreases in interest rates would result in lower interest rate expense. As described above, we may use various financing techniques including interest rate swap agreements, interest rate cap agreements or other financial instruments, or a combination of these strategies to mitigate the variable interest nature of this facility.

We record the residual asset portion of our securitization assets at fair value, which was \$5.0 million as of September 30, 2014 and \$4.9 million as of December 31, 2013. Any changes in the discount rate would impact the value of these assets in our financial statements and a 10% change in our discount rate assumption would result in a \$0.3 million change in the value of these assets recorded in our financial statements as of September 30, 2014.

### ***Liquidity and Concentration Risk***

The assets that comprise our asset portfolio are not and will not be publicly traded. A portion of these assets may be subject to legal and other restrictions on resale or will otherwise be less liquid than publicly-traded securities. The illiquidity of our assets may make it difficult for us to sell such assets if the need or desire arises, including in response to changes in economic and other conditions. As of September 30, 2014, a significant portion of our assets financings were held in securitization trusts where we retained only residual economic stakes or were held on our balance sheet and secured by nonrecourse debt. Part of our strategy in undertaking our IPO was to selectively retain a larger portion of the economics in the financings we originate. As a consequence, we are subject to concentration risk and could incur significant losses if any of these projects perform poorly or if we are required to write down the value of any these projects. See also “—Credit Risks” above.

### ***Commodity Price Risk***

Investments in sustainable infrastructure projects that act as a substitute for an underlying commodity will expose us to volatility in prices of that commodity. As we typically target projects with long-term contracted revenues, often with price escalators based on inflation or other factors, commodity price risk has potentially more of an impact on new originations than on existing projects. However, we may also encounter commodity price risk for any portion of our existing projects that do not have long-term contracted revenues. We monitor the market demand for various types of projects based upon a variety of factors including the outlook for the price of the underlying commodity. We also focus on a blend of technologies and projects to limit our exposure to price adjustments of any one commodity. For example, we believe the current low prices in natural gas will increase demand for some types of our projects, such as combined heat and power, but may reduce the demand for other projects like clean energy which may be a substitute for natural gas. In addition, certain of our projects reduce the

use of the commodity so the impact of a reduction in cost of the underlying commodity can often be offset by increasing the term of the financing. Volatility in energy prices may cause building owners and other parties to be reluctant to commit to projects for which repayment is based upon a fixed monetary value for energy savings that would not decline if the price of energy declines so we often blend technologies together that may result in savings of several different commodities.

### **Risk Management**

Our ongoing active asset management and portfolio monitoring processes provide investment oversight and valuable insight into our origination, underwriting and structuring processes. These processes create value through active monitoring of the state of our markets, enforcement of existing contracts and real-time receivables management. Subject to maintaining our qualification as a REIT, and as described above, we engage in a variety of interest rate management techniques that seek to mitigate the economic effect of interest rate changes on the values of, and returns on, some of our assets. While there have been only two incidents of credit loss, amounting to approximately \$18.0 million (net of recoveries) on the more than \$5.0 billion of transactions we originated since 2000, which represents an aggregate loss of approximately 0.4% on cumulative transactions originated over this time period, there can be no assurance that we will continue to be as successful, particularly as we invest in more credit sensitive assets or more equity positions and engage in increasing numbers of transactions with obligors other than U.S. federal government agencies.

We seek to manage credit risk using thorough due diligence and underwriting processes, strong structural protections in our loan agreements with customers and continual, active asset management and portfolio monitoring.

### **Item 4. Controls and Procedures**

The Company's Chief Executive Officer and Chief Financial Officer, based on their evaluation of the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities and Exchange Act of 1934, as amended) required by paragraph (b) of Rule 13a-15 or Rule 15d-15, have concluded that as of September 30, 2014, the Company's disclosure controls and procedures were effective to give reasonable assurances to the timely collection, evaluation and disclosure of information relating to the Company that would potentially be subject to disclosure under the Exchange Act and the rules and regulations promulgated thereunder.

Notwithstanding the foregoing, a control system, no matter how well designed and operated, can provide only reasonable, not absolute assurance that it will detect or uncover failures within the Company to disclose material information otherwise required to be set forth in our periodic reports.

**PAR T II. OTHER INFORMATION**

**Item 1. Legal Proceedings**

The nature of our operations exposes us to the risk of claims and litigation in the normal course of our business. Other than non-material litigation arising out of the ordinary course of business, we are not presently subject to any litigation nor, to our knowledge, is any litigation threatened against us.

**Item 1A. Risk Factors**

For a discussion of our potential risks and uncertainties, see the information in Item 1A. "Risk Factors" of our 2013 Form 10-K, filed with the SEC, which is accessible on the SEC's website at [www.sec.gov](http://www.sec.gov).

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds**

*Purchases of Equity Securities*

The net proceeds of our public offerings were contributed to the Operating Partnership in exchange for OP units and the Company owned 98.6% of the Operating Partnership as of September 30, 2014. The remaining non-controlling interest in Operating Partnership are represented by OP units that were owned by other limited partners and were included in non-controlling interest on our condensed consolidated balance sheets.

In January 2014, we agreed to not exercise our right under the Operating Partnership agreement to deliver shares of our common stock in lieu of cash upon a request for redemption of OP units held by our limited partners and instead agreed to redeem such OP units for cash until such time that we have an effective registration statement covering the resale of shares of our common stock issuable upon exchange of OP units held by such limited partners. As a result of this obligation to redeem shares in cash, we reported the non-controlling interest covered by this agreement as outside of equity. In August 2014, the required registration statement became effective and thus, we have the ability to exercise our right to deliver shares in the event of an OP unit redemption request.

For the three and nine months ended September 30, 2014, we redeemed 11,110 and 131,093 OP units held by our non-controlling interest holders for cash of \$0.2 million and \$1.8 million, respectively. Our non-controlling interest holders held 331,282 OP units as of September 30, 2014.

During the nine months ended September 30, 2014, certain of our employees surrendered common stock owned by them to satisfy their statutory minimum federal and state tax obligations associated with the vesting of restricted stock awards issued in connection with our IPO.

The table below summarizes all of our redemption of OP units and repurchases of common stock during 2014:

<u>Period</u>	<u>Security type</u>	<u>Total number of shares purchased</u>	<u>Average price paid per share</u>	<u>Total number of shares purchased as part of publicly announced plans or programs</u>	<u>Maximum number of shares that may yet be purchased under the plans or programs</u>

If at any time any change in GAAP (including the adoption of IFRS) would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either Borrowers or Required Lenders shall so request, Administrative Agent, Lenders and Borrowers shall negotiate in good faith to amend such ratio or requirement to

*Amended & Restated Loan Agreement (PF)*

preserve the original intent thereof in light of such change in GAAP (subject to the approval of Required Lenders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) Borrowers shall provide to Administrative Agent and Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. Without limiting the foregoing, leases shall continue to be classified and accounted for on a basis consistent with that reflected in the audited financial statements of the Obligor for all purposes of this Agreement, notwithstanding any change in GAAP relating thereto, unless the parties hereto shall enter into a mutually acceptable amendment addressing such changes, as provided for above.

1.2.3. All references herein to consolidated financial statements of the Obligor or to the determination of any amount for the Obligor on a consolidated basis or any similar reference shall, in each case, be deemed to include each variable interest entity that HA INC is required to consolidate pursuant to FASB ASC 810 as if such variable interest entity were a Subsidiary as defined herein.

**1.3. Certain Matters of Construction.** With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

1.3.1. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document (including any Organizational Document) shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein or in any other Loan Document), (ii) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (iii) the words “hereto,” “herein,” “hereof” and “hereunder,” and words of similar import when used in any Loan Document, shall be construed to refer to such Loan Document in its entirety and not to any particular provision thereof, (iv) all references in a Loan Document to Sections, Exhibits, Appendixes and Schedules shall be construed to refer to Sections of, and Exhibits, Appendixes and Schedules to, the Loan Document in which such references appear, (v) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such law and any reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (vi) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

1.3.2. In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including,” the words “to” and “until” each mean “to but excluding,” and the word “through” means “to and including.”

*Amended & Restated Loan Agreement (PF)*

1.3.3. Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

1.3.4. All references to Nominal Value, Borrowing Base components, Loans, Underlying Financings, Obligations and other amounts herein shall be denominated in Dollars, unless expressly provided otherwise, and all determinations (including calculations of BB Adjusted Value, Nominal Value, Borrowing Base (and all components thereof) and financial covenants) made from time to time under the Loan Documents, shall be made in light of the circumstances existing at such time. Borrowing Base calculations shall be consistent with historical methods of valuation and calculation, and otherwise satisfactory to Administrative Agent (and not necessarily calculated in accordance with GAAP).

1.3.5. Unless otherwise specified herein or in such other Loan Document or unless the context requires otherwise, each reference to any Notice of Approval, Underlying Financing Specification, Underlying Financing, Underlying Financing Document, Underlying Borrower, Underlying Project, Underlying Financing Project Documents, Underlying Obligor, Intercompany Loan or Intercompany Documents shall refer to such Notice of Approval, Underlying Financing Specification, Underlying Financing, Underlying Financing Document, Underlying Borrower, Underlying Project, Underlying Financing Project Documents, Underlying Obligor, Intercompany Loan or Intercompany Documents with respect to the applicable Approved Financing or Nominated Financing. When an Underlying Financing is released pursuant to Section 9.13(e) or 9.1.5, such Underlying Financing shall cease to be an Approved Financing for purposes of this Agreement.

1.3.6. Unless otherwise specified herein or in such other Loan Document or the context requires otherwise, each reference to any Approved Financing shall refer, collectively, to the Intercompany Loan and the Underlying Financing securing such Intercompany Loan and all related Intercompany Loan Documents and Underlying Financing Documents related thereto.

**1.4. Currency Equivalents.** Borrowers shall deliver financial statements and calculate financial covenants in Dollars. In the event that any Borrowers propose that any Underlying Financing or Approved Financing be denominated in a currency other than Dollars, the parties hereto shall enter into good faith negotiations to amend this Agreement to provide for the Dollar equivalent of any such amounts as determined by Administrative Agent on a daily or other basis to be agreed, based on a conversion rate to be agreed between Borrowers and Lenders.

## SECTION 2. CREDIT FACILITIES

### 2.1. Loans.

2.1.1. Subject to the terms and conditions hereof, including without limitation, Section 4.3, each Lender agrees to make, on or after the applicable Loan Availability Date pursuant to Section 4.1, one or more loans (each such loan, a "Loan" and collectively, the "Loans") to Borrowers up to an aggregate amount equal to the Commitments; provided that after

*Amended & Restated Loan Agreement (PF)*

giving effect to any Loan, (a) the aggregate Outstanding Amount of the Loans attributable to a Lender plus any Unfunded Financing Commitment Amount attributable to a Lender shall not exceed the lesser of (i) such Lender's Commitment at such time and (ii) such Lender's Applicable Percentage of the Borrowing Base at such time and (b) the Aggregate Usage shall not exceed the Borrowing Base at such time. In no event shall Lenders have any obligation to honor a request for a Loan if either (I) the Aggregate Usage at such time *plus* the requested Loan (including any Unfunded Financing Commitment Amount resulting from such Loan) would exceed the Borrowing Base or (II) the Borrowers have failed to comply with the Interest Service Coverage Ratio for the applicable Interest Coverage Calculation Period.

2.1.2. Within the limits of each Lender's Commitment, and subject to the other terms and conditions hereof, Borrowers may borrow under Section 4.1, prepay under Section 5.2.2, and re-borrow under Section 4.1. Subject to Sections 5.2.1 and 5.2.2, all amounts owed hereunder with respect to the outstanding principal amount of each Loan shall be paid in full no later than the Revolver Termination Date.

**2.2. Notes.** Loans and interest accruing thereon shall be evidenced by the accounts or records of Administrative Agent and the applicable Lender. As a condition precedent to the initial Advance under this Agreement and at any time thereafter if so requested by Administrative Agent (following a request therefore from a Lender) by written notice to Borrower Agent (with a copy to such Lender), Borrowers shall execute and deliver to the requesting Lender (with a copy to Administrative Agent) at least (2) Business Days prior to the applicable Credit Date for such Advance (or, if such notice is delivered after such Credit Date, promptly after receipt of such notice) a Borrower Note, which shall evidence the applicable Loan in the amount equal to the Maximum Loan Amount and shall be in addition to the accounts and records.

**2.3. Use of Proceeds.** The proceeds of each Advance shall be applied by Borrowers (a) to fund a portion of the Intercompany Loans made for the acquisition of Approved Financings, (b) to reimburse an Affiliate of Borrowers that funded the Origination Company in connection with its acquisition of an Underlying Financing, (c) to pay costs and expenses of Borrowers, in each case, in accordance with the terms in this Agreement and the other Loan Documents, and (d) to pay fees and transaction expenses associated with each Advance. No portion of the proceeds of any Advance shall be used (x) to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of any Advance, is the subject of Sanctions or in any manner that will result in a violation by any Person of Sanctions or (y) in any manner that causes or might cause such Advance or the application of such proceeds to violate Regulation T, Regulation U or Regulation X or any other applicable regulation thereof or to violate the Exchange Act.

**2.4. Fixed Rate Loans.** The Borrowers may request one or more Fixed Rate Loans (by way of Advance or Conversion) provided that (i)(x) with respect to any Advance, the Borrower has identified such Loan as a Fixed Rate Loan in the applicable Underlying Financing Specification executed in connection with a Fixed Rate Loan each of the Approved Financings to be funded with the proceeds of such Fixed Rate Loan and (y) with respect to any Conversion, the Borrower has identified such Loan as a Fixed Rate Loan in an amendment to the applicable Underlying Financing Specification previously executed in connection with each Loan to be

*Amended & Restated Loan Agreement (PF)*

converted and each of the Approved Financings to be funded with the proceeds of such Fixed Rate Loan (such financings described in clauses (x) and (y), the “Fixed Rate Approved Financings”); and (ii) with respect to each Fixed Rate Loan and each corresponding Fixed Rate Approved Financing the Blended Rate shall not exceed eighty percent (80%). With respect to a Fixed Rate Approved Financing, in the event that the Blended Rate for such financing exceeds 80%, the Borrowers shall promptly cause the Applicable Valuation Percentage on the Floating Rate Portion of such financing to be reduced such that, after such reduction, the Blended Rate is equal to or less than 80%; provided that in the event that a reduction in the Applicable Valuation Percentage does not or will not result in the Blended Rate being at or below 80%, the Borrowers shall, no later than five (5) Business Days from the date on which the Blended Rate exceeded 80%, prepay the outstanding principal amount of the Fixed Rate Loan Portion of the Fixed Rate Approved Financing in an amount equal to the amount necessary to reduce the Blended Rate to 80% or less (any such prepayment of a Fixed Rate Loan shall be applied to such Fixed Rate Loan on a pro rata basis). The Borrowers shall submit a new Borrowing Base Certificate at the time that such Applicable Valuation Percentage is so reduced. The Borrowers shall pay the outstanding principal amount of each Fixed Rate Loan on each date set forth on the amortization schedule attached to the Underlying Financing Specification for such Fixed Rate Loan in the aggregate principal amount set forth opposite each such date. Notwithstanding any provision to the contrary herein, in no event shall a Fixed Rate Loan be converted to a Base Rate Loan, Eurodollar Rate Loan or an Alternative Margin Loan.

**2.5. Increase in Commitments.** Borrower Agent may request an increase in Commitments from time to time upon notice to Administrative Agent, as long as the requested increase is in a minimum amount of \$50,000,000 and is offered on the same terms as existing Commitments; provided that Administrative Agent may impose additional fees in connection with any increased Commitment. Administrative Agent may accept or reject any Borrower Agent request for an increase in Commitments in its sole and absolute discretion. If Administrative Agent is willing to increase the Commitments, Administrative Agent shall promptly notify Lenders of the requested increase and, within twenty (20) Business Days thereafter, each Lender shall notify Administrative Agent if and to what extent such Lender commits to increase its Commitment. Any Lender not responding within such period shall be deemed to have declined an increase. Administrative Agent may allocate, in its discretion, the increased Commitments among committing Lenders. Provided the conditions set forth in Section 6.2 or 6.3, as applicable, are satisfied, total Commitments shall be increased by the requested amount (or such lesser amount committed by Lenders) on a date agreed upon by Administrative Agent and Borrower Agent, but no later than forty-five (45) days following Borrowers’ increase request. Administrative Agent, Borrowers, and new and existing Lenders shall execute and deliver such documents and agreements as Administrative Agent deems appropriate to evidence the increase in and allocations of Commitments. Borrowers shall pay all agreed-upon fees and transaction expenses associated with each increase in Commitments pursuant to this Section 2.5. On the effective date of an increase, all outstanding Loans and other exposures under the Commitments shall be reallocated among Lenders, and settled by Administrative Agent if necessary, in accordance with Lenders’ adjusted shares of such Commitments.

**2.6. Termination or Reduction of Commitments.** On the earlier of (a) the Revolver Termination Date, (b) the date on which the aggregate principal amount of all Advances made

*Amended & Restated Loan Agreement (PF)*

under the Loan Facility (without regard to any prepayment or repayments hereunder) is equal to or greater than \$500,000,000 (the "Maximum Advance Limitation"), and (c) the occurrence of any event set forth in Sections 12.2.1(a) or (b) (the date of any such event, the "Commitment Termination Date") the Commitments shall be automatically and permanently reduced to zero (or with respect to clause (b) above reduced as set forth in the definition of Commitments) and no further Loans shall be made hereunder.

### SECTION 3. INTEREST, FEES AND CHARGES

#### 3.1. Interest.

##### 3.1.1. Rates and Payment of Interest

(a) Except as otherwise set forth herein, (i) each Eurodollar Rate Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof payable in arrears on each Payment Date at a rate of interest equal to the Eurodollar Rate for the applicable Interest Period plus the Margin, (ii) each Fixed Rate Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof payable in arrears on each Payment Date at a rate of interest equal to the Weighted Average Life Swaps as determined by the Administrative Agent as of the date each Fixed Rate Loan is advanced by the Lenders and as set forth in the related Underlying Financing Specifications (the "Fixed Rate") plus the Margin and (iii) each Base Rate Loan made pursuant to Sections 3.5 or 3.6 shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof at a rate of interest equal to the Base Rate in effect from time to time plus the Margin (in each case, the "Applicable Interest Rate"). In computing interest on any Loan, the date of the making of such Loan and the last Payment Date with respect to such Loan shall be included, and the date of payment of such Loan shall be excluded.

(b) During an Insolvency Proceeding with respect to any Borrower, or during any other Event of Default if Administrative Agent or Required Lenders in their discretion so elect, Obligations, including any interest payments on the Loans and any fees or other amounts outstanding hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate in lieu of the interest rate otherwise payable hereunder with respect to the applicable Loans, equal to the Eurodollar Rate for the applicable Interest Period plus a margin of 5.00% per annum (the "Default Rate"), payable on demand to Administrative Agent on behalf of Lender. Each Borrower acknowledges that the cost and expense to Administrative Agent and Lenders due to an Event of Default are difficult to ascertain and that the Default Rate is fair and reasonable compensation for this. For the avoidance of doubt, during the continuance of both an Insolvency Proceeding and an Event of Default referred to in the preceding sentence, the maximum additional interest under this clause (b) shall be limited to 5.00% per annum in excess of the Applicable Interest Rate (without giving effect to the "Margin" portion of such definition and calculation) otherwise payable hereunder with respect to the applicable Loans.

(c) Interest shall accrue from the date an Advance is made or Obligation is incurred or payable, until paid in full by Borrowers. If a Loan is repaid on the

*Amended & Restated Loan Agreement (PF)*

same day made, one day's interest shall accrue. Interest accrued on the Loans shall be due and payable by Borrowers in arrears, (i) on the tenth day of each calendar month during the term hereof (each a "Payment Date"); (ii) on any date of prepayment, with respect to the principal amount of Loans being prepaid; and (iii) on the Revolver Termination Date. All computations of interest for Base Rate Loans and Fixed Rate Loans shall be made on the basis of a year of 360 days, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Notwithstanding the foregoing, interest accrued at the Default Rate shall be due and payable on demand.

3.1.2. With respect to any Eurodollar Rate Loan, the Borrower may request that the Interest Period with respect to such Loan be subject to a Daily/Monthly Interest Change by delivery of a Notice of Daily/Monthly Interest Change. The Notice of Daily/Monthly Interest Change with respect to any such requested Daily/Monthly Interest Change shall be delivered to the Administrative Agent no later than three (3) Business Days' prior to the requested date of such Daily/Monthly Interest Change. If the date of any such Daily/Monthly Interest Change occurs on a date other than a Payment Date, Borrowers agree that any such Daily/Monthly Interest Change shall be conditioned upon Administrative Agent receipt of, and the Borrowers hereby agree to pay, all breakage costs incurred by each Lender as a result of such Daily/Monthly Interest Change, as determined by each Lender in its sole discretion.

### **3.2. Fees.**

3.2.1. Unused Line Fee. Borrowers shall pay to Administrative Agent, for the *pro rata* benefit of Lenders, a fee equal to the product of (x) the Unused Line Fee Rate divided by 360, multiplied by (y) the actual daily amount by which the Borrowing Base then in effect as of each such date pursuant to the terms of this Agreement exceeds the Outstanding Amount as of such date. Such fee shall accrue at all times during the term hereof, and shall be due and payable in arrears on each Payment Date and on the, last day of the term of this Agreement.

3.2.2. Administrative Fee. Borrowers shall pay to Administrative Agent, for its own account, an administrative management fee in the amount of \$33,500 per annum, payable in advance on the Loan Document Effective Date, and a like payment of \$33,500 due and payable on each annual anniversary of the Loan Document Effective Date during the term of this Agreement.

3.2.3. Commitment Documents. All fees set forth in the Engagement Letter, the Agent Commitment Document and the Placement Fee Letter shall be paid as and when due and as set forth in such Engagement Letter, Agent Commitment Document or the Placement Fee Letter, including, without limitation, the Structuring Fee (as defined in the Engagement Letter) and the Placement Fee (as defined in the Placement Fee Letter).

**3.3. Computation of Interest, Fees**. Each determination by Administrative Agent of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate, refund or proration. All fees payable under Section 3.1.2 are compensation for services and are

*Amended & Restated Loan Agreement (PF)*

not, and shall not be deemed to be, interest or any other charge for the use, forbearance or detention of money. A certificate as to amounts payable by Borrowers under Sections 3.4 (other than Extraordinary Expenses), 3.6, 3.7, 3.9 or 5.7, submitted to Borrower Agent by Administrative Agent or the affected Lender, shall be final, conclusive and binding for all purposes, absent manifest error, and Borrowers shall pay such amounts to the appropriate party within ten (10) days following receipt of the certificate.

### **3.4. Reimbursement Obligations.**

3.4.1. Extraordinary Expenses. Borrowers shall pay all Extraordinary Expenses. All amounts payable by Borrowers under this Section 3.4.1 shall be due and payable on demand.

3.4.2. Periodic Expenses. Borrowers shall reimburse Administrative Agent and each Lender for all reasonable and documented out-of-pocket, third-party, legal, accounting, appraisal, consulting, and other reasonable and documented, out-of-pocket, third-party fees, costs and expenses incurred by it in connection with (a) negotiation and preparation of any Loan Documents, including any amendment or other modification thereof; (b) administration of and actions relating to any Collateral, any Loan Document, any Advance (and the funding thereof), any Additional Collateral Event and any transactions contemplated thereby, including any actions taken to perfect or maintain priority of Administrative Agent's Liens on any Collateral, to maintain any insurance required under the Insurance Requirements or to verify Collateral, whether prepared by Administrative Agent's personnel or a third party; (c) subject to the limits of Section 11.1.3, each inspection, audit or appraisal with respect to any Obligor or Collateral; whether prepared by Administrative Agent's personnel or a third party (d) subject to Sections 3.4.3 and 7.1.3, the due diligence and approval of any Nominated Financing including any Nominated Financing that is declined by Administrative Agent for financing under this Agreement; and (e) administration of and actions relating to any Intercompany Document or Underlying Financing Document or any of the transactions contemplated thereby, including any actions taken to perfect or maintain priority of the applicable Borrower's Liens on any collateral securing any Intercompany Loan, to maintain any insurance required under any Intercompany Documents, or to verify any collateral securing any Intercompany Loan. All amounts payable by Borrowers under this Section 3.4.2 shall be due and payable as provided in Section 3.3.

3.4.3. Specified Expenses. Any fees, costs and expenses payable by Borrowers under Section 3.4.2 which are Specified Expenses shall be subject to a maximum fee expense payable by Borrowers in an amount to be agreed by Administrative Agent and Borrowers. All amounts payable by Borrowers under this Section 3.4.3 shall be due and payable as provided in Section 3.3.

**3.5. Illegality.** If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Borrowers through Administrative Agent, any obligation of such

*Amended & Restated Loan Agreement (PF)*

Lender to make or continue Eurodollar Rate Loans shall be suspended, until such Lender notifies Administrative Agent and Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) Borrowers shall, at its option, either prepay all Eurodollar Rate Loans or convert, pursuant to written notice by Borrowers the Administrative Agent, all Eurodollar Rate Loans of such Lender to Base Rate Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate, Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**3.6. Inability to Determine Rates.** If in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof, (a) Administrative Agent determines that (i) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, or (ii) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (b) Required Lenders determine that for any reason the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the actual cost to such Lenders of funding such Loan, Administrative Agent will promptly so notify Borrowers and each Lender, together with information in reasonable detail to support such determination. Thereafter, (x) the obligation of Lenders to make or maintain Eurodollar Rate Loans shall be suspended (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until Administrative Agent (upon the instruction of Required Lenders) revokes such notice. Upon receipt of such notice, Borrowers may revoke in writing any pending request for an Advance of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for an Advance of Base Rate Loans in the amount specified therein.

**3.7. Increased Costs; Reserves on Eurodollar Rate Loans.**

3.7.1. Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.7.5;

*Amended & Restated Loan Agreement (PF)*

(b) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, and (B) Taxes described in clauses (a) through (d) of the definition of Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

3.7.2. Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

3.7.3. [Reserved]

3.7.4. Delay in Requests. Failure or delay on the part of any Lender or to demand compensation pursuant to the foregoing provisions of this Section 3.7 shall not constitute a waiver of such Lender's right to demand such compensation, provided that Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.7.4 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

3.7.5. Reserves on Eurodollar Rate Loans. Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as

*Amended & Restated Loan Agreement (PF)*

determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided Borrowers shall have received at least ten (10) days' prior notice (with a copy to Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

**3.8. Breakage.** If the Borrower prepays the principal amount any Fixed Rate Loan (other than regularly scheduled principal payments as and when required), then such prepayment shall be accompanied by, and the Borrowers hereby agree to pay, all breakage costs incurred by the Lenders as a result of such prepayment.

**3.9. Funding Losses.**

3.9.1. Losses. Upon demand of any Lender (with a copy to Administrative Agent) from time to time, each Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by such Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by such Borrower;

(c) any assignment of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by such Borrower pursuant to Section 14.4; or

(d) any failure of a Borrower to borrow a Fixed Rate Loan on the date or in the amount set forth in the Notice of Borrowing delivered to the Administrative Agent in respect of a Fixed Rate Loan, any prepayment of a Fixed Rate Loan on a date other than a scheduled amortization date or Payment Date or, if made on a scheduled amortization date or Payment Date, in an amount greater than the scheduled principal and interest due on the corresponding amortization or Payment Date;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding any loss of anticipated profit). Such Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

3.9.2. Loss Calculation. For purposes of calculating amounts payable by such Borrower to Lenders under this Section 3.9, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Applicable Interest Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

*Amended & Restated Loan Agreement (PF)*

**3.10. Maximum Interest.** Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (as used in this [Section 3.10](#), "Maximum Rate"). If Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Obligations or, if it exceeds such unpaid principal, refunded to Borrowers. In determining whether the interest contracted for, charged or received by Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest; (b) exclude Voluntary Prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

## SECTION 4. LOAN ADMINISTRATION

### 4.1. Notice of Borrowing.

4.1.1. For each request for an Advance or Conversion, Borrower Agent shall deliver to Administrative Agent a fully executed Notice of Borrowing at least five (5) Business Days prior to the requested Credit Date; provided, that with respect to a request for a Fixed Rate Loan Borrower Agent shall deliver to the Administrative Agent a fully executed Notice of Borrowing at least two (2) Business Days prior to the requested Credit Date. Each Notice of Borrowing shall be irrevocable and shall specify and include (A) the amount of the Advance, which amount when aggregated with all other Advances in respect of the Approved Financing shall not exceed the BB Nominal Value for the Approved Financing in respect of which such Advance is being made (B) the requested Credit Date for such Advance, (C) a certification that all conditions precedent to an Advance have been (or as of the requested Credit Date will be) satisfied, (D) a Borrowing Base Certificate (which certificate must be dated no later than five (5) Business Days prior to the actual Credit Date for such Advance), (E) with respect to any Approved Subsequent Credit Date, the aggregate principal amount previously Advanced in respect of such Approved Financing, (F) the portion of the Advance, if any, that consists of a Fixed Rate Loan, (G) in connection with any Conversion, each existing Loan and the amount of any such Loan to be converted to an Alternative Margin Loan or a Fixed Rate Loan (together with all information set forth in [Exhibit B-2](#)), (H) the portion of the Advance, if any, that will be used by the Applicable Borrower Subsidiary to fund a draw request under a Delayed Draw Financing and (I) with respect to each Delayed Draw Financing, a true and complete copy of the request for borrowing delivered by the Underlying Borrower requesting that an advance be made under each such Delayed Draw Financing and its corresponding Underlying Financing Agreement. The Borrowers shall deliver a new Borrowing Base Certificate (replacing the certificate delivered with the Notice of Borrowing) to Administrative Agent if the requested Advance is not made by Lenders within five (5) Business Days after the date on which the Borrowing Base Certificate referred to in [clause \(D\)](#) above (or any replacement thereof) was delivered. Promptly upon receipt by Administrative Agent of such Notice of Borrowing, Administrative Agent shall notify Lenders of the requested borrowing and each Lender's Applicable Percentage thereof.

*Amended & Restated Loan Agreement (PF)*

4.1.2. Each Lender shall make its Applicable Percentage of each Advance available to Administrative Agent not later than 12:00 p.m. (New York City time) on the applicable Credit Date, by wire transfer of same day funds in Dollars, at the Principal Office designated by Administrative Agent. Subject to the satisfaction or waiver of the applicable conditions precedent specified in this Agreement, including without limitation, the conditions set forth in Section 2.1 and Section 4.3 and if applicable, the delivery of a new Borrowing Base Certificate pursuant to Section 4.1.1, Administrative Agent shall make the proceeds of each Loan available to Borrowers on the Credit Date requested by the Borrowers in the Notice of Borrowing, by causing an amount of same day funds in Dollars equal to the proceeds of such Loans received by Administrative Agent from Lenders to be credited to the Loan Proceeds Account (as defined in Depository Agreement) at the Principal Office designated by Administrative Agent or to such other account as may be designated in writing to Administrative Agent by Borrower Agent.

4.1.3. Any disbursements of the Loan Facility must occur within the period beginning on the Loan Document Effective Date and ending on the Revolver Termination Date. The initial Advance or in respect of an Approved Additional Collateral Event, the inclusion of the Approved Financing in the Borrowing Base must occur during the Loan Availability Period for such Approved Financing. Borrower Agent may only request either (a) one (1) Advance or (b) one (1) Additional Collateral Event in any seven (7) day period.

#### **4.2. Defaulting Lender.**

4.2.1. Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(a) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 15.1.1.

(b) Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 12 or otherwise) or received by Administrative Agent from a Defaulting Lender pursuant to Section 12.4 shall be applied at such time or times as may be determined by Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; *second*, as Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; *third*, if so determined by Administrative Agent and Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrowers as a result of any judgment of a court of competent jurisdiction obtained by Borrowers against such

*Amended & Restated Loan Agreement (PF)*

Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 6.2 or Section 6.3, as applicable, were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 4.2.1(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) (i) Each Defaulting Lender shall be entitled to receive fees payable under Section 3.2.1 for any period during which that Lender is a Defaulting Lender only to extent allocable to the sum of the outstanding principal amount of the Loans funded or committed by it. (ii) With respect to any fee payable under Section 3.2.1 not required to be paid to any Defaulting Lender pursuant to clause (i) above, Borrowers shall not be required to pay the remaining amount of any such fee.

**4.2.2. Defaulting Lender Cure.** If Borrowers and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by Lenders in accordance with their Applicable Percentages, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

**4.3. Amount of Loans.** The aggregate principal amount of all Advances disbursed in connection with any one Approved Financing shall not be less than \$10,000,000 nor greater than \$33,500,000, or in such other amount as may be approved by Administrative Agent from time to time as set forth in a Underlying Financing Specification. In no event may the aggregate amount Advanced in respect of any one Approved Financing exceed the BB Nominal Value for such loan.

**4.4. Borrower Agent.** Each Borrower hereby designates Borrower HASI ("Borrower Agent") as its representative and agent for all purposes under the Loan Documents, including requests for Loans, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrower Materials, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with Administrative Agent or any

*Amended & Restated Loan Agreement (PF)*

Lender. Borrower Agent hereby accepts such appointment. Administrative Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. Administrative Agent and Lenders may give any notice or communication with any Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of Administrative Agent and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Borrower Agent shall be binding upon and enforceable against it.

**4.5. One Obligation.** The Loans and other Obligations constitute one general obligation of Borrowers and are secured by Collateral Agent's Lien on all Collateral; provided, however, that each Agent and each Lender shall be deemed to be a creditor of, and the holder of a separate claim against, each Borrower to the extent of any Obligations jointly or severally owed to such Lender by such Borrower.

**4.6. Effect of Termination.** On the Revolver Termination Date, the Obligations shall be immediately due and payable. Until Full Payment of the Obligations, all undertakings of Borrowers contained in the Loan Documents shall continue, and Administrative Agent shall retain its Liens in the Collateral and all of its rights and remedies under the Loan Documents. No Agent shall be required to terminate its Liens unless it receives a written agreement, satisfactory to it, protecting Administrative Agent and Lenders from dishonor or return of any Payment Item previously applied to the Obligations. Sections 2.3, 3.4, 3.7, 3.9, 5.4, 5.7, 5.10.1, 5.10.2, 5.11, 13, 15.2, this Section 4.6, and each indemnity or waiver given by an Obligor or Lender in any Loan Document, shall survive Full Payment of the Obligations.

## SECTION 5. PAYMENTS

### 5.1. General Payment Provisions.

5.1.1. General. All payments to be made by Borrowers shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by Borrowers hereunder shall be made to Administrative Agent, for the account of the respective Lenders to which such payment is owed, at Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

5.1.2. Funding by Lenders; Presumption by Administrative Agent. Unless Administrative Agent shall have received notice from a Lender prior to the proposed date of any Advance of Eurodollar Rate Loans (or, in the case of any Advance of Base Rate Loans, prior to

*Amended & Restated Loan Agreement (PF)*

12:00 noon on the date of such Advance) that such Lender will not make available to Administrative Agent such Lender's share of such Advance, Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.1.2 (or, in the case of an Advance of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.1.2) and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Advance available to Administrative Agent, then such Lender and Borrowers severally agree to pay to Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to Borrowers to but excluding the date of payment to Administrative Agent, at (a) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by Administrative Agent in connection with the foregoing, and (b) in the case of a payment to be made by Borrowers, the interest rate applicable to Base Rate Loans. If Borrowers and such Lender shall pay such interest to Administrative Agent for the same or an overlapping period, Administrative Agent shall promptly remit to each Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Advance to Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Advance. Any payment by Borrowers shall be without prejudice to any claim Borrowers may have against a Lender that shall have failed to make such payment to Administrative Agent.

5.1.3. Payments Accompanied by Interest. All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

5.1.4. Payments by Borrower; Presumptions by Administrative Agent. Unless Administrative Agent shall have received notice from Borrowers prior to the date on which any payment is due to Administrative Agent for the account of Lenders hereunder that Borrowers will not make such payment, Administrative Agent may assume that Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to Lenders the amount due. In such event, if Borrowers have not in fact made such payment, then each of Lenders severally agrees to repay to Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation. A notice from Administrative Agent to any Lender or Borrower Agents with respect to any amount owing under this Section 5.1.4 shall be conclusive, absent manifest error.

5.1.5. Failure to Satisfy Conditions Precedent. If any Lender makes available to Administrative Agent funds for any Advance to be made by such Lender as provided

*Amended & Restated Loan Agreement (PF)*

in the foregoing provisions of this Section 5, and such funds are not made available to Borrowers by Administrative Agent because the conditions to the applicable Advance set forth in Section 6.2 or Section 6.3, as applicable, are not satisfied or waived in accordance with the terms hereof, Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

5.1.6. Obligations of Lenders Several. The obligations of Lenders hereunder to make Loans and to make payments pursuant to Section 15.2.3 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 15.2.3 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 15.2.3.

5.1.7. Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

5.1.8. Consent to Charge of Borrower Collateral Accounts. Each Borrower hereby authorizes Administrative Agent to instruct Collateral Agent to, upon the failure by Borrowers to pay any amount due hereunder when the same becomes payable, instruct the Depository to, pursuant to the terms of Depository Agreement, charge Borrower Collateral Accounts in order to cause timely payment of such unpaid amounts to be made to Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

5.1.9. Priority. All payments received by any Borrower in connection with any Intercompany Loan shall be applied to Obligations in the same order of priority as set forth in Section 5.5.

5.1.10. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, such Lender receiving such greater proportion shall (a) notify Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 5.1.10 shall not be construed to apply to (i) any payment made by or on behalf of a Borrower pursuant to and in accordance with the

*Amended & Restated Loan Agreement (PF)*

express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than an assignment to a Borrower or its Related Borrower Subsidiary (as to which the provisions of this Section 5.1.10 shall apply).

5.1.11. Related Borrower Party Setoff; Counterclaim. Each Borrower, on behalf of itself and each Related Borrower Subsidiary, consents to the foregoing Section 5.1.10 and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to such foregoing arrangements may exercise against any Borrower Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower Party in the amount of such participation.

**5.2. Repayment of Loans.** The Outstanding Amount as well as all other amounts due and payable under the Loan Documents shall be due and payable on the Revolver Termination Date, unless payment is sooner required or accelerated hereunder in which case such Outstanding Amount shall be due and payable on such sooner or accelerated date.

5.2.1. Mandatory Prepayments.

(a) If on any date the Aggregate Usage exceeds the then applicable Borrowing Base (including if due to the exclusion of a Watched Loan from the calculation of the Borrowing Base pursuant to Section 9.1), Borrowers shall prepay the Loans in an amount sufficient to reduce the Aggregate Usage to the then applicable Borrowing Base amount as follows:

If on any date the Aggregate Usage:

(i) is greater than 105% of the current Borrowing Base amount as determined by reference to a Borrowing Base Certificate (the Initial Borrowing Base Certificate"), then Borrowers shall, no later than the earlier of (A) five (5) Business Days from either the Administrative Agent's written approval of the Initial Borrowing Base Certificate pursuant to Section 9.1.3 or its delivery of a revised certificate in response to the Initial Borrowing Base Certificate and (B) the first Business Day of the calendar month that immediately succeeds the month in which the Initial Borrowing Base Certificate was delivered to the Administrative Agent (the "Prepay Period") prepay the outstanding principal amount of the Loans in an amount necessary to reduce the Aggregate Usage to an amount less than or equal to 100% of such Borrowing Base amount; provided that Borrowers may request that an Approved Financing not previously included within the Initial Borrowing Base Certificate calculation, be added to the Borrowing Base as Eligible Collateral prior to the expiration of the Prepay Period. In the event that such Approved Financing if added to the Borrowing Base using an agreed BB Nominal Value and BB Adjusted Value, would cause the Borrowing Base to equal or exceed the Aggregate Usage, as evidenced by a new Borrowing Base Certificate that has been approved by Administrative Agent (the "Supplemental Borrowing Base Certificate"), and such new Approved Financing

*Amended & Restated Loan Agreement (PF)*

is subsequently added to the Borrowing Base (following the satisfaction of conditions precedent set forth in this Agreement including, without limitation Section 6.2) as an Approved Additional Collateral Event prior to the expiration of the Prepay Period, the Borrowers will no longer be obligated to prepay the Loans as a result of the original over-advance; provided that if, following the approval of the Supplemental Borrowing Base Certificate and addition to the Borrowing Base of such new Approved Financing the Aggregate Usage would still exceed the Borrowing Base amount as determined pursuant to the Supplemental Borrowing Base Certificate, Administrative Agent may immediately thereafter apply any and all funds in the Borrower Collateral Accounts to prepay the Loans until such time (but in no event later than the expiration of the Prepay Period) as the Aggregate Usage is equal to or less than the Borrowing Base amount; provided further that, nothing herein shall relieve the Borrowers of their obligation to repay the Loans no later than the expiration of the Prepay Period if the inclusion of an Approved Financing and/or sweeping of the Borrower Collateral Accounts do not otherwise reduce the Aggregate Usage to an amount less than or equal to the Borrowing Base as determined by reference to the Initial Borrowing Base Certificate or the Supplemental Borrowing Base Certificate if an Approved Financing was added to the Borrowing Base prior to the end of the Prepay Period. To the extent the provisions of this Section 5.2.1(a)(i) are applicable, Borrowers shall indicate to Administrative Agent on each date a Borrowing Base Certificate is delivered whether Borrowers will elect to provide new Approved Financings or otherwise prepay the Loans; or

(ii) is greater than 100% but equal to or less than 105% of the then current Borrowing Base amount as determined by reference to the most recently delivered Borrowing Base Certificate, then, Borrowers shall cause all amounts on deposit in the Borrower Collateral Accounts to be applied on (I) the earlier of the (x) Payment Date immediately following the delivery of such Borrowing Base Certificate and (y) the date that is five (5) Business Days after the approval by the Administrative Agent of such Borrowing Base Certificate or Administrative Agents delivery of a revised certificate in response to such Borrowing Base Certificate and (II) on each Payment Date thereafter, in each case, to prepay the principal amount of the Loan Facility in accordance with the terms of the Depositary Agreement until such time as the Aggregate Usage is equal to or less than 100% of the then current Borrowing Base amount,

(b) If the Interest Service Coverage Ratio as of the end of any Interest Coverage Calculation Period is less than the Interest Service Coverage Ratio Threshold for such Interest Coverage Calculation Period, Borrowers shall, no later than five (5) Business Days after the last day of such period, prepay the outstanding principal amount of the Loans in an amount sufficient to cause such Interest Service Coverage Ratio to be at least equal to such Interest Service Coverage Ratio Threshold, as evidenced by a new Borrowing Base Certificate that has been delivered by the Borrowers to Administrative Agent following such payment, and subsequently approved by Administrative Agent.

*Amended & Restated Loan Agreement (PF)*

(c) All of the Loans shall become due and payable in full and the Borrowers shall repay all Loans in full immediately upon the consummation of a merger or consolidation of any Guarantor Party (as defined in the Guaranty) in accordance with Section 15(b)(xii)(A) of the Guaranty or an acquisition by any Guarantor Party (as defined in the Guaranty) in accordance with Section 15(b)(xiv)(A) of the Guaranty.

(d) (1) An Alternative Margin Loan shall become due and payable in full and the Borrowers shall prepay the outstanding principal amount of such Alternative Margin Loan in full, on the date on which the Alternative Margin Approved Financing in respect of such Alternative Margin Loan is removed from, or is otherwise no longer calculated as part of, the Borrowing Base and (2) a Fixed Rate Loan shall become due and payable in full and the Borrowers shall prepay the outstanding principal amount of such Fixed Rate Loan in full, on the date on which all of the Fixed Rate Approved Financings in respect of such Fixed Rate Loan are removed from, or are otherwise no longer calculated as part of, the Borrowing Base.

(e) If on any date the outstanding principal amount of a Fixed Rate Loan exceeds the Fixed Rate Borrowing Base in respect of such Fixed Rate Loan then the Borrowers shall, no later than five (5) Business Days from such date, prepay the outstanding principal amount of such Fixed Rate Loan in an amount necessary to reduce the outstanding principal amount of such Fixed Rate Loan to an amount less than or equal to such Fixed Rate Borrowing Base as evidenced by a Borrowing Base Certificate approved by the Administrative Agent.

(f) If on any date the outstanding principal amount of an Alternative Margin Loan exceeds the Alternative Margin Borrowing Base in respect of such Alternative Margin Loan then the Borrowers shall, no later than five (5) Business Days from such date, prepay the outstanding principal amount of such Alternative Margin Loan in an amount necessary to reduce the outstanding principal amount of such Alternative Margin Loan to an amount less than or equal to such Alternative Margin Borrowing Base as evidenced by a Borrowing Base Certificate approved by the Administrative Agent.

(g) Any such Mandatory Prepayment shall be applied as specified in Section 5.5.

#### 5.2.2. Voluntary Prepayments.

(a) On any Payment Date, Borrowers may, at its option, prepay the Loans, together with accrued interest thereon, in whole or in part, without penalty or premium except as set forth in Section 3, including without limitation Sections 3.8 and 3.9 (“Voluntary Prepayment”).

(b) All such Voluntary Prepayments shall be made upon not less than three (3) Business Days’ prior written or telephonic irrevocable notice given to Administrative Agent by 2:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed by delivery of written irrevocable notice thereof to Administrative Agent (and Administrative Agent will promptly transmit such original notice by facsimile or telephone to each Lender). Any such Voluntary Prepayment shall be applied as specified in Section 5.5.

*Amended & Restated Loan Agreement (PF)*

**5.3. Payment of Other Obligations.** Obligations other than Loans and Extraordinary Expenses, shall be paid by Borrowers as provided in the Loan Documents or, if no payment date is specified on demand.

**5.4. Marshaling; Payments Set Aside.** None of Administrative Agent or Lenders shall be under any obligation to marshal any assets in favor of any Obligor or against any Obligations. If any payment by or on behalf of Borrowers is made to Administrative Agent or any Lender, or if Administrative Agent or any Lender exercises a right of setoff, and any of such payment or setoff is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Administrative Agent or a Lender in its discretion) to be repaid to a trustee, receiver or any other Person, then the Obligation originally intended to be satisfied, and all Liens, rights and remedies relating thereto, shall be revived and continued in full force and effect as if such payment or setoff had not occurred.

**5.5. Application and Allocation of Payments.**

5.5.1. **Payments Generally.** Payments made by Borrowers hereunder shall be applied in accordance with the terms of the Depositary Agreement. Prior to an Event of Default and once received in accordance with the terms of the Depositary Agreement, (i) the aggregate amount of any Mandatory Prepayment required to be paid pursuant to Section 5.2.1(a) shall be applied to the Loans as follows: *first*, to the outstanding principal amount of each Alternative Margin Loan in an amount equal to the Alternative Margin Prepayment Amount for each such Alternative Margin Loan, and *second*, all remaining proceeds of such Mandatory Prepayment to the outstanding principal amount of all other Loans and (ii) the aggregate amount of any Mandatory Prepayment required to be paid pursuant to Section 2.4 and Sections 5.2.1(d), (e) or (f) shall be applied directly to the Alternative Margin Loan or Fixed Rate Loan being repaid, as applicable. Any proceeds of any other Mandatory Prepayment or Voluntary Prepayment not otherwise specifically referred to in this Section 5.5.1 shall, in each case, be applied to the Loans on a pro rata basis. Any prepayment of a Fixed Rate Loan paid in accordance with Section 5.2.1(e) shall be applied pro rata to the respective installments of principal thereof as set forth in the applicable Underlying Financing Specification for such loan. Any portion of the Fixed Rate Loan Portion that is repaid may not be reborrowed.

5.5.2. **Post-Default Allocation.** During an Event of Default, monies to be applied to the Obligations, whether arising from payments by Obligors, realization on Collateral, setoff or otherwise, shall be allocated by Administrative Agent in its discretion.

5.5.3. **Reduction of Principal.** Notwithstanding anything to the contrary contained herein, the Outstanding Amount shall be reduced in connection with and in an amount equal to any Voluntary Prepayment or Mandatory Prepayment of the Loan.

5.5.4. **Erroneous Application.** Administrative Agent shall not be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Lender or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by a Secured Party, the Secured Party agrees to return it).

*Amended & Restated Loan Agreement (PF)*

5.5.5. Account Stated. Administrative Agent shall maintain, in accordance with its customary practices, loan account(s) evidencing the Debt of Borrowers hereunder. Any failure of Administrative Agent to record anything in a loan account, or any error in doing so, shall not limit or otherwise affect the obligation of Borrowers to pay any amount owing hereunder. Entries made in a loan account shall constitute presumptive evidence of the information contained therein. If any information contained in a loan account is provided to or inspected by any Person, the information shall be conclusive and binding on such Person for all purposes absent manifest error, except to the extent such Person notifies Administrative Agent in writing within thirty (30) days after receipt or inspection, that specific information is subject to dispute.

5.5.6. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of Loans made by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then such Lender receiving such greater proportion shall (a) notify Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by all Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 5.5.6 shall not be construed to apply to any payment made by or on behalf of such Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender).

Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrowers' rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Borrower in the amount of such participation.

#### **5.6. Evidence of Debt; Register; Lender's Books and Records**

5.6.1. Evidence of Debt. The Advances made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by Administrative Agent in the ordinary course of business. The accounts or records maintained by Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Advances made by Lenders to Borrowers and the interest and payments thereon. Any failure to so record

*Amended & Restated Loan Agreement (PF)*

or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of Administrative Agent in respect of such matters, the accounts and records of Administrative Agent shall control in the absence of manifest error.

5.6.2. Register. Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at its Principal Office a register for the recordation of the names and addresses of each Lender and the Loans of each Lender from time to time (the "Register"). The Register shall be available for inspection by Borrowers or Lenders (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Loans in accordance with the provisions of this Section 5.6.2, and each repayment or prepayment in respect of the Outstanding Amount, and any such recordation shall be conclusive and binding on Borrowers and Lenders, absent manifest error; provided that failure to make any such recordation, or any error in such recordation, shall not affect any Borrower's Obligations in respect of any Loan. Each Borrower hereby designates Administrative Agent to serve as such Borrower's agent solely for purposes of maintaining the Register as provided in this Section 5.6.2, and each Borrower hereby agrees that, to the extent Administrative Agent serves in such capacity, Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute "Indemnitees."

## **5.7. Taxes.**

### **5.7.1. Payments Free of Taxes: Obligation to Withhold: Tax Payment**

(a) All payments of Obligations by Obligor shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If Applicable Law (as determined by Administrative Agent in its sole discretion exercised in good faith) requires the deduction or withholding of any Tax from any such payment by Administrative Agent or an Obligor, then Administrative Agent or such Obligor shall be entitled to make such deduction or withholding based on information and documentation provided pursuant to Section 5.8.2.

(b) If Administrative Agent or any Obligor is required by the Code to withhold or deduct Taxes, including backup withholding and withholding Taxes, from any payment, then (i) Administrative Agent shall pay the full amount that it determines is to be withheld or deducted to the relevant Governmental Authority pursuant to the Code, and (ii) to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(c) If Administrative Agent or any Obligor is required by any Applicable Law other than the Code to withhold or deduct Taxes from any payment, then (i) Administrative Agent or such Obligor, to the extent required by Applicable Law, shall timely pay the full amount to be withheld or deducted to the relevant Governmental Authority, and (ii)

*Amended & Restated Loan Agreement (PF)*

to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

5.7.2. Payment of Other Taxes. Without limiting the foregoing, Borrowers shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at Administrative Agent's option, timely reimburse Administrative Agent for payment of, any Other Taxes.

5.7.3. Tax Indemnification.

(a) Each Borrower shall indemnify and hold harmless each Recipient against any Indemnified Taxes (including those imposed or asserted on or attributable to amounts payable under this Section 5.7) payable or paid by a Recipient or required to be withheld or deducted from a payment to a Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Borrower shall indemnify and hold harmless Administrative Agent against any amount that a Lender fails for any reason to pay indefeasibly to Administrative Agent as required pursuant to this Section 5.7. Each Borrower shall make payment in accordance with Section 3.4 for any amount or liability payable under this Section 5.7. A certificate as to the amount of such payment or liability delivered to Borrower Agent by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of any Recipient, shall be conclusive absent manifest error.

(b) Each Lender shall indemnify and hold harmless, on a several basis, (i) Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent Borrowers have not already paid or reimbursed Administrative Agent therefor and without limiting Borrowers' obligation to do so), (ii) Administrative Agent and Obligors, as applicable, against any Taxes attributable to such Lender's failure to maintain a Participant register as required hereunder, and (iii) Administrative Agent and Obligors, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent or an Obligor in connection with any Obligations, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Lender shall make payment after demand for any amount or liability payable under this Section 5.7. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error.

5.7.4. Evidence of Payments. If Administrative Agent or an Obligor pays any Taxes pursuant to this Section 5.7, then upon request, Administrative Agent shall deliver to Borrower Agent or Borrower Agent shall deliver to Administrative Agent, respectively, a copy of a receipt issued by the appropriate Governmental Authority evidencing the payment, a copy of any return required by Applicable Law to report the payment, or other evidence of payment reasonably satisfactory to Administrative Agent or Borrower Agent, as applicable.

*Amended & Restated Loan Agreement (PF)*

5.7.5. Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, nor have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of a Lender. If a Recipient determines in its discretion that it has received a refund of any Taxes as to which it has been indemnified by Borrowers or with respect to which Borrowers have paid additional amounts pursuant to this Section 5.7, it shall pay Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by Borrowers with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that Borrowers agree, upon request by the Recipient, to repay the amount paid over to Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient if the Recipient is required to repay such refund to the Governmental Authority. Notwithstanding anything herein to the contrary, no Recipient shall be required to pay any amount to Borrowers if such payment would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. In no event shall Administrative Agent or any Recipient be required to make its Tax returns (or any other information relating to its Taxes that it deems confidential) available to any Obligor or other Person.

5.7.6. Survival. Each party's obligations under this Section 5.7 and Section 5.8 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by or replacement of a Lender, the termination of the Commitments, and the repayment, satisfaction, discharge or Full Payment of any Obligations.

#### **5.8. Lender Tax Information.**

5.8.1. Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower Agent and Administrative Agent, at the time or times reasonably requested by Borrower Agent or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower Agent or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower Agent or Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by Borrower Agent or Administrative Agent as will enable Borrower Agent or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.8.2(a), (b) and (d) below) shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

*Amended & Restated Loan Agreement (PF)*

5.8.2. Documentation. Without limiting the generality of the foregoing, if any Borrower is a U.S. Person:

(a) any Lender that is a U.S. Person shall deliver to Borrower Agent and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(b) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower Agent and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate in the form of Exhibit D-15A to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (“U.S. Tax Compliance Certificate”), and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-15B or Exhibit D-15C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-15D on behalf of each such direct and indirect partner;

*Amended & Restated Loan Agreement (PF)*

(c) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower Agent and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit Borrower Agent or Administrative Agent to determine the withholding or deduction required to be made; and

(d) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower Agent and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower Agent or Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower Agent or Administrative Agent as may be necessary for Borrower Agent and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

5.8.3. Redelivery of Documentation. Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 5.8 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower Agent and Administrative Agent in writing of its legal inability to do so.

5.9. [Reserved]

**5.10. Mitigation Obligations; Replacement of Lenders**

5.10.1. Designation of a Different Lending Office. If any Lender (other than Bank of America) requests compensation under Section 3.7, or requires Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.7, or if any Lender gives a notice pursuant to Section 3.5, then at the request of Borrowers such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.7 or 5.7, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.5, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

*Amended & Restated Loan Agreement (PF)*

5.10.2. Replacement of Lenders. If any Lender (other than Bank of America) requests compensation under Section 3.7, or if Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender (other than Bank of America) or any Governmental Authority for the account of any Lender (other than Bank of America) pursuant to Section 5.7 and, in each case, such Lender (other than Bank of America) has declined or is unable to designate a different Lending Office in accordance with Section 5.10.1, Borrowers may replace such Lender (other than Bank of America) in accordance with Section 14.4.

5.10.3. No Waiver. Notwithstanding anything in this Section 5.10, any replacement of an affected Lender shall not be deemed to be a waiver of any rights that any Borrower, any Agent or any other Lender shall have against such affected Lender.

5.10.4. Changes to Commitment. No amount of the applicable Commitment of any Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 5.10, performance by each Borrower of its obligations under this Agreement and the other Loan Documents shall not be excused or otherwise modified, as a result of any Default in the making of an Advance (a "Funding Default") or the operation of this Section 5.10. The rights and remedies against a Defaulting Lender under this Section 5.10 are in addition to other rights and remedies that each Borrower may have against such Defaulting Lender with respect to any Funding Default and that Administrative Agent or any Lender may have against such Defaulting Lender with respect to any Funding Default.

#### **5.11. Nature and Extent of Each Borrower's Liability.**

5.11.1. Joint And Several Liability. Each Borrower agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to each Agent and Lenders the prompt payment and performance of, all Obligations and all agreements under the Loan Documents. Each Borrower agrees that its guaranty obligations hereunder constitute a continuing guaranty of payment and not of collection, that such obligations shall not be discharged until Full Payment of the Obligations, and that such obligations are absolute and unconditional, irrespective of (a) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Obligations or Loan Document, or any other document, instrument or agreement to which any Obligor is or may become a party or be bound; (b) the absence of any action to enforce this Agreement (including this Section 5.11) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Lender with respect thereto; (c) the existence, value or condition of, or failure to perfect a Lien or to preserve rights against, any security or guaranty for the Obligations or any action, or the absence of any action, by any Agent or any Lender in respect thereof (including the release of any security or guaranty); (d) the insolvency of any Obligor; (e) any election by any Agent or any Lender in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code; (f) any borrowing or grant of a Lien by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code or otherwise; (g) the disallowance of any claims of Agent or any Lender against any Obligor for the repayment of any Obligations under Section 502 of the Bankruptcy Code or otherwise; or (h) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except Full Payment of all Obligations.

*Amended & Restated Loan Agreement (PF)*

### 5.11.2. Waivers.

(a) Each Borrower expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agents or Lenders to marshal assets or to proceed against any Obligor, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Borrower. Each Borrower waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of all Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of any Obligations as long as it is a Borrower. It is agreed among each Borrower, Agents and Lenders that the provisions of this Section 5.11 are of the essence of the transaction contemplated by the Loan Documents and that, but for such provisions, Agents and Lenders would decline to make Loans. Each Borrower acknowledges that its guaranty pursuant to this Section 5.11 is necessary to the conduct and promotion of its business, and can be expected to benefit such business.

(b) Agents and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral or any Real Estate by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this Section 5.11. If, in taking any action in connection with the exercise of any rights or remedies, any Agent or any Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against any Borrower or other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, each Borrower consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that any Borrower might otherwise have had. Any election of remedies that results in denial or impairment of the right of any Agent or any Lender to seek a deficiency judgment against any Borrower shall not impair any other Borrower's obligation to pay the full amount of the Obligations. Each Borrower waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations, even though that election of remedies destroys such Borrower's rights of subrogation against any other Person. Agents may bid all or a portion of the Obligations at any foreclosure, trustee or other sale, including any private sale, and the amount of such bid need not be paid by Agents but shall be credited against the Obligations. The amount of the successful bid at any such sale, whether any Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this Section 5.11, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which any Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

### 5.11.3. Extent of Liability; Contribution

(a) Notwithstanding anything herein to the contrary, each Borrower's liability under this Section 5.11 shall be limited to the greater of (i) all amounts for which such Borrower is primarily liable, as described below, and (ii) such Borrower's Allocable Amount.

*Amended & Restated Loan Agreement (PF)*

(b) If any Borrower makes a payment under this Section 5.11 of any Obligations (other than amounts for which such Borrower is primarily liable) (a “Guarantor Payment”) that, taking into account all other Guarantor Payments previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Guarantor Payments in the same proportion that such Borrower’s Allocable Amount bore to the total Allocable Amounts of all Borrowers, then such Borrower shall be entitled to receive contribution and indemnification payments from, and to be reimbursed by, the other Borrower for the amount of such excess, ratably based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment. The “Borrower Allocable Amount” for any Borrower shall be the maximum amount that could then be recovered from such Borrower under this Section 5.11 without rendering such payment voidable under any Fraudulent Transfer Law. No Borrower’s guaranty hereunder shall extend to Obligations under a Hedging Agreement to the extent such guaranty would violate Applicable Law.

(c) Nothing contained in this Section 5.11 shall limit the liability of any Borrower to pay Loans made directly or indirectly to that Borrower (including Loans advanced to any other Borrower and then re-loaned or otherwise transferred to, or for the benefit of, such Borrower), and all accrued interest, fees, expenses and other related Obligations with respect thereto, for which such Borrower shall be primarily liable for all purposes hereunder. Agents and Lenders shall have the right, at any time in their discretion, to condition Loans upon a separate calculation of borrowing availability for each Borrower and to restrict the disbursement and use of such Loans to such Borrower.

5.11.4. Joint Enterprise. Each Borrower has requested that Agents and Lenders make this Loan Facility available to Borrowers on a combined basis, in order to finance Borrowers’ business most efficiently and economically. Borrowers’ business is a mutual and collective enterprise, and the successful operation of each Borrower is dependent upon the successful performance of the integrated group. Borrowers believe that extension of the Loan Facility will enhance the business of each Borrower and ease administration of the Loan Facility, all to their mutual advantage. Borrowers acknowledge that Agents’ and Lenders’ willingness to extend credit and to administer the Collateral on a combined basis hereunder is done solely as an accommodation to Borrowers and at Borrowers’ request.

5.11.5. Subordination. Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of all Obligations.

**5.12. Fraudulent Transfer Laws**. Anything contained in this Agreement and the other Loan Documents to the contrary notwithstanding, the Obligations of Borrowers hereunder, solely to the extent that such Borrower did not receive proceeds of Loans from any borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. § 548, or any applicable provisions of comparable state law (collectively, the “Fraudulent Transfer Laws”), in each case after giving effect to all other liabilities of Borrowers, contingent or otherwise, that are relevant under the

*Amended & Restated Loan Agreement (PF)*

Fraudulent Transfer Laws (specifically excluding, however, any liabilities of Borrowers in respect of intercompany Debt to any other Obligor or Affiliates of any other Obligor to the extent that such Debt would be discharged in an amount equal to the amount paid by such Obligor hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of Borrowers pursuant to (i) Applicable Law or (ii) any agreement providing for an equitable allocation among an Obligor and other Affiliates of any Obligor of Obligations arising under guaranties by such parties.

**5.13. Subrogation.** Until the Obligations shall have been indefeasibly paid in full in Cash, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against any other Obligor. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against any other Obligor, and any collateral or security therefor, shall be junior and subordinate to any rights Collateral Agent may have against the other Obligor, or any such collateral or security (or the underlying assets therefor).

## **SECTION 6. CONDITIONS PRECEDENT**

## **SECTION 7. UNDERLYING FINANCING PROPOSAL AND APPROVAL PROCESS**

### **7.1. Underlying Financing Proposal.**

7.1.1. Eligible Nominated Financing. Borrowers may from time to time request financing of a Nominated Financing by submitting to Administrative Agent an Underlying Financing Proposal Certificate substantially in the form of *Exhibit A* to Appendix 2 and including all reports, documents and information specified on Appendix 2 to be attached thereto, including the initial draft Underlying Financing Specification, and all other documents or information reasonably requested by Administrative Agent in connection with its Approval

*Amended & Restated Loan Agreement (PF)*

Process (a “Proposal Package”). Upon receipt of a Proposal Package, Administrative Agent may request additional documents or information that it reasonably determines is necessary for its review. If the Underlying Financing securing the Nominated Financing complies with the Underlying Financing Criteria (an “Eligible Nominated Financing”), Administrative Agent will, subject to Section 7.2.1, review and make a determination whether it approves or declines the financing of such Eligible Nominated Financing within 20 Business Days, subject to the extension set forth in this Section 7.1.1, after receipt of the complete Proposal Package for such Eligible Nominated Financing including all other documents or information reasonably requested by Administrative Agent in connection with its Approval Process (such 20 Business Day period, the “Decision Period”). Administrative Agent may, without notice, extend the Decision Period for a period of time up to ten (10) Business Days if Administrative Agent reasonably determines additional time is necessary to complete its review of such Eligible Nominated Financing due to the fact that the Underlying Borrower, identified in the Proposal Package or the Underlying Financing Agreement in connection with the Underlying Project has not been previously reviewed and approved by Administrative Agent, or such Underlying Borrower does not have a published rating from either Moody’s or S&P or technology or structural considerations. If the Decision Period, as may be extended as provided herein, with respect to a Nominated Financing has expired and Administrative Agent has not delivered a Notice of Approval with respect to such Nominated Financing, Administrative Agent shall be deemed to have declined to finance such Nominated Financing. The Administrative Agent will review no more than two (2) Proposal Packages at any one time.

7.1.2. Proposed Underlying Financing. Borrower Agent may from time to time request financing of a Nominated Financing that does not meet the requirements of an Eligible Nominated Financing (including, without limitation, a financing request in respect of a project other than solar or wind) by delivering a written request to Administrative Agent (each, a “Proposed Nominated Financing”). Administrative Agent shall endeavor to notify Borrower Agent within five (5) Business Days whether Administrative Agent will agree or decline to review and diligence the Proposed Nominated Financing for potential financing under this Loan Facility. The Borrowers agree that any such decision shall be in the sole discretion of Administrative Agent. If Administrative Agent agrees to review and diligence the Proposed Nominated Financing (such review at all times subject to Section 7.2.1), Borrower Agent shall present to Administrative Agent a complete Proposal Package, including all reports, documents and information specified on Appendix 2 and all other documents and information requested by Administrative Agent. Borrowers and Administrative Agent will thereafter agree as to the period of time Administrative Agent shall have to review and diligence such Proposal Package.

7.1.3. Certain Expenses. With respect to any Eligible Nominated Financing, Administrative Agent agrees to use reasonable efforts (i) to minimize duplication of due diligence review and analysis previously conducted by the Origination Company (including access to its third party consultants and experts) with respect to such Eligible Nominated Financing and (ii) to notify Borrower Agent if additional Agent Professionals will be retained by Administrative Agent for the review and analysis of such Eligible Nominated Financing.

*Amended & Restated Loan Agreement (PF)*

## **7.2. Approval Process.**

7.2.1. Approval Required. The availability of the Commitment for any Nominated Financing shall be subject to due diligence, credit and other reviews and analysis by Administrative Agent and Agent Professionals and the written approval by Administrative Agent in its sole discretion (the “Approval Process”). Any Advance shall be made only for Nominated Financings that Administrative Agent has approved in its sole discretion (each such Nominated Financing approved by Administrative Agent, an “Approved Financing”).

7.2.2. Notice of Approval. The approval by Administrative Agent of a Nominated Financing will be confirmed by a written notice from Administrative Agent to Borrower Agent in the form of Appendix 6 and shall identify, without limitation, (i) any additional terms, Material Underlying Financing Participants and conditions specific to such Approved Financing, (ii) the Material Underlying Financing Documents, (iii) the aggregate principal amount of the Approved Financing as well as the Nominal Amount, if different and (iv) the amount of the Advance available for such Approved Financing (including the amount of any Fixed Rate Loan that may be advanced in respect of such Approved Financing) which shall be determined by Administrative Agent and shall be no greater than the Nominal Value for such Approved Financing. Lenders’ Commitment to finance any Approved Financing on the terms and conditions set forth in this Agreement shall automatically expire if neither the funding of the initial Advance nor the inclusion of the Approved Financing as part of the Borrowing Base (whether or not an Advance has been made) as a result of an Additional Collateral Event in respect of such Approved Financing occurs on or prior to the expiration of the Loan Availability Period.

7.2.3. Conditions Precedent. Each Advance and Additional Collateral Event with respect to an Approved Financing is subject to the satisfaction of each of the conditions precedent set forth in Section 6.2 or Section 6.3, as applicable.

7.2.4. Underlying Financing Specification. On or prior to the Credit Date for any Approved Financing, Borrower Agent shall execute and deliver to Administrative Agent an Underlying Financing Specification with respect to the Approved Financing, identifying the applicable Underlying Financing Documents, Underlying Financing Project Documents and the applicable Intercompany Documents and such other information set forth in Appendix 3. Upon execution and delivery of any Underlying Financing Specification by Administrative Agent, the Underlying Financing Specification shall form a part of this Agreement and each of the Loan Documents, Intercompany Documents, Underlying Financing Agreements, Underlying Financing Documents, Underlying Financing Project Documents, Material Underlying Financing Documents, Material Underlying Financing Participants and Material Underlying Financing Project Documents identified in such Underlying Financing Specification shall be deemed Loan Documents, Intercompany Documents, Underlying Financing Agreements, Underlying Financing Documents, Underlying Financing Project Documents, Material Underlying Financing Documents, Material Underlying Financing Participants and Material Underlying Financing Project Documents for purposes of this Agreement. The Borrowers and Administrative Agent hereby agree to amend each applicable Underlying Financing Specification to add any Person or document that is mutually agreed after the date hereof as a Material Underlying Financing Participant or Material Underlying Financing Document pursuant to the terms hereof.

### SECTION 13. AGENT

**13.1. Appointment and Authority.** Each of Lenders hereby irrevocably appoints Bank of America to act on its behalf as Administrative Agent hereunder and under the other Loan Documents and authorizes Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 13 are solely for the benefit of Administrative Agent and Lenders and neither Borrowers nor any other Obligor shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

#### **13.2. Exculpatory Provisions.**

13.2.1. No Duty. Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that Administrative Agent is required to exercise as directed in writing by Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose Administrative Agent to liability or that is contrary to any Loan Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

13.2.2. Required Lenders. Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of Required Lenders (or such

other number or percentage of Lenders as shall be necessary, or as Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 15.1 and 12.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to Administrative Agent by Borrowers or a Lender.

13.2.3. Reliance. Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Administrative Agent.

**13.3. Reliance by Administrative Agent.** Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, Administrative Agent may presume that such condition is satisfactory to such Lender unless Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Administrative Agent may consult with legal counsel (who may be counsel for Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**13.4. Delegation of Duties.** Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 13 shall apply to any such sub-agent and to the Related Parties of Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non appealable judgment that Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

*Amended & Restated Loan Agreement (PF)*

### **13.5. Resignation of Administrative Agent.**

13.5.1. Resignation. Administrative Agent may at any time give notice of its resignation to Lenders and Borrowers provided that Bank of America will not resign as Administrative Agent unless otherwise required by law or in order to comply with regulatory requirements applicable to it; provided, further, that any successor to Bank of America by merger or acquisition of stock shall continue to be Administrative Agent hereunder without further act on the part of any Secured Party or Obligor. Upon receipt of any such notice of resignation, Required Lenders shall have the right, in consultation with Borrowers, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

13.5.2. Removal. If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, Required Lenders may, to the extent permitted by Applicable Law, by notice in writing to Borrower Agent and such Person remove such Person as Administrative Agent and, in consultation with Borrowers, appoint a successor. If no such successor shall have been so appointed by Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

13.5.3. Effect of Resignation or Removal. With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 5.7.6 and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 13.5). The fees payable by Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrowers and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Section 13 and Section 15.2

*Amended & Restated Loan Agreement (PF)*

shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

**13.6. Non-Reliance on Administrative Agent and Other Lenders** Each Lender acknowledges that it has, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon any Loan Document or any related agreement or any document furnished hereunder or thereunder.

**13.7. No Other Duties, Etc.** Anything herein to the contrary notwithstanding, none of the Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as Administrative Agent, Collateral Agent, or a Lender hereunder.

**13.8. Administrative Agent May File Proofs of Claim**

13.8.1. **Authorization.** In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Borrower or Guarantor, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and Advances of Lenders and Administrative Agent and their respective agents and counsel and all other amounts due Lenders and Administrative Agent under Sections 3.1.2, 3.4 and 15.2) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 3.1.2, 3.4 and 15.2.

*Amended & Restated Loan Agreement (PF)*

13.8.2. No Reorganization Authorization. Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

### **13.9. Collateral and Guaranty Matters.**

13.9.1. Further Authorization. Without limiting the provisions of Section 13.8, Lenders irrevocably authorize Administrative Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by Administrative Agent under any Loan Document (i) upon Commitment Termination Date and payment in full of all Obligations (other than contingent indemnification obligations), (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document, or (iii) subject to Section 15.1, if approved, authorized or ratified in writing by Required Lenders; and

(b) to subordinate any Lien on any property granted to or held by Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 11.2.2.

13.9.2. Confirmation of Release Authority. Upon request by Administrative Agent at any time, Required Lenders will confirm in writing Administrative Agent's authority to release or subordinate its interest in particular types or items of property pursuant to this Section 13.9.

13.9.3. Reliance. Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of Administrative Agent's Lien thereon, or any certificate prepared by any Borrower or Guarantor in connection therewith, nor shall Administrative Agent be responsible or liable to Lenders for any failure to monitor or maintain any portion of the Collateral.

## **SECTION 14. BENEFIT OF AGREEMENT; ASSIGNMENTS**

**14.1. Successors and Assigns.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 14.3 or (ii) by way of participation in accordance with the provisions of Section 14.2 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 14.2 and, to the extent expressly contemplated hereby, the Related Parties of each of Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

*Amended & Restated Loan Agreement (PF)*

## 14.2. Participations.

14.2.1. Participations. Any Lender may at any time, without the consent of, or notice to, Borrowers or Administrative Agent, sell participations to any Person (other than a natural Person, a Defaulting Lender or Borrowers or any of Borrowers' Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) Borrowers, Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 15.2.3 without regard to the existence of any participation.

14.2.2. Participation Instruments. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 15.1.1 that affects such Participant. Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.7, 3.9 and 5.7 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 14.3 (it being understood that the documentation required under Section 5.8 shall be delivered to Lender who sells the participation) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 14.3; provided that such Participant (A) agrees to be subject to the provisions of Sections 5.10, 14.4 and 15.13 as if it were an assignee pursuant to Section 14.3 and (B) shall not be entitled to receive any greater payment under Sections 3.7, 3.9 and 5.7, with respect to any participation, than Lender from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrowers' request and expense, to use reasonable efforts to cooperate with Borrowers to effectuate the provisions of Section 5.10.1 or 5.10.2, with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.4 as though it were a Lender; provided that such Participant agrees to be subject to Section 5.1.10 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c)

*Amended & Restated Loan Agreement (PF)*

of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

14.2.3. Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Borrower Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

#### **14.3. Assignments.**

14.3.1. Permitted Assignments. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under the Loan Documents (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(a) the aggregate amount of the Commitments retained by Bank of America, N.A., as Lender, is at least 50.1% of all Commitments

(b)

(i) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in clause (ii) below in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund administered or managed by a Lender or an Affiliate of a Lender, no minimum amount need be assigned; and

(ii) in any case not described in clause (i) above, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 unless each of Administrative Agent and, so long as no Event of Default has occurred and is continuing, Borrower Agent otherwise consents (such consent not to be unreasonably withheld or delayed).

(c) Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

*Amended & Restated Loan Agreement (PF)*

(d) No consent shall be required for any assignment except to the extent required by clause (b)(ii) above and, in addition:

(i) the consent of Borrower Agent (such consent not to be unreasonably withheld or delayed) required pursuant to clause (b)(ii) above shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within five (5) Business Days after having received notice thereof; and provided, further, that consent of Borrower Agent shall not be required during the primary syndication of the credit facility provided herein; and

(ii) the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund administered or managed by a Lender or an Affiliate of a Lender.

(e) The parties to each assignment shall execute and deliver to Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire.

(f) No such assignment shall be made (i) to any Borrower or any Affiliate or Subsidiary of any Borrower, (ii) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (ii), or (iii) to a natural Person.

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or other compensating actions, including funding, with the consent of Borrower Agent and Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause (g), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

14.3.2. Accession; Survival. Subject to acceptance and recording thereof by Administrative Agent pursuant to Section 14.3.3, from and after the effective date specified in

*Amended & Restated Loan Agreement (PF)*

each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.7, 3.9, 5.7, 5.10.1, 5.10.2 and 15.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, Borrowers (at their expense) shall execute and deliver a Borrower Note(s) to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 14.3.2 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 14.2.

14.3.3. Register. Administrative Agent, acting solely for this purpose as an agent of Borrowers (and such agency being solely for tax purposes), shall maintain at Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and the Register. The entries in the Register shall be conclusive absent manifest error, and Borrowers, Administrative Agent and Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

#### **14.4. Replacement of Certain Lenders.**

14.4.1. Replacement. If Borrowers are entitled to replace a Lender pursuant to the provisions of Section 5.10, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then Borrower Agent may, at its sole expense and effort, upon notice to such Lender and Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 14.1), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.7 and 5.7) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) Borrower shall have paid to Administrative Agent the assignment fee (if any) specified in Section 14.1;

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.9) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Borrower (in the case of all other amounts);

*Amended & Restated Loan Agreement (PF)*

(c) in the case of any such assignment resulting from a claim for compensation under Section 5.7 or payments required to be made pursuant to Section 3.7, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with Applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

14.4.2. No Assignment for Waiver. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Borrower to require such assignment and delegation cease to apply.

## SECTION 15. MISCELLANEOUS

### 15.1. Consents, Amendments and Waivers.

15.1.1. Amendment. No amendment or waiver of any provision of any Loan Document, and no consent to any departure by any Borrower or any other Obligor therefrom, shall be effective unless in writing signed by Required Lenders and each Borrower or the applicable Obligor, as the case may be, and acknowledged by Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) waive any condition set forth in Section 6, without the written consent of each Lender;

(b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 12.2) without the written consent of such Lender;

(c) postpone or extend any date fixed by or any Loan Document for any payment (including Mandatory Prepayments) of principal, interest, fees or other amounts due to Lenders (or any of them) hereunder or under any other Loan Document or postpone or extend any scheduled Commitment reduction without the written consent of each Lender directly affected thereby;

(d) reduce the principal of, or the rate of interest specified herein on, any Loan or (subject to clause (ii) of the proviso to this clause (d)) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender entitled to such amount; provided, however, that only the consent of Required Lenders shall be necessary (i) to amend the definition of "Default Rate" or to waive any obligation of any Borrower to pay interest at the Default Rate or (ii) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest on any Loan or to reduce any fee payable hereunder;

*Amended & Restated Loan Agreement (PF)*

(e) change Section 5.5.1 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(f) change any provision of this Section 15.1 or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

(g) release all or substantially all of the Collateral or substantially all of the value of the Guaranty, in each case, without the written consent of each Lender; or

(h) without the prior written consent of Required Lenders, change the definition of the terms “Availability” or “Borrowing Base” or any component definition used therein if, as a result thereof, the amounts available to be borrowed by Borrowers would be increased; provided that the foregoing shall not limit the discretion of Administrative Agent to add new Approved Financings to the Borrowing Base as provided herein;

and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by Administrative Agent in addition to Lenders required above, affect the rights or duties of Administrative Agent under any Loan Document; and (ii) the Agent Commitment Document may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

15.1.2. Limitations. The agreement of any Borrower shall not be required for any modification of a Loan Document that deals solely with the rights and duties of Lenders and Administrative Agent as among themselves. Any waiver or consent granted by Administrative Agent or Lenders hereunder shall be effective only if in writing and only for the matter specified.

15.1.3. Payment for Consents. Each Borrower shall not, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a pro rata basis to all Lenders providing their consent.

## 15.2. Expenses; Indemnity; Damage Waiver.

### 15.2.1. [Reserved]

15.2.2. Borrowers shall indemnify the Indemnitees against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees incurred by any Indemnitee or asserted against any Indemnitee by any Person (including Borrowers and other Obligor) other than such Indemnitee and its Related Parties arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in [Section 5.7](#)), (ii) any Loan or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Obligor or any of its Subsidiaries, or any Environmental Notice related in any way to Borrowers or other Obligor, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Obligor, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by any Borrower or any other Obligor against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if Borrowers or any other Obligor has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. Without limiting the provisions of [Section 5.7](#), this [Section 15.2.2](#) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

15.2.3. To the extent that Borrowers for any reason fail to indefeasibly pay any amount required under [Section 3.4](#) or [15.2.2](#) to be paid by it to Administrative Agent (or any sub-agent thereof) or any of its Related Parties, each Lender severally agrees to pay to Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the aggregate Outstanding Amount at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lenders' Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), provided, further that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against Administrative Agent (or any such sub-agent) or against any Related Party acting for Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of Lenders under this [Section 15.2.3](#) are subject to the provisions of [Section 5.1.6](#).

15.2.4. To the fullest extent permitted by Applicable Law, Borrowers shall not assert, and hereby waive, and acknowledge that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive

*Amended & Restated Loan Agreement (PF)*

damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in [Section 15.2.2](#) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

15.2.5. All amounts due under this [Section 15.2](#) shall be payable not later than ten (10) Business Days after demand therefor.

15.2.6. The agreements in this [Section 15.2](#) and the indemnity provisions herein shall survive the resignation of Administrative Agent, the replacement of any Lender, the termination of the aggregate Outstanding Amount and Commitments and the repayment, satisfaction or discharge of all the other Obligations.

### **15.3. Notices and Communications.**

15.3.1. Notice Address. All notices and other communications by or to a party hereto shall be in writing and shall be given to any Borrower, at Borrower Agent's address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Loan Document Effective Date, at the address shown on its Assignment and Assumption), or at such other address as a party may hereafter specify by notice in accordance with this [Section 15.3](#). Each communication shall be effective only (a) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (b) if given by mail, three (3) Business Days after deposit in the U.S. mail, with first-class postage pre-paid, addressed to the applicable address; or (c) if given by Personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to Agent pursuant to [Sections 2.4, 3.5, 3.7, 3.9, 4.1, 5.2, 5.7, 5.10.1, 11.1.1, 13.2](#) and [14.3](#) shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower Agent shall be deemed received by all Borrowers.

15.3.2. Electronic Communications; Voice Mail. Electronic mail and internet websites may be used only for routine communications, such as delivery of Borrower Materials, administrative matters, and distribution of Loan Documents. Administrative Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

15.3.3. Platform. Borrowers hereby acknowledge that (a) Administrative Agent may, but shall not be obligated to, make available to Lenders the Borrower Materials by posting the Borrower Materials on Debt Domain, IntraLinks, Syndtrak or another similar

*Amended & Restated Loan Agreement (PF)*

electronic system (the “Platform”) and (b) certain of Lenders (each, a “Public Lender”) may have personnel who do not wish to receive material non-public information with respect to Borrowers or their Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons’ securities. Borrowers hereby agree that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials “PUBLIC,” Borrowers shall be deemed to have authorized Administrative Agent and Lenders to treat such Borrower Materials as not containing any material non-public information with respect to Borrowers or their securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 15.13); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Side Information;” and (z) Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Side Information.” THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Borrowers, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of Borrowers’, any other Obligor’s or Administrative Agent’s transmission of Borrower Materials through the Internet; except to the extent that a court of competent jurisdiction by final and non-appealable judgment has determined that such losses, claims, damages, liabilities or expenses arising out of Administrative Agent’s transmission of Borrower Materials resulted from the gross negligence or willful misconduct of such Agent Party.

15.3.4. Non-Conforming Communications. Agents and Lenders may rely upon any communications purportedly given by or on behalf of any Borrower even if they were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Each Borrower shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any electronic or telephonic communication purportedly given by or on behalf of a Borrower.

**15.4. Performance of Borrowers’ Obligations.** Each Agent may, in its discretion at any time and from time to time, at Borrowers’ expense, pay any amount or do any act required of a Borrower under any Loan Documents or otherwise lawfully and reasonably requested by Administrative Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity or priority

*Amended & Restated Loan Agreement (PF)*

of Collateral Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of any Agent under this Section 15.4 shall be reimbursed to such Agent by Borrowers on demand, with interest from the date incurred until paid in full, at the Default Rate applicable to Loans. Any payment made or action taken by Agents under this Section 15.4 shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

**15.5. Credit Inquiries.** Administrative Agent and Lenders may (but shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor.

**15.6. Severability.** Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

**15.7. Cumulative Effect; Conflict of Terms.** The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several limitations or measurements to regulate similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

**15.8. Counterparts; Execution.** Any Loan Document may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when Administrative Agent has received counterparts bearing the signatures of all parties hereto. Delivery of a signature page of any Loan Document by telecopy or other electronic means shall be effective as delivery of a manually executed counterpart of such agreement.

**15.9. Electronic Execution of Assignments and Certain Other Documents.** The words "execute," "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**15.10. Entire Agreement.** Time is of the essence with respect to all Loan Documents and Obligations. The Loan Documents constitute the entire agreement, and supersede all prior understandings and agreements, among the parties relating to the subject matter thereof.

*Amended & Restated Loan Agreement (PF)*

**15.11. Relationship with Lenders.** The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt. It shall not be necessary for Administrative Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of Administrative Agent, Lenders or any other Secured Party pursuant to the Loan Documents or otherwise shall be deemed to constitute Administrative Agent and any Secured Party to be a partnership, joint venture or similar arrangement, nor to constitute control of any Obligor.

**15.12. No Advisory or Fiduciary Responsibility.** In connection with all aspects of each transaction contemplated by any Loan Document, Borrowers and each Obligor acknowledge and agree, and acknowledges their respective Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and Lenders are arm's-length commercial transactions between Borrowers and their respective Affiliates, on the one hand, and the Agents and Lenders, on the other hand, (B) each of Borrowers have consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) Borrowers are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents and each Lender are and have been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Borrowers or any of their respective Affiliates, or any other Person and (B) neither the Agents nor any Lender have any obligation to Borrowers or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents and Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Borrowers and their respective Affiliates, and neither the Agents nor any Lender have any obligation to disclose any of such interests to Borrowers or any of their respective Affiliates. To the fullest extent permitted by law, each Borrower hereby waives and releases any claims that it may have against the Agents or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

**15.13. Confidentiality.** Each of Agents and Lenders shall maintain the confidentiality of all Information, except that Information may be disclosed (except and to the extent restricted by any letter agreement entered into on the date hereof) (a) to its Affiliates, and to its and their partners, directors, officers, employees, agents, advisors and representatives (provided such Persons are informed of the confidential nature of the Information and instructed to keep it confidential); (b) to the extent requested by any governmental, regulatory or self-regulatory authority purporting to have jurisdiction over it or its Affiliates; (c) to the extent required by Applicable Law or by any subpoena or other legal process; (d) to any other party hereto; (e) in connection with any action or proceeding relating to any Loan Documents or Obligations; (f) subject to an agreement containing provisions substantially the same as this Section 15.13, to any transferee or any actual or prospective party (or its advisors) to any swap, derivative or other transaction under which payments are to be made by reference to an Obligor or an Obligor's obligations; (g) with the consent of Borrower Agent; or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 15.13 or (ii) is available to any Agent, any Lender or any of their Affiliates on a non-confidential basis from a

source other than Borrowers. Notwithstanding the foregoing, Administrative Agent and Lenders may publish or disseminate general information (but not details concerning individual Underlying Financings) concerning this credit facility for league table, tombstone and advertising purposes, and may use any Borrower's logos, trademarks or product photographs in advertising materials. As used herein, "Information" means all information received from an Obligor or Underlying Borrower relating to it or its business that is not identified as being Public when delivered. Any Person required to maintain the confidentiality of Information pursuant to this Section 15.13 shall be deemed to have complied if it exercises a degree of care similar to that which it accords its own confidential information. Each of Agents and Lenders acknowledges that (x) Information may include material non-public information; (y) it has developed compliance procedures regarding the use of material non-public information; and (z) it will handle such material non-public information in accordance with Applicable Law.

**15.14. GOVERNING LAW. UNLESS EXPRESSLY PROVIDED IN ANY LOAN DOCUMENT, THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND FEDERAL LAWS RELATING TO NATIONAL BANKS.**

**15.15. Consent to Forum.**

15.15.1. Forum. EACH BORROWER HEREBY CONSENTS TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER NEW YORK COUNTY, THE STATE OF NEW YORK AND THE SOUTHERN DISTRICT OF NEW YORK IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO ANY LOAN DOCUMENTS, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH BORROWER IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS. WITHOUT PREJUDICE TO ANY OTHER MODE OF SERVICE, EACH BORROWER IRREVOCABLY APPOINTS CORPORATION SERVICE COMPANY AS ITS AGENT FOR SERVICE OF PROCESS IN THE STATE OF NEW YORK; EACH BORROWER AGREES THAT FAILURE BY ITS AGENT FOR SERVICE OF PROCESS TO NOTIFY SUCH BORROWER OF THE SERVICE OF PROCESS WILL NOT INVALIDATE THE PROCEEDINGS CONCERNED; AND EACH BORROWER CONSENTS TO THE SERVICE OF PROCESS RELATING TO ANY SUCH PROCEEDINGS BY THE MAILING OF COPIES THEREOF BY REGISTERED, CERTIFIED OR FIRST CLASS MAIL, POSTAGE PREPAID, TO SUCH BORROWER AT ITS ADDRESS SET FORTH HEREIN. A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by Applicable Law.

*Amended & Restated Loan Agreement (PF)*

15.15.2. Other Jurisdictions. Nothing herein shall limit the right of Administrative Agent or any Lender to bring proceedings against any Borrower in any other court, nor limit the right of any party to serve process in any other manner permitted by Applicable Law. Nothing in this Agreement shall be deemed to preclude enforcement by Agents of any judgment or order obtained in any forum or jurisdiction.

**15.16. Waivers by each Borrower**. To the fullest extent permitted by Applicable Law, each Borrower waives (a) the right to trial by jury (which Agents and each Lender hereby also waives) in any proceeding or dispute of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, documents, instruments, chattel paper and guaranties at any time held by any Agent on which any Borrower may in any way be liable, and hereby ratifies anything Agents may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agents to exercise any rights or remedies; (e) the benefit of all valuation, appraisal and exemption laws; (f) any claim against Agents or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Borrower acknowledges that the foregoing waivers are a material inducement to Administrative Agent and Lenders entering into this Agreement and that they are relying upon the foregoing in their dealings with Borrowers. Each Borrower has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

**15.17. Patriot Act Notice**. Each Lender that is subject to the Patriot Act and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Borrowers, which information includes the name and address of Borrowers and other information that will allow such Lender or Administrative Agent, as applicable, to identify Borrowers in accordance with the Patriot Act. Borrowers shall, promptly following a request by Administrative Agent or any Lender, provide all documentation and other information that Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

**15.18. NO ORAL AGREEMENT**. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

**15.19. AMENDMENT AND RESTATEMENT; NO NOVATION**. This A&R Agreement constitutes an amendment and restatement of the Original Loan Agreement, effective

On the A&R Effective Date, the loan facility described in the Original Loan Agreement shall be amended, supplemented, modified and restated in its entirety by the facility described herein, and all Obligations of Borrowers outstanding as of such A&R Effective Date shall be deemed to be Obligations under the Loan Facility, without any further action by any Person.

AMENDED & RESTATED CONTINUING GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HAT CF I Borrower LLC, a Delaware limited liability company ("Borrower HAT I"), HASI CF I Borrower LLC, a Delaware limited liability company ("Borrower HASI"), and HAT CF II Borrower LLC, a Delaware limited liability company ("Borrower HAT II"), and together with Borrower HAT I and Borrower HASI, collectively, the "Borrowers") by the lenders party to that certain Amended & Restated Loan Agreement (as defined in Annex A) from time to time, including without limitation Bank of America, N.A. (collectively the "Lender"), the undersigned Guarantors (each a "Guarantor" and collectively "Guarantors") hereby furnishes its guaranty of the Guaranteed Obligations (as hereinafter defined) as follows:

**1. Definitions.** Terms used herein shall have the meanings set forth on Annex A attached hereto. Terms used but not defined in this Guaranty shall have the meanings set forth in that certain Amended & Restated Loan Agreement (PF), dated as of August 12, 2014, by and among the Borrowers and Bank of America, N.A., as administrative agent (in such capacity, and including any permitted successors or assigns, the "Administrative Agent") and the Lenders (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Loan Agreement"), and the rules of construction set forth therein shall apply hereto.

**2. Guaranty.** The Guarantors, jointly and severally, hereby absolutely and unconditionally guarantee, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all existing and future indebtedness and liabilities (including without limitation the Obligations) of every kind, nature and character, direct or indirect, absolute or contingent, liquidated or unliquidated, voluntary or involuntary and whether for principal, interest, premiums, fees indemnities, damages, costs, expenses or otherwise, of the Obligors to the Secured Parties, whether associated with any credit or other financial accommodation made to or for the benefit of the Obligors by the Secured Parties or otherwise and whenever created, arising, evidenced or acquired (including all renewals, extensions, amendments, refinancings and other modifications thereof and all reasonable and documented, out of pocket third-party fees costs and expenses, including attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof), in each case, under and pursuant to the Loan Documents, and whether recovery upon such indebtedness and liabilities may be or hereafter become unenforceable or shall be an allowed or disallowed claim under any proceeding or case commenced by or against the Guarantor or any other Obligor under the Bankruptcy Code (Title 11, United States Code), any successor statute or any other liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief laws of the United States or other applicable jurisdictions from time to time in effect and affecting the rights of creditors generally (collectively, "Debtor Relief Laws"), and including interest that accrues after the commencement by or against any Obligor of any proceeding under any Debtor Relief Laws (collectively, the "Guaranteed Obligations"). The Lender's books and records showing the amount of the Guaranteed Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon the Guarantors and conclusive, absent manifest error, for the purpose of establishing the amount of the Guaranteed Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantors under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

*Amended & Restated Loan Agreement (PF)  
Amended & Restated Continuing Guaranty*

**3. No Setoff or Deductions; Taxes; Payments** Each Guarantor represents and warrants that it is organized and resident in the United States of America. The Guarantors shall make all payments hereunder in accordance with *Section 5.7* of the Loan Agreement which provisions shall be herein incorporated by reference *mutatis mutandis*. The obligations of each Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**4. Rights of Lender.** Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantors under this Guaranty or which, but for this provision, might operate as a discharge of one or more of the Guarantors.

**5. Certain Waivers.** Each Guarantor waives (a) any defense arising by reason of any disability or other defense of any Obligor or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Lender) of the liability of any Obligor; (b) any defense based on any claim that a Guarantor's obligations exceed or are more burdensome than those of the Obligors; (c) the benefit of any statute of limitations affecting any Guarantor's liability hereunder; (d) any right to require a Secured Party to proceed against one or more of the Borrowers or other Obligors, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in any Secured Party's power whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

**6. Obligations Independent.** The obligations of the Guarantors hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against a Guarantor to enforce this Guaranty whether or not the Obligors or any other person or entity is joined as a party.

**7. Subrogation.** No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been indefeasibly paid in cash and performed in full and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated. If any amounts are paid to a Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent, for the benefit of the Secured Parties to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

*Amended & Restated Loan Agreement (PF)*  
*Amended & Restated Continuing Guaranty*

**8. Termination; Reinstatement.** This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations, including without limitation, any amounts payable under this Guaranty, are indefeasibly paid in full in cash and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated, as evidenced by a Payoff Letter. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Obligors or any Guarantor is made, or any Lender exercises its right of setoff, in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the applicable Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

**9. Subordination.** Without in any way limiting the obligations of the Obligors under the Loan Documents, each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Obligors (other than another Guarantor, HAT Holdings I or HAT Holdings II) owing to the Guarantors, whether now existing or hereafter arising, including but not limited to any obligation of any Obligor (other than another Guarantor, HAT Holdings I or HAT Holdings II) to a Guarantor as subrogee of a Secured Party or resulting from a Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Guaranteed Obligations. If a Secured Party so requests, any such obligation or indebtedness of the Obligors (other than another Guarantor, HAT Holdings I or HAT Holdings II) to the Guarantors shall be enforced and performance received by the Guarantors as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Administrative Agent, for the benefit of the Secured Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of the Guarantors under this Guaranty. For the avoidance of doubt, this Section 9 shall not be deemed to apply to any Restricted Payment to a Guarantor to the extent that such Restricted Payment is permitted to be distributed to a Guarantor in accordance with the Loan Documents.

**10. Stay of Acceleration.** In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against any Guarantor or any Borrower Party under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Secured Parties.

**11. Expenses.** The Guarantors shall, jointly and severally, pay within ten (10) Business Days of request all reasonable and documented out-of-pocket third-party fees and expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the preservation, protection or enforcement of any rights of the Lender in any proceeding under any Debtor Relief Laws. The obligations of the Guarantors under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantors. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law

*Amended & Restated Loan Agreement (PF)  
Amended & Restated Continuing Guaranty*

or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Lender, Administrative Agent and the Guarantors in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantors for the benefit of any Secured Party or any term or provision thereof.

**13. Condition of Borrowers.** Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Obligors such information concerning the financial condition, business and operations of each Obligor as the Guarantors require, and that no Secured Party has any duty, and the Guarantors are not relying on any Secured Party at any time, to disclose to the Guarantors any information relating to the business, operations or financial condition of any Obligor or any other guarantor (the Guarantors waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

**14. Setoff.** If and to the extent any payment is not made when due hereunder, the Administrative Agent and each Lender is authorized, to the fullest extent permitted by Applicable Law, to set off and apply any and all accounts and deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by the Administrative Agent or such Lender to or for the credit or the account of a Guarantor, against any amount so due, whether or not such Lender shall have made any demand under any Loan Document and although such amount may be owed to a branch or office of the Administrative Agent or such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of Administrative Agent and the Lender under this Section 14 are in addition to other rights and remedies (including other rights of setoff) that such Person may have. The Administrative Agent and the Lenders agree to use reasonable efforts to notify the applicable Guarantor promptly after any such setoff and application; provided that (i) the failure to give such notice shall not affect the validity of such setoff and application and (ii) neither the Administrative Agent nor any Lender shall have any liability in the event of any failure to give such notice.

**15. Representations; Warranties and Covenants.**

(a) *General Representations and Warranties.* In order to induce the Agents and Lenders to enter into the Loan Agreement and to make each Advance to be made thereby, each Guarantor represents and warrants to each Agent and Lender, on the A&R Effective Date and each Credit Date (to the extent required under the Loan Documents), as applicable, that the following statements are true and correct:

**4. Rights of Lender.** The Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, the Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of the Guarantor.

**5. Certain Waivers.** The Guarantor waives (a) any defense arising by reason of any disability or other defense of any Obligor or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Lender) of the liability of any Obligor; (b) any defense based on any claim that the Guarantor’s obligations exceed or are more burdensome than those of the Obligors; (c) the benefit of any statute of limitations affecting the Guarantor’s liability hereunder; (d) any right to require a Secured Party to proceed against one or more of the Borrowers or other Obligors, proceed against or exhaust Party to any security for the Guaranteed Obligations, or pursue any other remedy in any Secured Party’s power whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that

The Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

**6. Obligations Independent.** The obligations of the Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against the Guarantor to enforce this Guaranty whether or not the Obligors or any other person or entity is joined as a party.

**7. Subrogation.** The Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been indefeasibly paid in cash and performed in full and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated. If any amounts are paid to the Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent, for the benefit of the Secured Parties to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

**8. Termination; Reinstatement.** This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations, including, without limitation, any other amounts payable under this Guaranty are indefeasibly paid in full in cash and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated, as evidenced by a letter agreement among the Guarantor and the Administrative Agent (the "Payoff Letter"). Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Obligors or the Guarantor is made, or any Lender exercises its right of setoff, in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the applicable Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty in accordance with the Payoff Letter.

**9. Subordination.** Without in any way limiting the obligations of the Obligors under the Loan Documents, the Guarantor hereby subordinates the payment of all obligations and indebtedness of the Obligors owing to the Guarantor, whether now existing or hereafter

arising, including but not limited to any obligation of any Obligor to a Guarantor as subrogee of a Secured Party or resulting from the Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Guaranteed Obligations. If a Secured Party so requests, any such obligation or indebtedness of the Obligors to the Guarantor shall be enforced and performance received by the Guarantor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Administrative Agent, for the benefit of the Secured Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of the Guarantor under this Guaranty. For the avoidance of doubt, this Section 9 shall not be deemed to apply to any Restricted Payment to the Guarantor to the extent that such Restricted Payment is permitted to be distributed to the Guarantor in accordance with the Loan Documents.

**10. Stay of Acceleration.** In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Guarantor or any Borrower Party under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantor immediately upon demand by the Secured Parties.

**11. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Lender, Administrative Agent and the Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantor for the benefit of any Secured Party or any term or provision thereof.

**13. Condition of Borrowers.** The Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Obligors such information concerning the financial condition, business and operations of each Obligor as the Guarantor requires, and that no Secured Party has any duty, and the Guarantor is not relying on any Secured Party at any time, to disclose to the Guarantor any information relating to the business, operations or financial condition of any Obligor or any other guarantor (the guarantors waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

The Administrative Agent and the Lenders agree to use reasonable efforts to notify the Guarantor promptly after such setoff and application; provided that (i) the failure to give such notice shall not affect the validity of such setoff and application and (ii) neither the Administrative Agent nor any Lender shall have any liability in the event of any failure to give such notice.

The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty in accordance with the Payoff Letter.

**17. Process Agent Appointment.** WITHOUT PREJUDICE TO ANY OTHER MODE OF SERVICE, THE GUARANTOR IRREVOCABLY APPOINTS CORPORATION SERVICES COMPANY AS ITS AGENT FOR SERVICE OF PROCESS IN THE STATE OF NEW YORK; THE GUARANTOR AGREES THAT FAILURE BY ITS AGENT FOR SERVICE OF PROCESS TO NOTIFY THE GUARANTOR OF THE SERVICE OF PROCESS WILL NOT INVALIDATE THE PROCEEDINGS CONCERNED; AND THE GUARANTOR CONSENTS TO THE SERVICE OF PROCESS RELATING TO ANY SUCH PROCEEDINGS BY MAILING OF COPIES THEREOF BY REGISTERED, CERTIFIED OR FIRST CLASS MAIL, POSTAGE PREPAID, TO SUCH GUARANTOR AT ITS ADDRESS SET FORTH HEREIN.

**18. GOVERNING LAW; Assignment; Jurisdiction; Notices.** THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. of the Administrative Agent and each Lender and their successors and assigns and Administrative Agent and each Lender may, without notice to the Guarantor and without affecting the Guarantor's obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part (subject to the terms of the Loan Agreement). The Guarantor hereby irrevocably (i) submits to the non-exclusive jurisdiction of any United States Federal or State court sitting in New York County, New York in any action or proceeding arising out of or relating to this Guaranty, and (ii) waives to the fullest extent permitted by law any defense asserting an inconvenient forum in connection therewith. Service of process by Administrative Agent or any other Secured Party in connection with such action or proceeding shall be binding on the Guarantor if sent to the Guarantor by registered or certified mail at its address specified below or such other address as from time to time notified by the Guarantor. The Guarantor agrees that Administrative Agent and each Lender may, subject to its obligations under *Section 15.13* of the Loan Agreement, disclose to any assignee of or participant in, or any prospective assignee of or participant in, any of its rights or obligations of all or part of the Guaranteed Obligations any and all information in the Administrative Agent's or such Lender's possession concerning the Guarantor, this Guaranty and any security for this Guaranty. All notices and other communications to the Guarantor under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the applicable Guarantor at its address set forth below or at such other address in the United States as may be specified by the Guarantor in a written notice delivered to the Administrative Agent at such office as the Administrative Agent may designate for such purpose from time to time in a written notice to the Guarantor.

**22. Severability.** Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

**23. Bankruptcy.** The Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or

proceeding under any Debtor Relief Laws (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of the Guarantor and beneficiaries that the Guaranteed Obligations which are guaranteed by the Guarantor pursuant hereto should be determined without regard to any rule of law or order which may relieve Obligors of any portion of such Guaranteed Obligations. The Guarantor will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person to pay Agent, or allow the claim of Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

## SECTION 2. CREDIT FACILITIES

### 2.1. Loans.

2.1.1. Subject to the terms and conditions hereof, including without limitation, Section 4.3, each Lender agrees to make, on or after the applicable Loan Availability Date pursuant to Section 4.1, one or more loans (each such loan, a "Loan" and collectively, the "Loans") to Borrowers up to an aggregate amount equal to the Commitments; provided that after giving effect to any Loan, (a) the aggregate Outstanding Amount of the Loans attributable to a Lender plus any Unfunded Financing Commitment Amount attributable to a Lender shall not exceed the lesser of (i) such Lender's Commitment at such time and (ii) such Lender's Applicable Percentage of the Borrowing Base at such time and (b) the Aggregate Usage shall not exceed the Borrowing Base at such time. In no event shall Lenders have any obligation to honor a request for a Loan if either (I) the Aggregate Usage at such time *plus* the requested Loan (including any Unfunded Financing Commitment Amount resulting from such Loan) would exceed the Borrowing Base or (II) the Borrowers have failed to comply with the Interest Service Coverage Ratio for the applicable Interest Coverage Calculation Period.

2.1.2. Within the limits of each Lender's Commitment, and subject to the other terms and conditions hereof, Borrowers may borrow under Section 4.1, prepay under Section 5.2.2, and re-borrow under Section 4.1. Subject to Sections 5.2.1 and 5.2.2, all amounts owed hereunder with respect to the outstanding principal amount of each Loan shall be paid in full no later than the Revolver Termination Date.

**2.2. Notes.** Loans and interest accruing thereon shall be evidenced by the accounts or records of Administrative Agent and the applicable Lender. As a condition precedent to the initial Advance under this Agreement and at any time thereafter if so requested by Administrative Agent (following a request therefore from a Lender) by written notice to Borrower Agent (with a copy to such Lender), Borrowers shall execute and deliver to the requesting Lender (with a copy to Administrative Agent) at least (2) Business Days prior to the applicable Credit Date for such Advance (or, if such notice is delivered after such Credit Date, promptly after receipt of such notice) a Borrower Note, which shall evidence the applicable Loan in the amount equal to the Maximum Loan Amount and shall be in addition to the accounts and records.

**2.3. Use of Proceeds.** The proceeds of each Advance shall be applied by Borrowers (a) to fund a portion of the Intercompany Loans made for the acquisition of Approved Financings, (b) to reimburse an Affiliate of Borrowers that funded the Origination Company in connection with its acquisition of an Underlying Financing, (c) to pay costs and expenses of Borrowers, in each case, in accordance with the terms in this Agreement and the other Loan Documents, and (d) to pay fees and transaction expenses associated with each Advance. No portion of the proceeds of any Advance shall be used (x) to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of any Advance, is the subject of Sanctions or in any manner that will result in a violation by any Person of Sanctions or (y) in any manner that causes or might cause such Advance or the application of such proceeds to violate Regulation T, Regulation U or Regulation X or any other applicable regulation thereof or to violate the Exchange Act.

*Amended & Restated Loan Agreement (G&I)*

2.4. [Reserved]

**2.5. Increase in Commitments.** Borrower Agent may request an increase in Commitments from time to time upon notice to Administrative Agent, as long as the requested increase is in a minimum amount of \$50,000,000 and is offered on the same terms as existing Commitments; provided that Administrative Agent may impose additional fees in connection with any increased Commitment. Administrative Agent may accept or reject any Borrower Agent request for an increase in Commitments in its sole and absolute discretion. If Administrative Agent is willing to increase the Commitments, Administrative Agent shall promptly notify Lenders of the requested increase and, within twenty (20) Business Days thereafter, each Lender shall notify Administrative Agent if and to what extent such Lender commits to increase its Commitment. Any Lender not responding within such period shall be deemed to have declined an increase. Administrative Agent may allocate, in its discretion, the increased Commitments among committing Lenders. Provided the conditions set forth in Section 6.2 or 6.3, as applicable, are satisfied, total Commitments shall be increased by the requested amount (or such lesser amount committed by Lenders) on a date agreed upon by Administrative Agent and Borrower Agent, but no later than forty-five (45) days following Borrowers' increase request. Administrative Agent, Borrowers, and new and existing Lenders shall execute and deliver such documents and agreements as Administrative Agent deems appropriate to evidence the increase in and allocations of Commitments. Borrowers shall pay all agreed-upon fees and transaction expenses associated with each increase in Commitments pursuant to this Section 2.5. On the effective date of an increase, all outstanding Loans and other exposures under the Commitments shall be reallocated among Lenders, and settled by Administrative Agent if necessary, in accordance with Lenders' adjusted shares of such Commitments.

**2.6. Termination or Reduction of Commitments.** On the earlier of (a) the Revolver Termination Date, (b) the date on which the aggregate principal amount of all Advances made under the Loan Facility (without regard to any prepayment or repayments hereunder) is equal to or greater than \$400,000,000 (the "Maximum Advance Limitation"), and (c) the occurrence of any event set forth in Sections 12.2.1(a) or (b) (the date of any such event, the "Commitment Termination Date") the Commitments shall be automatically and permanently reduced to zero (or with respect to clause (b) above reduced as set forth in the definition of Commitments) and no further Loans shall be made hereunder.

## SECTION 3. INTEREST, FEES AND CHARGES

### 3.1. Interest.

#### 3.1.1. Rates and Payment of Interest.

(a) Except as otherwise set forth herein, (i) each Eurodollar Rate Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof payable in arrears on each Payment Date at a rate of interest equal to the Eurodollar Rate for the applicable Interest Period plus the Margin and (ii) each Base Rate Loan made pursuant to Sections 3.5 or 3.6 shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or

*Amended & Restated Loan Agreement (G&I)*

otherwise) thereof at a rate of interest equal to the Base Rate in effect from time to time plus the Margin (in each case, the "Applicable Interest Rate"). In computing interest on any Loan, the date of the making of such Loan and the last Payment Date with respect to such Loan shall be included, and the date of payment of such Loan shall be excluded.

(b) During an Insolvency Proceeding with respect to any Borrower, or during any other Event of Default if Administrative Agent or Required Lenders in their discretion so elect, Obligations, including any interest payments on the Loans and any fees or other amounts outstanding hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate in lieu of the interest rate otherwise payable hereunder with respect to the applicable Loans, equal to the Eurodollar Rate for the applicable Interest Period plus a margin of 2.50% per annum (the "Default Rate"), payable on demand to Administrative Agent on behalf of Lender. Each Borrower acknowledges that the cost and expense to Administrative Agent and Lenders due to an Event of Default are difficult to ascertain and that the Default Rate is fair and reasonable compensation for this. For the avoidance of doubt, during the continuance of both an Insolvency Proceeding and an Event of Default referred to in the preceding sentence, the maximum additional interest under this clause (b) shall be limited to 2.50% per annum in excess of the Applicable Interest Rate (without giving effect to the "Margin" portion of such definition and calculation) otherwise payable hereunder with respect to the applicable Loans.

(c) Interest shall accrue from the date an Advance is made or Obligation is incurred or payable, until paid in full by Borrowers. If a Loan is repaid on the same day made, one day's interest shall accrue. Interest accrued on the Loans shall be due and payable by Borrowers in arrears, (i) on the tenth day of each calendar month during the term hereof (each a "Payment Date"); (ii) on any date of prepayment, with respect to the principal amount of Loans being prepaid; and (iii) on the Revolver Termination Date. All computations of interest for Base Rate Loans, shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Notwithstanding the foregoing, interest accrued at the Default Rate shall be due and payable on demand.

### 3.2. Fees.

3.2.1. Unused Line Fee. Borrowers shall pay to Administrative Agent, for the *pro rata* benefit of Lenders, a fee equal to the product of (x) the Unused Line Fee Rate divided by 360, multiplied by (y) the actual daily amount by which the Borrowing Base then in effect as of each such date pursuant to the terms of this Agreement exceeds the Outstanding Amount as of such date. Such fee shall accrue at all times during the term hereof, and shall be due and payable in arrears on each Payment Date and on the, last day of the term of this Agreement.

3.2.2. Administrative Fee. Borrowers shall pay to Administrative Agent, for its own account, an administrative management fee in the amount of \$33,500 per annum, payable in advance on the Loan Document Effective Date, and a like payment of \$33,500 due and payable on each annual anniversary of the Loan Document Effective Date during the term of this Agreement.

*Amended & Restated Loan Agreement (G&I)*

3.2.3. Commitment Documents. All fees set forth in the Engagement Letter, the Agent Commitment Document and the Placement Fee Letter shall be paid as and when due and as set forth in such Engagement Letter, Agent Commitment Document or Placement Fee Letter, including, without limitation, the Structuring Fee (as defined in the Engagement Letter) and the Placement Fee (as defined in the Placement Fee Letter).

**3.3. Computation of Interest, Fees.** Each determination by Administrative Agent of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate, refund or proration. All fees payable under Section 3.2 are compensation for services and are not, and shall not be deemed to be, interest or any other charge for the use, forbearance or detention of money. A certificate as to amounts payable by Borrowers under Sections 3.4 (other than Extraordinary Expenses), 3.6, 3.7, 3.9 or 5.7, submitted to Borrower Agent by Administrative Agent or the affected Lender, shall be final, conclusive and binding for all purposes, absent manifest error, and Borrowers shall pay such amounts to the appropriate party within ten (10) days following receipt of the certificate.

**3.4. Reimbursement Obligations.**

3.4.1. Extraordinary Expenses. Borrowers shall pay all Extraordinary Expenses. All amounts payable by Borrowers under this Section 3.4.1 shall be due and payable on demand.

3.4.2. Periodic Expenses. Borrowers shall reimburse Administrative Agent and each Lender for all reasonable and documented out-of-pocket, third-party, legal, accounting, appraisal, consulting, and other reasonable and documented, out-of-pocket, third-party fees, costs and expenses incurred by it in connection with (a) negotiation and preparation of any Loan Documents, including any amendment or other modification thereof; (b) administration of and actions relating to any Collateral, any Loan Document, any Advance (and the funding thereof), any Additional Collateral Event and any transactions contemplated thereby, including any actions taken to perfect or maintain priority of Administrative Agent's Liens on any Collateral, to maintain any insurance required under the Insurance Requirements or to verify Collateral, whether prepared by Administrative Agent's personnel or a third party; (c) subject to the limits of Section 11.1.3, each inspection, audit or appraisal with respect to any Obligor or Collateral; whether prepared by Administrative Agent's personnel or a third party (d) subject to Sections 3.4.3 and 7.1.3, the due diligence and approval of any Nominated Financing including any Nominated Financing that is declined by Administrative Agent for financing under this Agreement; and (e) administration of and actions relating to any Intercompany Document or Underlying Financing Document or any of the transactions contemplated thereby, including any actions taken to perfect or maintain priority of the applicable Borrower's Liens on any collateral securing any Intercompany Loan, to maintain any insurance required under any Intercompany Documents, or to verify any collateral securing any Intercompany Loan. All amounts payable by Borrowers under this Section 3.4.2 shall be due and payable as provided in Section 3.3.

*Amended & Restated Loan Agreement (G&I)*

3.4.3. **Specified Expenses.** Any fees, costs and expenses payable by Borrowers under Section 3.4.2 which are Specified Expenses shall be subject to a maximum fee expense payable by Borrowers in an amount to be agreed by Administrative Agent and Borrowers. All amounts payable by Borrowers under this Section 3.4.3 shall be due and payable as provided in Section 3.3.

**3.5. Illegality.** If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Borrowers through Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans shall be suspended, until such Lender notifies Administrative Agent and Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) Borrowers shall, at its option, either prepay all Eurodollar Rate Loans or convert, pursuant to written notice by Borrowers the Administrative Agent, all Eurodollar Rate Loans of such Lender to Base Rate Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate, Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**3.6. Inability to Determine Rates.** If in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof, (a) Administrative Agent determines that (i) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, or (ii) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (b) Required Lenders determine that for any reason the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the actual cost to such Lenders of funding such Loan, Administrative Agent will promptly so notify Borrowers and each Lender, together with information in reasonable detail to support such determination. Thereafter, (x) the obligation of Lenders to make or maintain Eurodollar Rate Loans shall be suspended (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until Administrative Agent (upon the instruction of Required Lenders) revokes such notice. Upon receipt of such notice, Borrowers may revoke in writing any pending request for an Advance of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for an Advance of Base Rate Loans in the amount specified therein.

*Amended & Restated Loan Agreement (G&I)*

### **3.7. Increased Costs: Reserves on Eurodollar Rate Loans.**

3.7.1. Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.7.5;

(b) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, and (B) Taxes described in clauses (a) through (d) of the definition of Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

3.7.2. Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

3.7.3. [Reserved]

3.7.4. Delay in Requests. Failure or delay on the part of any Lender or to demand compensation pursuant to the foregoing provisions of this Section 3.7 shall not constitute a waiver of such Lender's right to demand such compensation, provided that Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.7.4 for any increased costs incurred or reductions suffered more than nine (9)

*Amended & Restated Loan Agreement (G&I)*

months prior to the date that such Lender notifies Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

3.7.5. Reserves on Eurodollar Rate Loans. Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided Borrowers shall have received at least ten (10) days' prior notice (with a copy to Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

3.8. [Reserved]

**3.9. Funding Losses.**

3.9.1. Losses. Upon demand of any Lender (with a copy to Administrative Agent) from time to time, each Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by such Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by such Borrower; or

(c) any assignment of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by such Borrower pursuant to Section 14.4:

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding any loss of anticipated profit). Such Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

3.9.2. Loss Calculation. For purposes of calculating amounts payable by such Borrower to Lenders under this Section 3.9, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Applicable Interest Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

*Amended & Restated Loan Agreement (G&I)*

**3.10. Maximum Interest.** Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (as used in this Section 3.10, "Maximum Rate"). If Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Obligations or, if it exceeds such unpaid principal, refunded to Borrowers. In determining whether the interest contracted for, charged or received by Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest; (b) exclude Voluntary Prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

## **SECTION 4. LOAN ADMINISTRATION**

### **4.1. Notice of Borrowing.**

4.1.1. For each request for an Advance, Borrower Agent shall deliver to Administrative Agent a fully executed Notice of Borrowing at least five (5) Business Days prior to the requested Credit Date. Each Notice of Borrowing shall be irrevocable and shall specify and include (A) the amount of the Advance, which amount when aggregated with all other Advances in respect of the Approved Financing shall not exceed the BB Nominal Value for the Approved Financing in respect of which such Advance is being made (B) the requested Credit Date for such Advance, (C) a certification that all conditions precedent to an Advance have been (or as of the requested Credit Date will be) satisfied, (D) a Borrowing Base Certificate (which certificate must be dated no later than five (5) Business Days prior to the actual Credit Date for such Advance), (E) with respect to any Approved Subsequent Credit Date, the aggregate principal amount previously Advanced in respect of such Approved Financing, (F) the portion of the Advance, if any, that will be used by the Applicable Borrower Subsidiary to fund a draw request under a Delayed Draw Financing and (G) with respect to each Delayed Draw Financing, a true and complete copy of the request for borrowing delivered by the Underlying Borrower requesting that an advance be made under each such Delayed Draw Financing and its corresponding Underlying Financing Agreement. The Borrowers shall deliver a new Borrowing Base Certificate (replacing the certificate delivered with the Notice of Borrowing) to Administrative Agent if the requested Advance is not made by Lenders within five (5) Business Days after the date on which the Borrowing Base Certificate referred to in clause (D) above (or any replacement thereof) was delivered. Promptly upon receipt by Administrative Agent of such Notice of Borrowing, Administrative Agent shall notify Lenders of the requested borrowing and each Lender's Applicable Percentage thereof.

4.1.2. Each Lender shall make its Applicable Percentage of each Advance available to Administrative Agent not later than 12:00 p.m. (New York City time) on the applicable Credit Date, by wire transfer of same day funds in Dollars, at the Principal Office designated by Administrative Agent. Subject to the satisfaction or waiver of the applicable

*Amended & Restated Loan Agreement (G&I)*

conditions precedent specified in this Agreement, including without limitation, the conditions set forth in Section 2.1 and Section 4.3 and if applicable, the delivery of a new Borrowing Base Certificate pursuant to Section 4.1.1. Administrative Agent shall make the proceeds of each Loan available to Borrowers on the Credit Date requested by the Borrowers in the Notice of Borrowing, by causing an amount of same day funds in Dollars equal to the proceeds of such Loans received by Administrative Agent from Lenders to be credited to the Loan Proceeds Account (as defined in Depositary Agreement) at the Principal Office designated by Administrative Agent or to such other account as may be designated in writing to Administrative Agent by Borrower Agent.

4.1.3. Any disbursements of the Loan Facility must occur within the period beginning on the Loan Document Effective Date and ending on the Revolver Termination Date. The initial Advance or in respect of an Approved Additional Collateral Event, the inclusion of the Approved Financing in the Borrowing Base must occur during the Loan Availability Period for such Approved Financing. Borrower Agent may only request either (a) one (1) Advance or (b) one (1) Additional Collateral Event in any seven (7) day period.

#### **4.2. Defaulting Lender.**

4.2.1. Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(a) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 15.1.1.

(b) Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 12 or otherwise) or received by Administrative Agent from a Defaulting Lender pursuant to Section 12.4 shall be applied at such time or times as may be determined by Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; *second*, as Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; *third*, if so determined by Administrative Agent and Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrowers as a result of any judgment of a court of competent jurisdiction obtained by Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share,

*Amended & Restated Loan Agreement (G&I)*

and (y) such Loans were made at a time when the conditions set forth in Section 6.2 or Section 6.3, as applicable, were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 4.2.1(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) (i) Each Defaulting Lender shall be entitled to receive fees payable under Section 3.2.1 for any period during which that Lender is a Defaulting Lender only to extent allocable to the sum of the outstanding principal amount of the Loans funded or committed by it. (ii) With respect to any fee payable under Section 3.2.1 not required to be paid to any Defaulting Lender pursuant to clause (i) above, Borrowers shall not be required to pay the remaining amount of any such fee.

**4.2.2. Defaulting Lender Cure.** If Borrowers and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by Lenders in accordance with their Applicable Percentages, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

**4.3. Amount of Loans.** The aggregate principal amount of all Advances disbursed in connection with any one Approved Financing shall not be less than \$1,500,000 nor greater than \$40,000,000, or in such other amount as may be approved by Administrative Agent from time to time as set forth in a Underlying Financing Specification. In no event may the aggregate amount Advanced in respect of any one Approved Financing exceed the BB Nominal Value for such loan.

**4.4. Borrower Agent.** Each Borrower hereby designates Borrower HASI ("Borrower Agent") as its representative and agent for all purposes under the Loan Documents, including requests for Loans, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrower Materials, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with Administrative Agent or any Lender. Borrower Agent hereby accepts such appointment. Administrative Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. Administrative Agent and Lenders may give any notice or communication with

*Amended & Restated Loan Agreement (G&I)*

any Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of Administrative Agent and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Borrower Agent shall be binding upon and enforceable against it.

**4.5. One Obligation.** The Loans and other Obligations constitute one general obligation of Borrowers and are secured by Collateral Agent's Lien on all Collateral; provided, however, that each Agent and each Lender shall be deemed to be a creditor of, and the holder of a separate claim against, each Borrower to the extent of any Obligations jointly or severally owed to such Lender by such Borrower.

**4.6. Effect of Termination.** On the Revolver Termination Date, the Obligations shall be immediately due and payable. Until Full Payment of the Obligations, all undertakings of Borrowers contained in the Loan Documents shall continue, and Administrative Agent shall retain its Liens in the Collateral and all of its rights and remedies under the Loan Documents. No Agent shall be required to terminate its Liens unless it receives a written agreement, satisfactory to it, protecting Administrative Agent and Lenders from dishonor or return of any Payment Item previously applied to the Obligations. Sections 2.3, 3.4, 3.7, 3.9, 5.4, 5.7, 5.10.1, 5.10.2, 5.11, 13, 15.2, this Section 4.6, and each indemnity or waiver given by an Obligor or Lender in any Loan Document, shall survive Full Payment of the Obligations.

## SECTION 5. PAYMENTS

### 5.1. General Payment Provisions.

5.1.1. General. All payments to be made by Borrowers shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by Borrowers hereunder shall be made to Administrative Agent, for the account of the respective Lenders to which such payment is owed, at Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

5.1.2. Funding by Lenders; Presumption by Administrative Agent. Unless Administrative Agent shall have received notice from a Lender prior to the proposed date of any Advance of Eurodollar Rate Loans (or, in the case of any Advance of Base Rate Loans, prior to 12:00 noon on the date of such Advance) that such Lender will not make available to Administrative Agent such Lender's share of such Advance, Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.1.2 (or, in the case of an Advance of Base Rate Loans, that such Lender has made such share

*Amended & Restated Loan Agreement (G&I)*

available in accordance with and at the time required by Section 2.1.2) and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Advance available to Administrative Agent, then such Lender and Borrowers severally agree to pay to Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to Borrowers to but excluding the date of payment to Administrative Agent, at (a) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by Administrative Agent in connection with the foregoing, and (b) in the case of a payment to be made by Borrowers, the interest rate applicable to Base Rate Loans. If Borrowers and such Lender shall pay such interest to Administrative Agent for the same or an overlapping period, Administrative Agent shall promptly remit to each Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Advance to Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Advance. Any payment by Borrowers shall be without prejudice to any claim Borrowers may have against a Lender that shall have failed to make such payment to Administrative Agent.

5.1.3. Payments Accompanied by Interest. All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

5.1.4. Payments by Borrower; Presumptions by Administrative Agent. Unless Administrative Agent shall have received notice from Borrowers prior to the date on which any payment is due to Administrative Agent for the account of Lenders hereunder that Borrowers will not make such payment, Administrative Agent may assume that Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to Lenders the amount due. In such event, if Borrowers have not in fact made such payment, then each of Lenders severally agrees to repay to Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation. A notice from Administrative Agent to any Lender or Borrower Agents with respect to any amount owing under this Section 5.1.4 shall be conclusive, absent manifest error.

5.1.5. Failure to Satisfy Conditions Precedent. If any Lender makes available to Administrative Agent funds for any Advance to be made by such Lender as provided in the foregoing provisions of this Section 5, and such funds are not made available to Borrowers by Administrative Agent because the conditions to the applicable Advance set forth in Section 6.2 or Section 6.3, as applicable, are not satisfied or waived in accordance with the terms hereof, Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

*Amended & Restated Loan Agreement (G&I)*

5.1.6. Obligations of Lenders Several. The obligations of Lenders hereunder to make Loans and to make payments pursuant to Section 15.2.3 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 15.2.3 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 15.2.3.

5.1.7. Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

5.1.8. Consent to Charge of Borrower Collateral Accounts. Each Borrower hereby authorizes Administrative Agent to instruct Collateral Agent to, upon the failure by Borrowers to pay any amount due hereunder when the same becomes payable, instruct the Depository to, pursuant to the terms of Depository Agreement, charge Borrower Collateral Accounts in order to cause timely payment of such unpaid amounts to be made to Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

5.1.9. Priority. All payments received by any Borrower in connection with any Intercompany Loan shall be applied to Obligations in the same order of priority as set forth in Section 5.5.

5.1.10. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, such Lender receiving such greater proportion shall (a) notify Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 5.1.10 shall not be construed to apply to (i) any payment made by or on behalf of a Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than an assignment to a Borrower or its Related Borrower Subsidiary (as to which the provisions of this Section 5.1.10 shall apply).

*Amended & Restated Loan Agreement (G&I)*

5.1.11. Related Borrower Party Setoff: Counterclaim. Each Borrower, on behalf of itself and each Related Borrower Subsidiary, consents to the foregoing Section 5.1.10 and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to such foregoing arrangements may exercise against any Borrower Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower Party in the amount of such participation.

**5.2. Repayment of Loans.** The Outstanding Amount as well as all other amounts due and payable under the Loan Documents shall be due and payable on the Revolver Termination Date, unless payment is sooner required or accelerated hereunder in which case such Outstanding Amount shall be due and payable on such sooner or accelerated date.

5.2.1. Mandatory Prepayments.

(a) If on any date the Aggregate Usage exceeds the then applicable Borrowing Base (including if due to the exclusion of a Watched Loan from the calculation of the Borrowing Base pursuant to Section 9.1), Borrowers shall prepay the Loans in an amount sufficient to reduce the Aggregate Usage to the then applicable Borrowing Base amount as follows:

If on any date the Aggregate Usage:

(i) is greater than 105% of the current Borrowing Base amount as determined by reference to a Borrowing Base Certificate (the Initial Borrowing Base Certificate"), then Borrowers shall, no later than the earlier of (A) five (5) Business Days from either the Administrative Agent's written approval of the Initial Borrowing Base Certificate pursuant to Section 9.1.3 or its delivery of a revised certificate in response to the Initial Borrowing Base Certificate and (B) the first Business Day of the calendar month that immediately succeeds the month in which the Initial Borrowing Base Certificate was delivered to the Administrative Agent (the "Prepay Period") prepay the outstanding principal amount of the Loans in an amount necessary to reduce the Aggregate Usage to an amount less than or equal to 100% of such Borrowing Base amount; provided that Borrowers may request that an Approved Financing not previously included within the Initial Borrowing Base Certificate calculation, be added to the Borrowing Base as Eligible Collateral prior to the expiration of the Prepay Period. In the event that such Approved Financing if added to the Borrowing Base using an agreed BB Nominal Value and BB Adjusted Value, would cause the Borrowing Base to equal or exceed the Aggregate Usage, as evidenced by a new Borrowing Base Certificate that has been approved by Administrative Agent (the "Supplemental Borrowing Base Certificate"), and such new Approved Financing is subsequently added to the Borrowing Base (following the satisfaction of conditions precedent set forth in this Agreement including, without limitation Section 6.2) as an Approved Additional Collateral Event prior to the expiration of

*Amended & Restated Loan Agreement (G&I)*

the Prepay Period, the Borrowers will no longer be obligated to prepay the Loans as a result of the original over-advance; provided that if, following the approval of the Supplemental Borrowing Base Certificate and addition to the Borrowing Base of such new Approved Financing the Aggregate Usage would still exceed the Borrowing Base amount as determined pursuant to the Supplemental Borrowing Base Certificate, Administrative Agent may immediately thereafter apply any and all funds in the Borrower Collateral Accounts to prepay the Loans until such time (but in no event later than the expiration of the Prepay Period) as the Aggregate Usage is equal to or less than the Borrowing Base amount; provided further that, nothing herein shall relieve the Borrowers of their obligation to repay the Loans no later than the expiration of the Prepay Period if the inclusion of an Approved Financing and/or sweeping of the Borrower Collateral Accounts do not otherwise reduce the Aggregate Usage to an amount less than or equal to the Borrowing Base as determined by reference to the Initial Borrowing Base Certificate or the Supplemental Borrowing Base Certificate if an Approved Financing was added to the Borrowing Base prior to the end of the Prepay Period. To the extent the provisions of this Section 5.2.1(a)(i) are applicable, Borrowers shall indicate to Administrative Agent on each date a Borrowing Base Certificate is delivered whether Borrowers will elect to provide new Approved Financings or otherwise prepay the Loans; or

(ii) is greater than 100% but equal to or less than 105% of the then current Borrowing Base amount as determined by reference to the most recently delivered Borrowing Base Certificate, then, Borrowers shall cause all amounts on deposit in the Borrower Collateral Accounts to be applied on (I) the earlier of the (x) Payment Date immediately following the delivery of such Borrowing Base Certificate and (y) the date that is five (5) Business Days after the approval by the Administrative Agent of such Borrowing Base Certificate or Administrative Agents delivery of a revised certificate in response to such Borrowing Base Certificate and (II) on each Payment Date thereafter, in each case, to prepay the principal amount of the Loan Facility in accordance with the terms of the Depository Agreement until such time as the Aggregate Usage is equal to or less than 100% of the then current Borrowing Base amount,

(b) If the Interest Service Coverage Ratio as of the end of any Interest Coverage Calculation Period is less than the Interest Service Coverage Ratio Threshold for such Interest Coverage Calculation Period, Borrowers shall, no later than five (5) Business Days after the last day of such period, prepay the outstanding principal amount of the Loans in an amount sufficient to cause such Interest Service Coverage Ratio to be at least equal to such Interest Service Coverage Ratio Threshold, as evidenced by a new Borrowing Base Certificate that has been delivered by the Borrowers to Administrative Agent following such payment, and subsequently approved by Administrative Agent.

(c) All of the Loans shall become due and payable in full and the Borrowers shall repay all Loans in full immediately upon the consummation of a merger or consolidation of any Guarantor Party (as defined in the Guaranty) in accordance with Section 15(b)(xii)(A) of the Guaranty or an acquisition by any Guarantor Party (as defined in the Guaranty) in accordance with Section 15(b)(xiv)(A) of the Guaranty.

(d) Any such Mandatory Prepayment shall be applied as specified in Section 5.5.

*Amended & Restated Loan Agreement (G&I)*

5.2.2. Voluntary Prepayments.

(a) On any Payment Date, Borrowers may, at its option, prepay the Loans, together with accrued interest thereon, in whole or in part, without penalty or premium except as set forth in Section 3 (“Voluntary Prepayment”).

(b) All such Voluntary Prepayments shall be made upon not less than three (3) Business Days’ prior written or telephonic irrevocable notice given to Administrative Agent by 2:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed by delivery of written irrevocable notice thereof to Administrative Agent (and Administrative Agent will promptly transmit such original notice by facsimile or telephone to each Lender). Any such Voluntary Prepayment shall be applied as specified in Section 5.5.

**5.3. Payment of Other Obligations.** Obligations other than Loans and Extraordinary Expenses, shall be paid by Borrowers as provided in the Loan Documents or, if no payment date is specified on demand.

**5.4. Marshaling; Payments Set Aside.** None of Administrative Agent or Lenders shall be under any obligation to marshal any assets in favor of any Obligor or against any Obligations. If any payment by or on behalf of Borrowers is made to Administrative Agent or any Lender, or if Administrative Agent or any Lender exercises a right of setoff, and any of such payment or setoff is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Administrative Agent or a Lender in its discretion) to be repaid to a trustee, receiver or any other Person, then the Obligation originally intended to be satisfied, and all Liens, rights and remedies relating thereto, shall be revived and continued in full force and effect as if such payment or setoff had not occurred.

**5.5. Application and Allocation of Payments.**

5.5.1. Payments Generally. Payments made by Borrowers hereunder shall be applied in accordance with the terms of the Depositary Agreement.

5.5.2. Post-Default Allocation. During an Event of Default, monies to be applied to the Obligations, whether arising from payments by Obligors, realization on Collateral, setoff or otherwise, shall be allocated by Administrative Agent in its discretion.

5.5.3. Reduction of Principal. Notwithstanding anything to the contrary contained herein, the Outstanding Amount shall be reduced in connection with and in an amount equal to any Voluntary Prepayment or Mandatory Prepayment of the Loan.

*Amended & Restated Loan Agreement (G&I)*

5.5.4. Erroneous Application. Administrative Agent shall not be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Lender or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by a Secured Party, the Secured Party agrees to return it).

5.5.5. Account Stated. Administrative Agent shall maintain, in accordance with its customary practices, loan account(s) evidencing the Debt of Borrowers hereunder. Any failure of Administrative Agent to record anything in a loan account, or any error in doing so, shall not limit or otherwise affect the obligation of Borrowers to pay any amount owing hereunder. Entries made in a loan account shall constitute presumptive evidence of the information contained therein. If any information contained in a loan account is provided to or inspected by any Person, the information shall be conclusive and binding on such Person for all purposes absent manifest error, except to the extent such Person notifies Administrative Agent in writing within thirty (30) days after receipt or inspection, that specific information is subject to dispute.

5.5.6. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of Loans made by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then such Lender receiving such greater proportion shall (a) notify Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by all Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 5.5.6 shall not be construed to apply to any payment made by or on behalf of such Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender).

Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrowers' rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Borrower in the amount of such participation.

*Amended & Restated Loan Agreement (G&I)*

## **5.6. Evidence of Debt; Register; Lender's Books and Records**

5.6.1. Evidence of Debt. The Advances made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by Administrative Agent in the ordinary course of business. The accounts or records maintained by Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Advances made by Lenders to Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of Administrative Agent in respect of such matters, the accounts and records of Administrative Agent shall control in the absence of manifest error.

5.6.2. Register. Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at its Principal Office a register for the recordation of the names and addresses of each Lender and the Loans of each Lender from time to time (the "Register"). The Register shall be available for inspection by Borrowers or Lenders (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Loans in accordance with the provisions of this Section 5.6.2, and each repayment or prepayment in respect of the Outstanding Amount, and any such recordation shall be conclusive and binding on Borrowers and Lenders, absent manifest error; provided that failure to make any such recordation, or any error in such recordation, shall not affect any Borrower's Obligations in respect of any Loan. Each Borrower hereby designates Administrative Agent to serve as such Borrower's agent solely for purposes of maintaining the Register as provided in this Section 5.6.2, and each Borrower hereby agrees that, to the extent Administrative Agent serves in such capacity, Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute "Indemnitees."

## **5.7. Taxes.**

### **5.7.1. Payments Free of Taxes; Obligation to Withhold; Tax Payment**

(a) All payments of Obligations by Obligor shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If Applicable Law (as determined by Administrative Agent in its sole discretion exercised in good faith) requires the deduction or withholding of any Tax from any such payment by Administrative Agent or an Obligor, then Administrative Agent or such Obligor shall be entitled to make such deduction or withholding based on information and documentation provided pursuant to Section 5.8.2.

(b) If Administrative Agent or any Obligor is required by the Code to withhold or deduct Taxes, including backup withholding and withholding Taxes, from any payment, then (i) Administrative Agent shall pay the full amount that it determines is to be withheld or deducted to the relevant Governmental Authority pursuant to the Code, and (ii) to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(c) If Administrative Agent or any Obligor is required by any Applicable Law other than the Code to withhold or deduct Taxes from any payment, then (i) Administrative Agent or such Obligor, to the extent required by Applicable Law, shall timely pay the full amount to be withheld or deducted to the relevant Governmental Authority, and (ii) to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

*Amended & Restated Loan Agreement (G&I)*

5.7.2. Payment of Other Taxes. Without limiting the foregoing, Borrowers shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at Administrative Agent's option, timely reimburse Administrative Agent for payment of, any Other Taxes.

5.7.3. Tax Indemnification.

(a) Each Borrower shall indemnify and hold harmless each Recipient against any Indemnified Taxes (including those imposed or asserted on or attributable to amounts payable under this Section 5.7) payable or paid by a Recipient or required to be withheld or deducted from a payment to a Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Borrower shall indemnify and hold harmless Administrative Agent against any amount that a Lender fails for any reason to pay indefeasibly to Administrative Agent as required pursuant to this Section 5.7. Each Borrower shall make payment in accordance with Section 3.4 for any amount or liability payable under this Section 5.7. A certificate as to the amount of such payment or liability delivered to Borrower Agent by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of any Recipient, shall be conclusive absent manifest error.

(b) Each Lender shall indemnify and hold harmless, on a several basis, (i) Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent Borrowers have not already paid or reimbursed Administrative Agent therefor and without limiting Borrowers' obligation to do so), (ii) Administrative Agent and Obligors, as applicable, against any Taxes attributable to such Lender's failure to maintain a Participant register as required hereunder, and (iii) Administrative Agent and Obligors, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent or an Obligor in connection with any Obligations, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Lender shall make payment after demand for any amount or liability payable under this Section 5.7. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error.

*Amended & Restated Loan Agreement (G&I)*

5.7.4. Evidence of Payments. If Administrative Agent or an Obligor pays any Taxes pursuant to this Section 5.7, then upon request, Administrative Agent shall deliver to Borrower Agent or Borrower Agent shall deliver to Administrative Agent, respectively, a copy of a receipt issued by the appropriate Governmental Authority evidencing the payment, a copy of any return required by Applicable Law to report the payment, or other evidence of payment reasonably satisfactory to Administrative Agent or Borrower Agent, as applicable.

5.7.5. Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, nor have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of a Lender. If a Recipient determines in its discretion that it has received a refund of any Taxes as to which it has been indemnified by Borrowers or with respect to which Borrowers have paid additional amounts pursuant to this Section 5.7, it shall pay Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by Borrowers with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that Borrowers agree, upon request by the Recipient, to repay the amount paid over to Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient if the Recipient is required to repay such refund to the Governmental Authority. Notwithstanding anything herein to the contrary, no Recipient shall be required to pay any amount to Borrowers if such payment would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. In no event shall Administrative Agent or any Recipient be required to make its Tax returns (or any other information relating to its Taxes that it deems confidential) available to any Obligor or other Person.

5.7.6. Survival. Each party's obligations under this Section 5.7 and Section 5.8 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by or replacement of a Lender, the termination of the Commitments, and the repayment, satisfaction, discharge or Full Payment of any Obligations.

#### **5.8. Lender Tax Information.**

5.8.1. Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower Agent and Administrative Agent, at the time or times reasonably requested by Borrower Agent or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower Agent or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower Agent or Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by Borrower Agent or Administrative Agent as will enable Borrower Agent or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the

*Amended & Restated Loan Agreement (G&I)*

completion, execution and submission of such documentation (other than such documentation set forth in Section 5.8.2(a), (b) and (d) below) shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

5.8.2. Documentation. Without limiting the generality of the foregoing, if any Borrower is a U.S. Person:

(a) any Lender that is a U.S. Person shall deliver to Borrower Agent and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(b) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower Agent and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate in the form of Exhibit D-15A to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code ("U.S. Tax Compliance Certificate"), and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-15B or Exhibit D-15C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign

*Amended & Restated Loan Agreement (G&I)*

Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-15D on behalf of each such direct and indirect partner;

(c) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower Agent and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower Agent or Administrative Agent), executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit Borrower Agent or Administrative Agent to determine the withholding or deduction required to be made; and

(d) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower Agent and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower Agent or Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower Agent or Administrative Agent as may be necessary for Borrower Agent and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

5.8.3. Redelivery of Documentation. Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 5.8 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower Agent and Administrative Agent in writing of its legal inability to do so.

5.9. [Reserved]

#### **5.10. Mitigation Obligations; Replacement of Lenders**

5.10.1. Designation of a Different Lending Office. If any Lender (other than Bank of America) requests compensation under Section 3.7, or requires Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.7, or if any Lender gives a notice pursuant to Section 3.5, then at the request of Borrowers such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.7 or 5.7, as the case may be, in the future, or eliminate the need for

*Amended & Restated Loan Agreement (G&I)*

the notice pursuant to Section 3.5, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

5.10.2. Replacement of Lenders. If any Lender (other than Bank of America) requests compensation under Section 3.7, or if Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender (other than Bank of America) or any Governmental Authority for the account of any Lender (other than Bank of America) pursuant to Section 5.7 and, in each case, such Lender (other than Bank of America) has declined or is unable to designate a different Lending Office in accordance with Section 5.10.1, Borrowers may replace such Lender (other than Bank of America) in accordance with Section 14.4.

5.10.3. No Waiver. Notwithstanding anything in this Section 5.10, any replacement of an affected Lender shall not be deemed to be a waiver of any rights that any Borrower, any Agent or any other Lender shall have against such affected Lender.

5.10.4. Changes to Commitment. No amount of the applicable Commitment of any Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 5.10, performance by each Borrower of its obligations under this Agreement and the other Loan Documents shall not be excused or otherwise modified, as a result of any Default in the making of an Advance (a "Funding Default") or the operation of this Section 5.10. The rights and remedies against a Defaulting Lender under this Section 5.10 are in addition to other rights and remedies that each Borrower may have against such Defaulting Lender with respect to any Funding Default and that Administrative Agent or any Lender may have against such Defaulting Lender with respect to any Funding Default.

#### **5.11. Nature and Extent of Each Borrower's Liability**

5.11.1. Joint And Several Liability. Each Borrower agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to each Agent and Lenders the prompt payment and performance of, all Obligations and all agreements under the Loan Documents. Each Borrower agrees that its guaranty obligations hereunder constitute a continuing guaranty of payment and not of collection, that such obligations shall not be discharged until Full Payment of the Obligations, and that such obligations are absolute and unconditional, irrespective of (a) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Obligations or Loan Document, or any other document, instrument or agreement to which any Obligor is or may become a party or be bound; (b) the absence of any action to enforce this Agreement (including this Section 5.11) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Lender with respect thereto; (c) the existence, value or condition of, or failure to perfect a Lien or to preserve rights against, any security or guaranty for the Obligations or any action, or the absence of any action, by any Agent or any Lender in respect thereof (including the release of any security or guaranty); (d) the insolvency of any Obligor; (e) any election by any Agent or any Lender in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code; (f) any borrowing or grant of a Lien by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code or otherwise; (g) the disallowance of any

*Amended & Restated Loan Agreement (G&I)*

claims of Agent or any Lender against any Obligor for the repayment of any Obligations under Section 502 of the Bankruptcy Code or otherwise; or (h) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except Full Payment of all Obligations.

5.11.2. Waivers.

(a) Each Borrower expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agents or Lenders to marshal assets or to proceed against any Obligor, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Borrower. Each Borrower waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of all Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of any Obligations as long as it is a Borrower. It is agreed among each Borrower, Agents and Lenders that the provisions of this Section 5.11 are of the essence of the transaction contemplated by the Loan Documents and that, but for such provisions, Agents and Lenders would decline to make Loans. Each Borrower acknowledges that its guaranty pursuant to this Section 5.11 is necessary to the conduct and promotion of its business, and can be expected to benefit such business.

(b) Agents and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral or any Real Estate by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this Section 5.11. If, in taking any action in connection with the exercise of any rights or remedies, any Agent or any Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against any Borrower or other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, each Borrower consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that any Borrower might otherwise have had. Any election of remedies that results in denial or impairment of the right of any Agent or any Lender to seek a deficiency judgment against any Borrower shall not impair any other Borrower's obligation to pay the full amount of the Obligations. Each Borrower waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations, even though that election of remedies destroys such Borrower's rights of subrogation against any other Person. Agents may bid all or a portion of the Obligations at any foreclosure, trustee or other sale, including any private sale, and the amount of such bid need not be paid by Agents but shall be credited against the Obligations. The amount of the successful bid at any such sale, whether any Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this Section 5.11, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which any Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

*Amended & Restated Loan Agreement (G&I)*

5.11.3. Extent of Liability: Contribution

(a) Notwithstanding anything herein to the contrary, each Borrower's liability under this Section 5.11 shall be limited to the greater of (i) all amounts for which such Borrower is primarily liable, as described below, and (ii) such Borrower's Allocable Amount.

(b) If any Borrower makes a payment under this Section 5.11 of any Obligations (other than amounts for which such Borrower is primarily liable) (a "Guarantor Payment") that, taking into account all other Guarantor Payments previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Guarantor Payments in the same proportion that such Borrower's Allocable Amount bore to the total Allocable Amounts of all Borrowers, then such Borrower shall be entitled to receive contribution and indemnification payments from, and to be reimbursed by, the other Borrower for the amount of such excess, ratably based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment. The "Borrower Allocable Amount" for any Borrower shall be the maximum amount that could then be recovered from such Borrower under this Section 5.11 without rendering such payment voidable under any Fraudulent Transfer Law. No Borrower's guaranty hereunder shall extend to Obligations under a Hedging Agreement to the extent such guaranty would violate Applicable Law.

(c) Nothing contained in this Section 5.11 shall limit the liability of any Borrower to pay Loans made directly or indirectly to that Borrower (including Loans advanced to any other Borrower and then re-loaned or otherwise transferred to, or for the benefit of, such Borrower), and all accrued interest, fees, expenses and other related Obligations with respect thereto, for which such Borrower shall be primarily liable for all purposes hereunder. Agents and Lenders shall have the right, at any time in their discretion, to condition Loans upon a separate calculation of borrowing availability for each Borrower and to restrict the disbursement and use of such Loans to such Borrower.

5.11.4. Joint Enterprise. Each Borrower has requested that Agents and Lenders make this Loan Facility available to Borrowers on a combined basis, in order to finance Borrowers' business most efficiently and economically. Borrowers' business is a mutual and collective enterprise, and the successful operation of each Borrower is dependent upon the successful performance of the integrated group. Borrowers believe that extension of the Loan Facility will enhance the business of each Borrower and ease administration of the Loan Facility, all to their mutual advantage. Borrowers acknowledge that Agents' and Lenders' willingness to extend credit and to administer the Collateral on a combined basis hereunder is done solely as an accommodation to Borrowers and at Borrowers' request.

5.11.5. Subordination. Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of all Obligations.

**5.12. Fraudulent Transfer Laws**. Anything contained in this Agreement and the other Loan Documents to the contrary notwithstanding, the Obligations of Borrowers hereunder, solely

*Amended & Restated Loan Agreement (G&I)*

to the extent that such Borrower did not receive proceeds of Loans from any borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. § 548, or any applicable provisions of comparable state law (collectively, the "Fraudulent Transfer Laws"), in each case after giving effect to all other liabilities of Borrowers, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of Borrowers in respect of intercompany Debt to any other Obligor or Affiliates of any other Obligor to the extent that such Debt would be discharged in an amount equal to the amount paid by such Obligor hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of Borrowers pursuant to (i) Applicable Law or (ii) any agreement providing for an equitable allocation among an Obligor and other Affiliates of any Obligor of Obligations arising under guaranties by such parties.

**5.13. Subrogation.** Until the Obligations shall have been indefeasibly paid in full in Cash, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against any other Obligor. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against any other Obligor, and any collateral or security therefor, shall be junior and subordinate to any rights Collateral Agent may have against the other Obligor, or any such collateral or security (or the underlying assets therefor).

## **SECTION 6. CONDITIONS PRECEDENT**

Upon receipt of a Proposal Package, Administrative Agent may request additional documents or information that it reasonably determines is necessary for its review. If the Underlying Financing securing the Nominated Financing complies with the Underlying Financing Criteria (an "Eligible Nominated Financing"), Administrative Agent will, subject to Section 7.2.1, review and make a determination whether it approves or declines the financing of such Eligible Nominated Financing within 10 Business Days, subject to the extension set forth in this Section 7.1.1, after receipt of the complete Proposal Package for such Eligible Nominated Financing including all other documents or information reasonably requested by Administrative Agent in connection with its Approval Process (such 10 Business Day period, the "Decision Period"). Administrative Agent may, without notice, extend the Decision Period for a period of time up to ten (10) Business Days if Administrative Agent reasonably determines additional time is necessary to complete its review of such Eligible Nominated Financing due to the fact that the Underlying Borrower, Underlying Obligor or the type of Contract (as defined in Appendix 7) identified in the Proposal Package or the Underlying Financing Agreement in connection with the Underlying Project has not been previously reviewed and approved by Administrative Agent,

The Administrative Agent will review no more than five (5) Proposal Packages at any one time.

7.1.2. Proposed Underlying Financing. Borrower Agent may from time to time request financing of a Nominated Financing that does not meet the requirements of an Eligible Nominated Financing by delivering a written request to Administrative Agent (each, a "Proposed Nominated Financing"). The Borrowers agree that any such decision shall be in the sole discretion of Administrative Agent. If Administrative Agent agrees to review and diligence the Proposed Nominated Financing (such review at all times subject to Section 7.2.1), Borrower Agent shall present to Administrative Agent a complete Proposal Package, including all reports, documents and information specified on Appendix 2A, B or C, as applicable, and all other documents and information requested by Administrative Agent. Borrowers and Administrative Agent will thereafter agree as to the period of time Administrative Agent shall have to review and diligence such Proposal Package.

With respect to any Eligible Nominated Financing, Administrative Agent agrees to use reasonable efforts (i) to minimize duplication of due diligence review and analysis previously conducted by the Origination Company (including access to its third party consultants and experts) with respect to such Eligible Nominated Financing and (ii) to notify Borrower Agent if additional Agent Professionals will be retained by Administrative Agent for the review and analysis of such Eligible Nominated Financing.

## **7.2. Approval Process.**

7.2.1. Approval Required. The availability of the Commitment for any Nominated Financing shall be subject to due diligence, credit and other reviews and analysis by Administrative Agent and Agent Professionals and the written approval by Administrative Agent in its sole discretion (the "Approval Process"). Lenders' Commitment to finance any Approved Financing on the terms and conditions set forth in this Agreement shall automatically expire if neither the funding of the initial Advance nor the inclusion of the Approved Financing as part of the Borrowing Base (whether or not an Advance has been made) as a result of an Additional Collateral Event in respect of such Approved Financing occurs on or prior to the expiration of the Loan Availability Period.

7.2.3. Conditions Precedent. Each Advance and Additional Collateral Event with respect to an Approved Financing is subject to the satisfaction of each of the conditions precedent set forth in Section 6.2 or Section 6.3, as applicable.

7.2.4. Underlying Financing Specification. On or prior to the Credit Date for any Approved Financing, Borrower Agent shall execute and deliver to Administrative Agent an Underlying Financing Specification with respect to the Approved Financing, identifying the applicable Underlying Financing Documents, Underlying Financing Project Documents and the applicable Intercompany Documents and such other information set forth in Appendix 3. Upon execution and delivery of any Underlying Financing Specification by Administrative Agent, the Underlying Financing Specification shall form a part of this Agreement and each of the Loan Documents, Intercompany Documents, Underlying Financing Agreements, Underlying Financing Documents, Underlying Financing Project Documents, Material Underlying Financing Documents, Material Underlying Financing Participants and Material Underlying Financing Project Documents identified in such Underlying Financing Specification shall be deemed Loan Documents, Intercompany Documents, Underlying Financing Agreements, Underlying Financing Documents, Underlying Financing Project Documents, Material Underlying Financing Documents, Material Underlying Financing Participants and Material Underlying Financing Project Documents for purposes of this Agreement. ## SECTION 9. COLLATERAL ADMINISTRATION

### 9.1. Borrowing Base Certificates.

9.1.1. Borrowing Base Certificate. Borrowers shall calculate Borrowing Base and Availability and deliver to Administrative Agent (and Administrative Agent shall promptly deliver same to Lenders) a Borrowing Base Certificate (a) no later than five (5) days following the last day of each calendar month during the term hereof (a "Payment Date Borrowing Base Certificate"), showing valuations as of the close of business of the last day of the calendar month just ended, (b) within three (3) Business Days of any event or circumstance in which an Approved Financing has become a Zero Value Approved Financing, showing valuations as of the date such Approved Financing became a Zero Value Approved Financing, (c) within three (3) Business Days following any other demand by Administrative Agent (which may be requested up to one (1) time per week), showing valuations as of the date of demand, (d) on the date on which any Notice of Borrowing is delivered or as otherwise required pursuant to Section 4.1.1., showing valuations as of a date not more than five (5) Business Days earlier than the actual date of Advance, (e) within three (3) Business Days after any Removal Date, or (f) upon Borrowers' request for an Additional Collateral Event, showing valuations as of a date not more than five (5) Business Days prior to the actual inclusion of such Approved Financing in the Borrowing Base. Each Borrowing Base Certificate shall include a valuation of the Approved Financings taking into account the benefit of any Permitted Interest Rate Hedge Agreement pursuant to a methodology to be agreed among Administrative Agent and Borrowers at the time such Permitted Interest Rate Hedge Agreement is entered into.

9.1.2. Certificate Requirements. Each Borrowing Base Certificate shall:

(a) describe (i) for each Approved Financing, the name of each Underlying Borrower, Underlying Obligor and the Underlying Financing; (ii) the activity on each Approved Financing since the date of the last Borrowing Base Certificate delivered to Administrative Agent, including the beginning balance of each Underlying Financing, cash flows (including payments, accrued interest and other adjustments) of each Underlying Borrower and the ending balance of each Underlying Financing; (iii) the anticipated cash flows from each Approved Financing for the current period; (iv) the Applicable Valuation Percentage of each Approved Financing; (v) the proposed principal balance of each proposed Intercompany Note together with the principal balance of all previously issued Intercompany Notes; (vi) with respect to each Delayed Draw Financing, the Delayed Draw Commitment Amount, the Additional DD Amount, the Scheduled DD Amount, the Pre-Joining Amount, the Scheduled Pre-Joining Amount, and the Unfunded Financing Commitment Amount, in each case, for such Delayed Draw Financing; (vii) the then Borrowing Base, Aggregate Usage and Availability calculations for the Loans both before and after giving effect to any requested Advance and (viii) the aggregate principal amount, if any, required to be pre-paid by the Borrowers to the Lenders based on any such calculation as well as, in the case of the Payment Date Borrowing Base Certificate, the amount of excess cash, if any, in the Revenue Account (as defined in the Depositary Agreement) that would be available for transfer to the Distribution Account (as defined in the Depositary Agreement) as of the date of such certificate;

*Amended & Restated Loan Agreement (G&I)*

(b) identify any Approved Financing (i) that is subject to a default under its corresponding Underlying Financing Documents as a result of the failure by any Underlying Borrower or any other obligor to make any payment when due under the terms of such Underlying Financing Agreement or any other Underlying Financing Documents, following the expiration of any grace or cure period expressly permitted for such default in such Underlying Financing Agreement; (ii) that is subject to a bankruptcy default as a result of an Insolvency Proceeding; (iii) that is subject to any Deteriorating Credit Condition or (iv) where an Other Material Underlying Event has occurred (any Approved Financing described in clauses (i) through (iv) above, a “Watched Loan”). Administrative Agent may in its discretion designate any Approved Financing as a Watched Loan to the extent Administrative Agent reasonably believes such Approved Financing is subject to any of the events set forth in the definition of “Watched Loans”;

(c) include a reconciliation of the activity under the Loan Facility since the most recently delivered Borrowing Base Certificate, including any Advances, any payments of principal or interest made under this Agreement;

(d) in connection with each Payment Date Borrowing Base Certificate, include as part of such certificate a true, correct and complete: list of all Approved Financings as of such Payment Date; and

(e) with respect to a Payment Date Borrowing Base Certificate, include a certification that the Borrowers are in compliance with the Interest Service Coverage Ratio Threshold as of the end of the applicable Interest Coverage Calculation Period and include all calculations and information supporting such certification.

#### 9.1.3. Borrowing Base Calculations

(a) Upon receipt of each fully executed and completed Borrowing Base Certificate, certified by the Borrower Agent in a certificate signed by an Authorized Officer of the Borrower Agent, Administrative Agent shall, not later than five (5) Business Days after receipt thereof, review and provide written notice to Borrower Agent of either (i) its approval of the Borrowing Base Certificate, or (ii) its (A) disapproval of any Eligible Collateral proposed to be included in the Borrowing Base, (B) disapproval of any portion of any information, calculation or determination set forth in the Borrowing Base Certificate, together in each case with a description in reasonable detail of the reasons therefor, including with respect to any Watched Loan, (C) adjustment to Borrowers’ calculation of Borrowing Base or Availability as a result of an adjustment to the Applicable Valuation Percentage of a Watched Loan; (D) disapproval to the extent the calculation is not made in accordance with this Agreement or the Borrowing Base Certificate or (E) rejection of the characterization of an Approved Financing as a Delinquent U.S. Federal Government Contract.

(b) Each Borrower and Administrative Agent will negotiate in good faith to adjust the Applicable Valuation Percentage of each Watched Loan, and any such adjustment shall be applied to the Borrowing Base, except as set forth in the immediately succeeding sentence, effective as of the next succeeding Payment Date Borrowing Base Certificate or, if sooner, a Borrowing Base Certificate delivered pursuant to Section 9.1.1(c). Any Approved

*Amended & Restated Loan Agreement (G&I)*

Financing that becomes a Zero Value Approved Financing shall immediately have its Applicable Valuation Percentage reduced to 0% and the Borrowers shall deliver a revised Borrowing Base Certificate reflecting the adjusted valuation of the Eligible Collateral resulting from such reduction in accordance with Section 9.1.1(b); provided that if the Borrowers believe that an Approved Financing that would otherwise constitute a Zero Value Approved Financing satisfies the conditions set forth in clause (A) of the first sentence of the definition of Delinquent U.S. Federal Government Contract, Borrowers shall notify the Administrative Agent of such fact. If the Administrative Agent agrees in writing with the Borrowers that such Approved Financing is a Delinquent U.S. Federal Government Contract, the Applicable Valuation Percentage of such Approved Financing will not be immediately reduced to zero but will instead be reduced in accordance with the timeline set forth in the second sentence of the definition of Delinquent U.S. Federal Government Contract. Each such Applicable Valuation Percentage will be applied to the Borrowing Base Certificate and any valuations contained therein as set forth in such second sentence of such definition. If the Administrative Agent, acting reasonably, does not agree that such Approved Financing qualifies as a Delinquent U.S. Federal Government Contract, the Applicable Value Percentage for such loan shall be immediately reduced to 0% and treated as a Zero Value Approved Financing and the Borrowers shall deliver a revised Borrowing Base Certificate reflecting such reduction and revised Borrowing Base calculation in accordance with Section 9.1.1.

(c) The adjusted Borrowing Base calculation and corresponding valuations made by Administrative Agent pursuant to Section 9.1.3 shall be binding absent manifest error on the Borrowers; provided that Borrowers shall have the right, at their cost and expense, to request, on not more than three occasions annually, a valuation of a Watched Loan by an Independent Appraiser and the Midpoint Valuation of such Watched Loan shall be binding.

(d) Any notice delivered by Administrative Agent to Borrower Agent pursuant to Section 9.1.3(a)(ii)(C) or 9.1.3(b) adjusting the Applicable Valuation Percentage, or any component of any of the foregoing shall be deemed, without further act by any party hereto, to be an amendment to the related Underlying Financing Specification.

(e) With respect to any Approved Financing that has become a Watched Loan as a result of the occurrence of an Other Material Underlying Event described in any of clauses (iv) through (viii) of the definition thereof, if either (I) such Approved Financing has not been Resolved prior to the sixtieth (60<sup>th</sup>) day following such occurrence or (II) the Administrative Agent has otherwise notified the Borrowers in writing that such financing must be removed from the Borrowing Base and released from the Collateral (such sixtieth day or the date of receipt of such notice by any Borrower, "Removal Date"), then Borrowers shall not later than three (3) Business Days after such Removal Date cause such Approved Financing to be sold to another Person other than a Borrower Party, HA LLC, HAT Holdings I or HAT Holdings II; provided that and for the avoidance of doubt, any such sale of such Approved Financing may be to a Subsidiary of HA LLC, HAT Holdings I or HAT Holdings II (other than a Borrower Party). Upon request thereof from a Borrower Party, the Administrative Agent will take all actions reasonably necessary to approve and release any such transaction. Such Approved Financing shall be disregarded for purposes of calculating the Borrowing Base from and after the Removal Date. Borrowers shall deliver a new Borrowing Base Certificate to the Administrative Agent no later than three (3) Business Days after the Removal Date calculating the Borrowing Base as of such date without regard to such Approved Financing.

*Amended & Restated Loan Agreement (G&I)*

9.1.4. Interest Rate Hedge Agreements. If (x) the Aggregate Usage is over 100% of the current Borrowing Base amount as determined by reference to a Borrowing Base Certificate, and (y) no Borrower has obtained an Interest Rate Hedge Agreement prior to Administrative Agent's approval of the Borrowing Base, Administrative Agent shall have the option to provide such Interest Rate Hedge Agreement, on terms and conditions that reasonably reflect market pricing and terms for such Interest Rate Hedge Agreements and that are otherwise satisfactory to Administrative Agent.

9.1.5. Release of Collateral.

(a) If a Payment Date Borrowing Base Certificate is approved by Administrative Agent pursuant to Section 9.1.3(a)(i) and such approved certificate indicates that the Aggregate Usage is less than the Borrowing Base and that the Borrowers are in compliance with the Interest Service Coverage Ratio Threshold at such time, Borrowers may request (each such request, a "Collateral Release Request") in writing that Collateral Agent release its Lien on one or more Approved Financings (a "Collateral Release").

(b) Any such Collateral Release Request shall be subject to the following conditions:

(i) simultaneously with the delivery of the Collateral Release Request, Borrowers shall deliver a pro forma Borrowing Base Certificate demonstrating that no mandatory prepayment of the Loans pursuant to Section 5.2.1 or otherwise will be required as a result of the Collateral Release and Administrative Agent shall have approved such certificate;

(ii) simultaneously with the delivery of the Collateral Release Request, Borrowers shall certify in writing that such Collateral Release will not result in a Default or Event of Default; and

(iii) no Default or Event of Default shall have occurred and be continuing as of the date of the Collateral Release Request (unless the purpose of such Collateral Release is to cure any such Default or Event of Default) and as of the date of, and after giving effect to, the Collateral Release.

(c) In the event that each of the conditions set forth in clauses (a) and (b) above have been satisfied as determined by Administrative Agent, Administrative Agent, Collateral Agent and Borrowers shall promptly thereafter enter into definitive documentation (in form and substance reasonably satisfactory to each such party) giving effect to the Collateral Release.

9.2.2. Taxes. If a Receivable of any Borrower includes a charge for any Taxes, each Agent is authorized, in its discretion, to pay the amount thereof to the proper taxing authority for the account of such Borrower and to charge such Borrower therefor; provided, however, that neither Agents nor Lenders shall be liable for any Taxes that may be due from any Borrower or with respect to any Collateral.

9.2.3. Account Verification. Administrative Agent shall have the right at any time, in the name of Administrative Agent, any designee of Administrative Agent, or any Borrower, to verify the validity, amount or any other matter relating to any Receivables of any Borrower by mail, telephone or otherwise. The Administrative Agent shall use reasonable efforts to notify the Borrower Agent of such action, and each Borrower Party shall cooperate fully with Administrative Agent in an effort to facilitate and promptly conclude any such verification process.

9.2.4. Maintenance of Borrower Collateral Accounts. Each Borrower shall and shall cause each Related Borrower Subsidiary to maintain, or cause to be maintained, in full force and effect the Borrower Collateral Accounts subject to the Depositary Agreement. Each Borrower shall ensure and take all necessary steps to ensure that all payments of Receivables or otherwise relating to Collateral are made directly to the Revenue Account (as defined in the Depositary Agreement), or such other Borrower Collateral Account identified in writing by Administrative Agent to Borrower Agent. If any Borrower receives cash or Payment Items with respect to any Collateral, it shall hold same in trust in favor of Collateral Agent for the benefit of the Secured Parties and promptly (not later than the next Business Day) deposit same into the Borrower Collateral Account or such other identified in writing by Administrative Agent to Borrower Agent.

**9.3. Administration of Deposit Accounts**. Schedule 9.3 sets forth all Deposit Accounts maintained by Borrowers as of the A&R Effective Date, as the same may be supplemented, modified, amended, restated or replaced from time to time. *Amended & Restated Loan Agreement (G&I)*

**12.4. Setoff.** At any time during an Event of Default, Administrative Agent, Lenders, and any of their Affiliates are authorized, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by Administrative Agent, such Lender or such Affiliate to or for the credit or the account of an Obligor against any Obligations, whether or not Administrative Agent, such Lender or such Affiliate shall have made any demand under any Loan Document and although such Obligations may be contingent or unmatured or are owed to a branch or office of Administrative Agent, such Lender or such Affiliate different from the branch or office holding such deposit or obligated on such indebtedness. The rights of Administrative Agent, each Lender and each such Affiliate under this Section 12.4 are in addition to other rights and remedies (including other rights of setoff) that such Person may have. Administrative Agent and each Lender agrees to use reasonable efforts to notify the Borrower Agent and Administrative Agent promptly after any such setoff and application; provided, however, that (i) the failure to give such notice shall not affect the validity of such setoff and (ii) neither the Administrative Agent nor any Lender shall have any liability in the event of any failure to give such notice.

**12.5. Remedies Cumulative; No Waiver.**

12.5.1. Cumulative Rights. All agreements, warranties, guaranties, indemnities and other undertakings of Obligors under the Loan Documents are cumulative and not in derogation of each other. The rights and remedies of Agents and Lenders under the Loan Documents are cumulative, may be exercised at any time and from time to time, concurrently or in any order, and are not exclusive of any other rights or remedies available by agreement, by law, at equity or otherwise. All such rights and remedies shall continue in full force and effect until Full Payment of all Obligations.

12.5.2. Waivers. No waiver or course of dealing shall be established by (a) the failure or delay of any Agent or any Lender to require strict performance by any Obligor under any Loan Document, or to exercise any rights or remedies with respect to Collateral or otherwise; (b) the making of any Loan during a Default, Event of Default or other failure to satisfy any conditions precedent; or (c) acceptance by any Agent or any Lender of any payment or performance by an Obligor under any Loan Documents in a manner other than that specified therein. Any failure to satisfy a financial covenant on a measurement date shall not be cured or remedied by satisfaction of such covenant on a subsequent date.

**SECTION 13. AGENT**

**13.1. Appointment and Authority.** Each of Lenders hereby irrevocably appoints Bank of America to act on its behalf as Administrative Agent hereunder and under the other Loan Documents and authorizes Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 13 are solely for the benefit of Administrative Agent and Lenders and neither Borrowers nor any other Obligor shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to Administrative Agent is not

*Amended & Restated Loan Agreement (G&I)*

intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

### **13.2. Exculpatory Provisions.**

13.2.1. No Duty. Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that Administrative Agent is required to exercise as directed in writing by Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose Administrative Agent to liability or that is contrary to any Loan Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

13.2.2. Required Lenders. Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of Required Lenders (or such other number or percentage of Lenders as shall be necessary, or as Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 15.1 and 12.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to Administrative Agent by Borrowers or a Lender.

13.2.3. Reliance. Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Administrative Agent.

*Amended & Restated Loan Agreement (G&I)*

**13.3. Reliance by Administrative Agent.** Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, Administrative Agent may presume that such condition is satisfactory to such Lender unless Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Administrative Agent may consult with legal counsel (who may be counsel for Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**13.4. Delegation of Duties.** Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 13 shall apply to any such sub-agent and to the Related Parties of Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non appealable judgment that Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

**13.5. Resignation of Administrative Agent.**

13.5.1. Resignation. Administrative Agent may at any time give notice of its resignation to Lenders and Borrowers; provided that Bank of America will not resign as Administrative Agent unless otherwise required by law or in order to comply with regulatory requirements applicable to it; provided, further, that any successor to Bank of America by merger or acquisition of stock shall continue to be Administrative Agent hereunder without further act on the part of any Secured Party or Obligor. Upon receipt of any such notice of resignation, Required Lenders shall have the right, in consultation with Borrowers, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

*Amended & Restated Loan Agreement (G&I)*

13.5.2. **Removal.** If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, Required Lenders may, to the extent permitted by Applicable Law, by notice in writing to Borrower Agent and such Person remove such Person as Administrative Agent and, in consultation with Borrowers, appoint a successor. If no such successor shall have been so appointed by Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

13.5.3. **Effect of Resignation or Removal.** With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 5.7.6 and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 13.5). The fees payable by Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrowers and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Section 13 and Section 15.2 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

**13.6. Non-Reliance on Administrative Agent and Other Lenders** Each Lender acknowledges that it has, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon any Loan Document or any related agreement or any document furnished hereunder or thereunder.

*Amended & Restated Loan Agreement (G&I)*

**13.7. No Other Duties, Etc.** Anything herein to the contrary notwithstanding, none of the Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as Administrative Agent, Collateral Agent, or a Lender hereunder.

**13.8. Administrative Agent May File Proofs of Claim.**

13.8.1. Authorization. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Borrower or Guarantor, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and Advances of Lenders and Administrative Agent and their respective agents and counsel and all other amounts due Lenders and Administrative Agent under Sections 3.2, 3.4 and 15.2) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 3.2, 3.4 and 15.2.

13.8.2. No Reorganization Authorization. Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

**13.9. Collateral and Guaranty Matters.**

13.9.1. Further Authorization. Without limiting the provisions of Section 13.8, Lenders irrevocably authorize Administrative Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by Administrative Agent under any Loan Document (i) upon Commitment Termination Date and payment in full of all Obligations (other than contingent indemnification obligations), (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection

*Amended & Restated Loan Agreement (G&I)*

with any sale or other disposition permitted hereunder or under any other Loan Document, or (iii) subject to Section 15.1, if approved, authorized or ratified in writing by Required Lenders; and

(b) to subordinate any Lien on any property granted to or held by Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 11.2.2.

13.9.2. Confirmation of Release Authority. Upon request by Administrative Agent at any time, Required Lenders will confirm in writing Administrative Agent's authority to release or subordinate its interest in particular types or items of property pursuant to this Section 13.9.

13.9.3. Reliance. Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of Administrative Agent's Lien thereon, or any certificate prepared by any Borrower or Guarantor in connection therewith, nor shall Administrative Agent be responsible or liable to Lenders for any failure to monitor or maintain any portion of the Collateral.

#### **SECTION 14. BENEFIT OF AGREEMENT; ASSIGNMENTS**

**14.1. Successors and Assigns**. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 14.3 or (ii) by way of participation in accordance with the provisions of Section 14.2 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 14.2 and, to the extent expressly contemplated hereby, the Related Parties of each of Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

#### **14.2. Participations**

14.2.1. Participations. Any Lender may at any time, without the consent of, or notice to, Borrowers or Administrative Agent, sell participations to any Person (other than a natural Person, a Defaulting Lender or Borrowers or any of Borrowers' Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) Borrowers, Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 15.2.3 without regard to the existence of any participation.

*Amended & Restated Loan Agreement (G&I)*

14.2.2. Participation Instruments. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 15.1.1 that affects such Participant. Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.7, 3.9 and 5.7 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 14.3 (it being understood that the documentation required under Section 5.8 shall be delivered to Lender who sells the participation) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 14.3; provided that such Participant (A) agrees to be subject to the provisions of Sections 5.10, 14.4 and 15.13 as if it were an assignee pursuant to Section 14.3 and (B) shall not be entitled to receive any greater payment under Sections 3.7, 3.9 and 5.7, with respect to any participation, than Lender from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrowers' request and expense, to use reasonable efforts to cooperate with Borrowers to effectuate the provisions of Section 5.10.1 or 5.10.2, with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.4 as though it were a Lender; provided that such Participant agrees to be subject to Section 5.1.10 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

14.2.3. Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Borrower Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

*Amended & Restated Loan Agreement (G&I)*

### 14.3. Assignments.

14.3.1. Permitted Assignments. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under the Loan Documents (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(a) the aggregate amount of the Commitments retained by Bank of America, N.A., as Lender, is at least 50.1% of all Commitments

(b)

(i) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in clause (ii) below in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund administered or managed by a Lender or an Affiliate of a Lender, no minimum amount need be assigned; and

(ii) in any case not described in clause (i) above, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 unless each of Administrative Agent and, so long as no Event of Default has occurred and is continuing, Borrower Agent otherwise consents (such consent not to be unreasonably withheld or delayed).

(c) Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(d) No consent shall be required for any assignment except to the extent required by clause (b)(ii) above and, in addition:

(i) the consent of Borrower Agent (such consent not to be unreasonably withheld or delayed) required pursuant to clause (b)(ii) above shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within five (5) Business Days after having received notice thereof; and provided, further, that consent of Borrower Agent shall not be required during the primary syndication of the credit facility provided herein; and

(ii) the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund administered or managed by a Lender or an Affiliate of a Lender.

*Amended & Restated Loan Agreement (G&I)*

(e) The parties to each assignment shall execute and deliver to Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire.

(f) No such assignment shall be made (i) to any Borrower or any Affiliate or Subsidiary of any Borrower, (ii) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (ii), or (iii) to a natural Person.

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or other compensating actions, including funding, with the consent of Borrower Agent and Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause (g), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

14.3.2. Accession; Survival. Subject to acceptance and recording thereof by Administrative Agent pursuant to Section 14.3.3, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.7, 3.9, 5.7, 5.10.1, 5.10.2 and 15.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, Borrowers (at their expense) shall execute and deliver a Borrower Note(s) to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this

*Amended & Restated Loan Agreement (G&I)*

Agreement that does not comply with this Section 14.3.2 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 14.2.

14.3.3. Register. Administrative Agent, acting solely for this purpose as an agent of Borrowers (and such agency being solely for tax purposes), shall maintain at Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and the Register. The entries in the Register shall be conclusive absent manifest error, and Borrowers, Administrative Agent and Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

#### **14.4. Replacement of Certain Lenders.**

14.4.1. Replacement. If Borrowers are entitled to replace a Lender pursuant to the provisions of Section 5.10, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then Borrower Agent may, at its sole expense and effort, upon notice to such Lender and Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 14.1), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.7 and 5.7) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) Borrower shall have paid to Administrative Agent the assignment fee (if any) specified in Section 14.1;

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.9) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 5.7 or payments required to be made pursuant to Section 3.7, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with Applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

14.4.2. No Assignment for Waiver. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Borrower to require such assignment and delegation cease to apply.

*Amended & Restated Loan Agreement (G&I)*

**SECTION 15. MISCELLANEOUS**

**15.1. Consents, Amendments and Waivers.**

15.1.1. Amendment. No amendment or waiver of any provision of any Loan Document, and no consent to any departure by any Borrower or any other Obligor therefrom, shall be effective unless in writing signed by Required Lenders and each Borrower or the applicable Obligor, as the case may be, and acknowledged by Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) waive any condition set forth in Section 6, without the written consent of each Lender;

(b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 12.2) without the written consent of such Lender;

(c) postpone or extend any date fixed by or any Loan Document for any payment (including Mandatory Prepayments) of principal, interest, fees or other amounts due to Lenders (or any of them) hereunder or under any other Loan Document or postpone or extend any scheduled Commitment reduction without the written consent of each Lender directly affected thereby;

(d) reduce the principal of, or the rate of interest specified herein on, any Loan or (subject to clause (ii) of the proviso to this clause (d)) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender entitled to such amount; provided, however, that only the consent of Required Lenders shall be necessary (i) to amend the definition of "Default Rate" or to waive any obligation of any Borrower to pay interest at the Default Rate or (ii) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest on any Loan or to reduce any fee payable hereunder;

(e) change Section 5.5.2 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(f) change any provision of this Section 15.1 or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

(g) release all or substantially all of the Collateral or substantially all of the value of the Guaranty, in each case, without the written consent of each Lender; or

(h) without the prior written consent of Required Lenders, change the definition of the terms "Availability" or "Borrowing Base" or any component definition used

*Amended & Restated Loan Agreement (G&I)*

therein if, as a result thereof, the amounts available to be borrowed by Borrowers would be increased; provided that the foregoing shall not limit the discretion of Administrative Agent to add new Approved Financings to the Borrowing Base as provided herein;

and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by Administrative Agent in addition to Lenders required above, affect the rights or duties of Administrative Agent under any Loan Document; and (ii) the Agent Commitment Document may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

15.1.2. Limitations. The agreement of any Borrower shall not be required for any modification of a Loan Document that deals solely with the rights and duties of Lenders and Administrative Agent as among themselves. Any waiver or consent granted by Administrative Agent or Lenders hereunder shall be effective only if in writing and only for the matter specified.

15.1.3. Payment for Consents. Each Borrower shall not, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a pro rata basis to all Lenders providing their consent.

## **15.2. Expenses; Indemnity; Damage Waiver.**

### 15.2.1. [Reserved]

15.2.2. Borrowers shall indemnify the Indemnitees against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees incurred by any Indemnitee or asserted against any Indemnitee by any Person (including Borrowers and other Obligor) other than such Indemnitee and its Related Parties arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 5.7), (ii) any Loan or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or

from any property owned or operated by any Obligor or any of its Subsidiaries, or any Environmental Notice related in any way to Borrowers or other Obligor, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Obligor, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by any Borrower or any other Obligor against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if Borrowers or any other Obligor has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. Without limiting the provisions of Section 5.7, this Section 15.2.2 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

15.2.3. To the extent that Borrowers for any reason fail to indefeasibly pay any amount required under Section 3.4 or 15.2.2 to be paid by it to Administrative Agent (or any sub-agent thereof) or any of its Related Parties, each Lender severally agrees to pay to Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the aggregate Outstanding Amount at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lenders' Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), provided, further that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against Administrative Agent (or any such sub-agent) or against any Related Party acting for Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of Lenders under this Section 15.2.3 are subject to the provisions of Section 5.1.6.

15.2.4. To the fullest extent permitted by Applicable Law, Borrowers shall not assert, and hereby waive, and acknowledge that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in Section 15.2.2 above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

15.2.5. All amounts due under this Section 15.2 shall be payable not later than ten (10) Business Days after demand therefor.

*Amended & Restated Loan Agreement (G&I)*

15.2.6. The agreements in this Section 15.2 and the indemnity provisions herein shall survive the resignation of Administrative Agent, the replacement of any Lender, the termination of the aggregate Outstanding Amount and Commitments and the repayment, satisfaction or discharge of all the other Obligations.

### **15.3. Notices and Communications.**

15.3.1. Notice Address. All notices and other communications by or to a party hereto shall be in writing and shall be given to any Borrower, at Borrower Agent's address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Loan Document Effective Date, at the address shown on its Assignment and Assumption), or at such other address as a party may hereafter specify by notice in accordance with this Section 15.3. Each communication shall be effective only (a) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (b) if given by mail, three (3) Business Days after deposit in the U.S. mail, with first-class postage pre-paid, addressed to the applicable address; or (c) if given by Personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to Agent pursuant to Sections 2.5, 3.5, 3.7, 3.9, 4.1, 5.2, 5.7, 5.10.1, 11.1.1, 13.2 and 14.3 shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower Agent shall be deemed received by all Borrowers.

15.3.2. Electronic Communications; Voice Mail. Electronic mail and internet websites may be used only for routine communications, such as delivery of Borrower Materials, administrative matters, and distribution of Loan Documents. Administrative Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

15.3.3. Platform. Borrowers hereby acknowledge that (a) Administrative Agent may, but shall not be obligated to, make available to Lenders the Borrower Materials by posting the Borrower Materials on Debt Domain, IntraLinks, Syndtrak or another similar electronic system (the "Platform") and (b) certain of Lenders (each, a "Public Lender") may have personnel who do not wish to receive material non-public information with respect to Borrowers or their Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons' securities. Borrowers hereby agree that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials "PUBLIC," Borrowers shall be deemed to have authorized Administrative Agent and Lenders to treat such Borrower Materials as not containing any material non-public information with respect to Borrowers or their securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 15.13); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information;" and (z) Administrative Agent shall be entitled to

*Amended & Restated Loan Agreement (G&I)*

treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information." THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Borrowers, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of Borrowers', any other Obligor's or Administrative Agent's transmission of Borrower Materials through the Internet; except to the extent that a court of competent jurisdiction by final and non-appealable judgment has determined that such losses, claims, damages, liabilities or expenses arising out of Administrative Agent's transmission of Borrower Materials resulted from the gross negligence or willful misconduct of such Agent Party.

15.3.4. Non-Conforming Communications. Agents and Lenders may rely upon any communications purportedly given by or on behalf of any Borrower even if they were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Each Borrower shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any electronic or telephonic communication purportedly given by or on behalf of a Borrower.

15.4. Performance of Borrowers' Obligations. Each Agent may, in its discretion at any time and from time to time, at Borrowers' expense, pay any amount or do any act required of a Borrower under any Loan Documents or otherwise lawfully and reasonably requested by Administrative Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity or priority of Collateral Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of any Agent under this Section 15.4 shall be reimbursed to such Agent by Borrowers on demand, with interest from the date incurred until paid in full, at the Default Rate applicable to Loans. Any payment made or action taken by Agents under this Section 15.4 shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

15.5. Credit Inquiries. Administrative Agent and Lenders may (but shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor.

15.6. Severability. Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

*Amended & Restated Loan Agreement (G&I)*

**15.7. Cumulative Effect; Conflict of Terms.** The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several limitations or measurements to regulate similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

**15.8. Counterparts; Execution.** Any Loan Document may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when Administrative Agent has received counterparts bearing the signatures of all parties hereto. Delivery of a signature page of any Loan Document by telecopy or other electronic means shall be effective as delivery of a manually executed counterpart of such agreement.

**15.9. Electronic Execution of Assignments and Certain Other Documents.** The words “execute,” “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**15.10. Entire Agreement.** Time is of the essence with respect to all Loan Documents and Obligations. The Loan Documents constitute the entire agreement, and supersede all prior understandings and agreements, among the parties relating to the subject matter thereof.

**15.11. Relationship with Lenders.** The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt. It shall not be necessary for Administrative Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of Administrative Agent, Lenders or any other Secured Party pursuant to the Loan Documents or otherwise shall be deemed to constitute Administrative Agent and any Secured Party to be a partnership, joint venture or similar arrangement, nor to constitute control of any Obligor.

**15.12. No Advisory or Fiduciary Responsibility.** In connection with all aspects of each transaction contemplated by any Loan Document, Borrowers and each Obligor acknowledge and agree, and acknowledges their respective Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and

*Amended & Restated Loan Agreement (G&I)*

Lenders are arm's-length commercial transactions between Borrowers and their respective Affiliates, on the one hand, and the Agents and Lenders, on the other hand, (B) each of Borrowers have consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) Borrowers are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents and each Lender are and have been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Borrowers or any of their respective Affiliates, or any other Person and (B) neither the Agents nor any Lender have any obligation to Borrowers or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents and Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Borrowers and their respective Affiliates, and neither the Agents nor any Lender have any obligation to disclose any of such interests to Borrowers or any of their respective Affiliates. To the fullest extent permitted by law, each Borrower hereby waives and releases any claims that it may have against the Agents or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

**15.13. Confidentiality.** Each of Agents and Lenders shall maintain the confidentiality of all Information, except that Information may be disclosed (except and to the extent restricted by any letter agreement entered into on the date hereof) (a) to its Affiliates, and to its and their partners, directors, officers, employees, agents, advisors and representatives (provided such Persons are informed of the confidential nature of the Information and instructed to keep it confidential); (b) to the extent requested by any governmental, regulatory or self-regulatory authority purporting to have jurisdiction over it or its Affiliates; (c) to the extent required by Applicable Law or by any subpoena or other legal process; (d) to any other party hereto; (e) in connection with any action or proceeding relating to any Loan Documents or Obligations; (f) subject to an agreement containing provisions substantially the same as this Section 15.13, to any transferee or any actual or prospective party (or its advisors) to any swap, derivative or other transaction under which payments are to be made by reference to an Obligor or an Obligor's obligations; (g) with the consent of Borrower Agent; or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 15.13 or (ii) is available to any Agent, any Lender or any of their Affiliates on a non-confidential basis from a source other than Borrowers. Notwithstanding the foregoing, Administrative Agent and Lenders may publish or disseminate general information (but not details concerning individual Underlying Financings) concerning this credit facility for league table, tombstone and advertising purposes, and may use any Borrower's logos, trademarks or product photographs in advertising materials. As used herein, "Information" means all information received from an Obligor or Underlying Borrower or Underlying Obligor relating to it or its business that is not identified as being Public when delivered. Any Person required to maintain the confidentiality of Information pursuant to this Section 15.13 shall be deemed to have complied if it exercises a degree of care similar to that which it accords its own confidential information. Each of Agents and Lenders acknowledges that (x) Information may include material non-public information; (y) it has developed compliance procedures regarding the use of material non-public information; and (z) it will handle such material non-public information in accordance with Applicable Law.

*Amended & Restated Loan Agreement (G&I)*

**15.14. GOVERNING LAW.** UNLESS EXPRESSLY PROVIDED IN ANY LOAN DOCUMENT, THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND FEDERAL LAWS RELATING TO NATIONAL BANKS.

**15.15. Consent to Forum.**

15.15.1. Forum. EACH BORROWER HEREBY CONSENTS TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER NEW YORK COUNTY, THE STATE OF NEW YORK AND THE SOUTHERN DISTRICT OF NEW YORK IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO ANY LOAN DOCUMENTS, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH BORROWER IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS. WITHOUT PREJUDICE TO ANY OTHER MODE OF SERVICE, EACH BORROWER IRREVOCABLY APPOINTS CORPORATION SERVICE COMPANY AS ITS AGENT FOR SERVICE OF PROCESS IN THE STATE OF NEW YORK; EACH BORROWER AGREES THAT FAILURE BY ITS AGENT FOR SERVICE OF PROCESS TO NOTIFY SUCH BORROWER OF THE SERVICE OF PROCESS WILL NOT INVALIDATE THE PROCEEDINGS CONCERNED; AND EACH BORROWER CONSENTS TO THE SERVICE OF PROCESS RELATING TO ANY SUCH PROCEEDINGS BY THE MAILING OF COPIES THEREOF BY REGISTERED, CERTIFIED OR FIRST CLASS MAIL, POSTAGE PREPAID, TO SUCH BORROWER AT ITS ADDRESS SET FORTH HEREIN. A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by Applicable Law.

15.15.2. Other Jurisdictions. Nothing herein shall limit the right of Administrative Agent or any Lender to bring proceedings against any Borrower in any other court, nor limit the right of any party to serve process in any other manner permitted by Applicable Law. Nothing in this Agreement shall be deemed to preclude enforcement by Agents of any judgment or order obtained in any forum or jurisdiction.

**15.16. Waivers by each Borrower.** To the fullest extent permitted by Applicable Law, each Borrower waives (a) the right to trial by jury (which Agents and each Lender hereby also waives) in any proceeding or dispute of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, documents, instruments, chattel paper and

guaranties at any time held by any Agent on which any Borrower may in any way be liable, and hereby ratifies anything Agents may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agents to exercise any rights or remedies; (e) the benefit of all valuation, appraisal and exemption laws; (f) any claim against Agents or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Borrower acknowledges that the foregoing waivers are a material inducement to Administrative Agent and Lenders entering into this Agreement and that they are relying upon the foregoing in their dealings with Borrowers. Each Borrower has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

**15.17. Patriot Act Notice.** Each Lender that is subject to the Patriot Act and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Borrowers, which information includes the name and address of Borrowers and other information that will allow such Lender or Administrative Agent, as applicable, to identify Borrowers in accordance with the Patriot Act. Borrowers shall, promptly following a request by Administrative Agent or any Lender, provide all documentation and other information that Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Patriot Act.

**15.18. NO ORAL AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.**

**15.19. AMENDMENT AND RESTATEMENT; NO NOVATION.** This A&R Agreement constitutes an amendment and restatement of the Original Loan Agreement, effective from and after the A&R Effective Date. The execution and delivery of this A&R Agreement shall not constitute a novation of any Obligation, indebtedness or other obligations owing to the Secured Parties under the Original Loan Agreement based on facts or events occurring or existing prior to the execution and delivery of this A&R Agreement. On the A&R Effective Date, the loan facility described in the Original Loan Agreement shall be amended, supplemented, modified and restated in its entirety by the facility described herein, and all Obligations of Borrowers outstanding as of such A&R Effective Date shall be deemed to be Obligations under the Loan Facility, without any further action by any Person.

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HAT CF I Borrower LLC, a Delaware limited liability company ("Borrower HAT I"), HAT CF I Borrower LLC, a Delaware limited liability company ("Borrower HASI"), and HAT CF II Borrower LLC, a Delaware limited liability company ("Borrower HAT II"), and together with Borrower HAT I and Borrower HASI, collectively, the "Borrowers") by the lenders party to that certain Amended & Restated Loan Agreement (as defined in Annex A) from time to time, including without limitation Bank of America, N.A. (collectively the "Lender"), the undersigned Guarantors (each a "Guarantor" and collectively "Guarantors") hereby furnishes its guaranty of the Guaranteed Obligations (as hereinafter defined) as follows:

**1. Definitions.** Terms used herein shall have the meanings set forth on Annex A attached hereto. Terms used but not defined in this Guaranty shall have the meanings set forth in that certain Amended & Restated Loan Agreement (G&I), dated as of August 12, 2014, by and among the Borrowers and Bank of America, N.A., as administrative agent (in such capacity, and including any permitted successors or assigns, the "Administrative Agent") and the Lenders (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Loan Agreement"), and the rules of construction set forth therein shall apply hereto.

**2. Guaranty.** The Guarantors, jointly and severally, hereby absolutely and unconditionally guarantee, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all existing and future indebtedness and liabilities (including without limitation the Obligations) of every kind, nature and character, direct or indirect, absolute or contingent, liquidated or unliquidated, voluntary or involuntary and whether for principal, interest, premiums, fees indemnities, damages, costs, expenses or otherwise, of the Obligors to the Secured Parties, whether associated with any credit or other financial accommodation made to or for the benefit of the Obligors by the Secured Parties or otherwise and whenever created, arising, evidenced or acquired (including all renewals, extensions, amendments, refinancings and other modifications thereof and all reasonable and documented, out of pocket third-party fees costs and expenses, including attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof), in each case, under and pursuant to the Loan Documents, and whether recovery upon such indebtedness and liabilities may be or hereafter become unenforceable or shall be an allowed or disallowed claim under any proceeding or case commenced by or against the Guarantor or any other Obligor under the Bankruptcy Code (Title 11, United States Code), any successor statute or any other liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief laws of the United States or other applicable jurisdictions from time to time in effect and affecting the rights of creditors generally (collectively, "Debtor Relief Laws"), and including interest that accrues after the commencement by or against any Obligor of any proceeding under any Debtor Relief Laws (collectively, the "Guaranteed Obligations"). The Lender's books and records showing the amount of the Guaranteed Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon the Guarantors and conclusive, absent manifest error, for the purpose of establishing the amount of the Guaranteed Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantors under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

*Amended & Restated Loan Agreement (G&I)  
Amended & Restated Continuing Guaranty*

**3. No Setoff or Deductions; Taxes; Payments** Each Guarantor represents and warrants that it is organized and resident in the United States of America. The Guarantors shall make all payments hereunder in accordance with *Section 5.7* of the Loan Agreement which provisions shall be herein incorporated by reference *mutatis mutandis*. The obligations of each Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**4. Rights of Lender.** Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantors under this Guaranty or which, but for this provision, might operate as a discharge of one or more of the Guarantors.

**5. Certain Waivers.** Each Guarantor waives (a) any defense arising by reason of any disability or other defense of any Obligor or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Lender) of the liability of any Obligor; (b) any defense based on any claim that a Guarantor's obligations exceed or are more burdensome than those of the Obligors; (c) the benefit of any statute of limitations affecting any Guarantor's liability hereunder; (d) any right to require a Secured Party to proceed against one or more of the Borrowers or other Obligors, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in any Secured Party's power whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

**6. Obligations Independent.** The obligations of the Guarantors hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against a Guarantor to enforce this Guaranty whether or not the Obligors or any other person or entity is joined as a party.

**7. Subrogation.** No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been indefeasibly paid in cash and performed in full and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated. If any amounts are paid to a Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent, for the benefit of the Secured Parties to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

**8. Termination; Reinstatement.** This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations, including without limitation, any amounts payable under this Guaranty, are indefeasibly paid in full in cash and any commitments of the Lender or facilities provided by the Lender with respect to the Guaranteed Obligations are terminated, as evidenced by a Payoff Letter. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Obligors or any Guarantor is made, or any Lender exercises its right of setoff, in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the applicable Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

**9. Subordination.** Without in any way limiting the obligations of the Obligors under the Loan Documents, each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Obligors (other than another Guarantor, HAT Holdings I or HAT Holdings II) owing to the Guarantors, whether now existing or hereafter arising, including but not limited to any obligation of any Obligor (other than another Guarantor, HAT Holdings I or HAT Holdings II) to a Guarantor as subrogee of a Secured Party or resulting from a Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Guaranteed Obligations. If a Secured Party so requests, any such obligation or indebtedness of the Obligors (other than another Guarantor, HAT Holdings I or HAT Holdings II) to the Guarantors shall be enforced and performance received by the Guarantors as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Administrative Agent, for the benefit of the Secured Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of the Guarantors under this Guaranty. For the avoidance of doubt, this Section 9 shall not be deemed to apply to any Restricted Payment to a Guarantor to the extent that such Restricted Payment is permitted to be distributed to a Guarantor in accordance with the Loan Documents.

**10. Stay of Acceleration.** In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against any Guarantor or any Borrower Party under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Secured Parties.

**11. Expenses.** The Guarantors shall, jointly and severally, pay within ten (10) Business Days of request all reasonable and documented out-of-pocket third-party fees and expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the preservation, protection or enforcement of any rights of the Lender in any proceeding under any Debtor Relief Laws. The obligations of the Guarantors under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantors. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or

remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Lender, Administrative Agent and the Guarantors in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantors for the benefit of any Secured Party or any term or provision thereof.

**13. Condition of Borrowers.** Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Obligors such information concerning the financial condition, business and operations of each Obligor as the Guarantors require, and that no Secured Party has any duty, and the Guarantors are not relying on any Secured Party at any time, to disclose to the Guarantors any information relating to the business, operations or financial condition of any Obligor or any other guarantor (the Guarantors waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

**14. Setoff.** If and to the extent any payment is not made when due hereunder, the Administrative Agent and each Lender is authorized, to the fullest extent permitted by Applicable Law, to set off and apply any and all accounts and deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by the Administrative Agent or such Lender to or for the credit or the account of a Guarantor, against any amount so due, whether or not such Lender shall have made any demand under any Loan Document and although such amount may be owed to a branch or office of the Administrative Agent or such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of Administrative Agent and the Lender under this Section 14 are in addition to other rights and remedies (including other rights of setoff) that such Person may have. The Administrative Agent and the Lenders agree to use reasonable efforts to notify the applicable Guarantor promptly after any such setoff and application; provided that (i) the failure to give such notice shall not affect the validity of such setoff and application and (ii) neither the Administrative Agent nor any Lender shall have any liability in the event of any failure to give such notice.

**15. Representations; Warranties and Covenants.**

(a) *General Representations and Warranties.* In order to induce the Agents and Lenders to enter into the Loan Agreement and to make each Advance to be made thereby, each Guarantor represents and warrants to each Agent and Lender, on the A&R Effective Date and each Credit Date (to the extent required under the Loan Documents), as applicable, that the following statements are true and correct:

The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. **23. Bankruptcy.** The Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding under any Debtor Relief Laws (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of the Guarantor and beneficiaries that the Guaranteed Obligations which are guaranteed by the Guarantor pursuant hereto should be determined without regard to any rule of law or order which may relieve Obligors of any portion of such Guaranteed Obligations. **6. Obligations Independent.** The obligations of the Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against the Guarantor to enforce this Guaranty whether or not the Obligors or any other person or entity is joined as a party.

**7. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty in accordance with the Payoff Letter.

**9. Subordination.** Without in any way limiting the obligations of the Obligors under the Loan Documents, the Guarantor hereby subordinates the payment of all obligations and indebtedness of the Obligors owing to the Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of any Obligor to a Guarantor as subrogee of a Secured Party or resulting from the Guarantor's performance under this Guaranty, to the

If a Secured Party so requests, any such obligation or indebtedness of the Obligors to the Guarantor shall be enforced and performance received by the Guarantor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Administrative Agent, for the benefit of the Secured Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of the Guarantor under this Guaranty. For the avoidance of doubt, this Section 9 shall not be deemed to apply to any Restricted Payment to the Guarantor to the extent that such Restricted Payment is permitted to be distributed to the Guarantor in accordance with the Loan Documents.

**10. Stay of Acceleration.** In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Guarantor or any Borrower Party under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantor immediately upon demand by the Secured Parties.

**11. Expenses.** The Guarantor shall pay within ten (10) Business Days of request all reasonable and documented out-of-pocket fees and expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the preservation, protection or enforcement of any rights of the Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

**12. Miscellaneous.** No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by any Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Lender, Administrative Agent and the Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantor for the benefit of any Secured Party or any term or provision thereof.

The rights of Administrative Agent and the Lender under this Section 14 are in addition to other rights and remedies (including other rights of setoff) that such Person may have. The Administrative Agent and the Lenders agree to use reasonable efforts to notify the Guarantor promptly after such setoff and application; provided that (i) the failure to give such notice shall not affect the validity of such setoff and application and (ii) neither the Administrative Agent nor any Lender shall have any liability in the event of any failure to give such notice.

#### 4.04 Special Provisions Relating to Certain Collateral

##### (a) Intellectual Property.

(i) For the purpose of enabling the Collateral Agent to exercise rights and remedies under Section 4.05 at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, such Grantor hereby grants to the Collateral Agent, to the extent such grant is permissible under the applicable granting documents and Applicable Law, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to it) to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired by it, wherever the same may be located, including in such license to the extent permitted under the applicable license agreement reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof (as provided in Section 12.3 of the Loan Agreement).

(ii) Notwithstanding anything contained herein to the contrary, but subject to any provision of the Loan Documents that limits the rights of such Grantor to dispose of its property, so long as no Event of Default shall have occurred and be continuing, such Grantor will be permitted to exploit, use, enjoy, protect, license, sublicense, assign, sell, dispose of or take other actions with respect to the Intellectual Property in the ordinary course of the business of such Grantor. In furtherance of the foregoing, so long as no Event of Default shall have occurred and be continuing, the Collateral Agent shall from time to time, upon the reasonable request of such Grantor, execute and deliver any instruments, certificates or other documents, in the form so requested, that such Grantor shall have certified are appropriate in its judgment to allow it to take any action permitted above (including relinquishment of the license provided pursuant to clause (i) immediately above as to any specific Intellectual Property). Further, when all Obligations shall have been indefeasibly paid in full in cash and the Loan Agreement shall have expired or been terminated or upon the express release of the Collateral by the Collateral Agent in accordance with Section 4.12 or otherwise, the Collateral Agent shall grant back to such Grantor the license granted pursuant to clause (i) immediately above. The exercise of rights and remedies under Section 4.05 by the Collateral Agent shall not terminate the rights of the holders of any licenses or sublicenses theretofore granted by such Grantor in accordance with the first sentence of this clause (ii).

(b) Chattel Paper. Such Grantor shall (i) deliver to the Collateral Agent each original of each item of Chattel Paper at any time constituting part of the Collateral other than any Chattel Paper received, held, or obtained by such Grantor in the normal course of business, and (ii) cause each such original and each copy thereof to bear a conspicuous legend, in form and substance reasonably satisfactory to the Collateral Agent, indicating that such Chattel Paper is subject to the security interest granted hereby and that purchase of such Chattel Paper by a Person other than the Collateral Agent without the consent of the Collateral Agent would violate the rights of the Collateral Agent.

(c) Assigned Agreements.

(i) Anything herein to the contrary notwithstanding, (i) such Grantor shall (until acquisition of such Grantor's rights by a third party other than an Affiliate as a consequence of foreclosure, assumption or transfer of the Assigned Agreements), remain liable under the Assigned Agreements to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed; (ii) the exercise by the Collateral Agent of any of the rights hereunder (other than following an acquisition of such Grantor's rights by a third party other than an Affiliate as a consequence of foreclosure, assumption or transfer of the Assigned Agreements) shall not release such Grantor from any of its duties or obligations under the Assigned Agreements; and (iii) until assumed or transferred as aforesaid, the Collateral Agent shall have no obligation or liability under the Assigned Agreements by reason of this Agreement, nor shall the Collateral Agent be obligated to perform any of the obligations or duties of such Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

(ii) Except as otherwise provided in this clause (ii), such Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Assigned Agreements. In connection with such collections, such Grantor may take (and during an Event of Default, at the Collateral Agent's direction shall take) such action as such Grantor or the Collateral Agent, as applicable, may deem necessary or advisable to enforce collection of the amounts due under the Assigned Agreements. Such Grantor agrees and confirms that it shall notify each party to the Assigned Agreements of the grant of the security interest therein and assignment thereof to the Collateral Agent and instruct each of them that all payments due or to become due and all amounts payable to such Grantor thereunder shall be made directly to the Collateral Agent for deposit into the Revenue Account or another account designated by the Collateral Agent. No Grantor shall, except as specifically required or permitted by the Underlying Financing Documents, take any action in connection with any Assigned Agreement which would impair the security interest of the Collateral Agent in the Collateral.

4.05 Remedies.

(a) Rights and Remedies Generally upon an Event of Default If an Event of Default shall have occurred and is continuing, the Collateral Agent shall have all of the rights and remedies with respect to the Collateral of a secured party under the NYUCC (whether or not the Uniform Commercial Code is in effect in the jurisdiction where the rights and remedies are asserted) and such additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any

rights and remedies hereunder may be asserted, including the right, to the fullest extent permitted by law, to exercise all voting, consensual and other powers of ownership pertaining to the Collateral as if the Collateral Agent were the sole and absolute owner thereof (and such Grantor agrees to take all such action as may be appropriate to give effect to such right); and without limiting the foregoing:

(i) the Collateral Agent in its discretion may, in its name or in the name of such Grantor or otherwise, demand, sue for, collect or receive any money or other property at any time payable or receivable on account of or in exchange for any of the Collateral, but shall be under no obligation to do so;

(ii) the Collateral Agent may make any reasonable compromise or settlement deemed desirable with respect to any of the Collateral and may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, any of the Collateral;

(iii) the Collateral Agent may require such Grantor to notify (and such Grantor hereby authorizes the Collateral Agent to so notify) each account debtor in respect of any Account (as defined in the NYUCC), Chattel Paper or General Intangible, and each obligor on any Instrument, constituting part of the Collateral and on any Assigned Agreement that such Collateral has been assigned to the Collateral Agent hereunder, and to instruct that any payments due or to become due in respect of such Collateral shall be made directly to the Collateral Agent or as it may direct (and if any such payments, or any other Proceeds of the Collateral, are received by such Grantor they shall be held in trust by such Grantor for the benefit of the Collateral Agent and as promptly as possible remitted or delivered to the Collateral Agent for application as provided herein);

(iv) the Collateral Agent may require such Grantor to assemble the Collateral at such place or places, reasonably convenient to the Collateral Agent and such Grantor, as the Collateral Agent may direct;

(v) the Collateral Agent may apply the Account Collateral and any money or other property therein to payment of the Obligations;

(vi) the Collateral Agent may sell, lease, assign or otherwise dispose of all or any part of the Collateral, at such place or places as the Collateral Agent deems best, and for cash or for credit or for future delivery (without thereby assuming any credit risk), at public or private sale, without demand of performance or notice of intention to effect any such disposition or of the time or place thereof (except such notice as is required by applicable statute and cannot be waived), and the Collateral Agent or anyone else may be the purchaser, lessee, assignee or recipient of any or all of the Collateral so disposed of at any public sale (or, to the extent permitted by law, at any private sale) and thereafter hold the same absolutely, free from any claim or right of whatsoever kind, including any right or equity of redemption (statutory or otherwise), of such Grantor, any such

demand, notice and right or equity being hereby expressly waived and released to the extent permitted by law. In the event of any sale, assignment, or other disposition of any of the Trademark Collateral, the goodwill connected with and symbolized by the Trademark Collateral subject to such disposition shall be included. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the sale may be so adjourned;

(vii) the Collateral Agent may exercise dominion and control over and refuse to permit further withdrawals from any Deposit Account (including without limitation the Revenue Account) and provide instructions directing the disposition of funds in any such Deposit Accounts and provide entitlement orders with respect to Security Entitlements and other Investment Property constituting a part of the Collateral and, without notice to such Grantor, transfer to or register in the name of the Collateral Agent or any of its nominees any or all security Collateral;

(viii) the Collateral Agent may in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Assigned Agreements and execute, in connection with any sale provided for in this Section 4.05, any endorsements, assignments or other instruments or documents of conveyance or transfer with respect to the Collateral; and

(ix) the Collateral Agent may make formal application for the transfer of all of such Grantor's permits, licenses, approvals, and the like relating to the Assigned Agreements or to such Grantor's business to the Collateral Agent or to any assignee of the Collateral Agent or to any purchaser of any of the Collateral to the extent the same are assignable in accordance with their terms and Applicable Law.

The Proceeds of each collection, sale or other disposition under this Section 4.05, including by virtue of the exercise of any license granted to the Collateral Agent in Section 4.04(a), shall be applied in accordance with Section 4.09.

(b) Certain Securities Act Limitations. Such Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act of 1933, as amended, and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Collateral, to limit purchasers to those who will agree, among other things, to acquire the Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Such Grantor acknowledges that any such private sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall

*Amended & Restated Loan Agreement (PF)  
Amended & Restated Security Agreement*

have no obligation to engage in public sales and no obligation to delay the sale of any Collateral for the period of time necessary to permit the issuer thereof to register it for public sale.

(c) Notice. Such Grantor agrees that to the extent the Collateral Agent is required by Applicable Law to give reasonable prior notice of any sale or other disposition of any Collateral, ten (10) Business Days' notice shall be deemed to constitute reasonable prior notice.

4.06 Deficiency. If the proceeds of sale, collection or other realization of or upon the Collateral pursuant to Section 4.05 are insufficient to cover the costs and expenses of such realization and the payment and performance in full of the Obligations, such Grantor shall remain liable for any deficiency.

4.07 Locations; Names, Etc. Without at least thirty (30) days' prior written notice to the Collateral Agent, such Grantor shall not (i) change its "location" (within the meaning of Section 9-307 of the NYUCC), (ii) change its name from the name shown as its current legal name on Annex 1, or (iii) agree to or authorize any modification of the terms of any item of Collateral that would result in a change thereof from one Uniform Commercial Code category to another such category (such as from a General Intangible to Investment Property), if the effect thereof would be to result in a loss of perfection of, or diminution of priority for, the security interests created hereunder in such item of Collateral, or the loss of control (within the meaning of Sections 9-104, 9-105, 9-106 or 9-107 of the NYUCC) over such item of Collateral.

4.08 Private Sale. The Collateral Agent shall incur no liability as a result of the sale of the Collateral, or any part thereof, at any private sale pursuant to Section 4.05 conducted in a commercially reasonable manner. Such Grantor hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which the Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale or was less than the aggregate amount of the Obligations, even if the Collateral Agent accepts the first offer received and does not offer the Collateral to more than one offeree.

4.09 Application of Proceeds. Except as otherwise herein expressly provided and except as provided below in this Section 4.09, the Proceeds of any collection, sale or other realization of all or any part of the Collateral pursuant hereto, and any other cash at the time held by the Collateral Agent under this Section 4, shall be applied by the Collateral Agent:

First, to the payment of the costs and expenses of such collection, sale or other realization, including reasonable out-of-pocket costs and expenses of the Collateral Agent and the reasonable fees and expenses of its agents and counsel, and all expenses incurred and advances made by the Collateral Agent in connection therewith;

Second, to the payment in full of the Obligations, in accordance with the Loan Agreement, in such order as the Collateral Agent shall in its sole discretion determine; and

Third, to the Depository Bank for deposit into the Revenue Account to be applied in accordance with Section 3.4 of the Depository Agreement.

Amended & Restated Security Agreement*

4.10 Attorney-in-Fact. Without limiting any rights or powers granted by this Agreement to the Collateral Agent while no Event of Default has occurred and is continuing, upon the occurrence and during the continuance of any Event of Default, for the purposes of allowing the Collateral Agent to exercise its rights and remedies hereunder and under the Loan Documents, such Grantor hereby constitutes and appoints the Collateral Agent its true and lawful attorney-in-fact (such appointment being irrevocable and coupled with an interest), with full power of substitution and with full authority in the place and stead of such Grantor and in the name of such Grantor to take any action and to execute any instrument that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) to obtain and adjust insurance required to be maintained by such Grantor under the Loan Agreement or paid to the Collateral Agent pursuant to the Loan Agreement;

(b) to request, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Collateral Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes or Liens (other than the Liens created in favor of the Collateral Agent for the benefit of the Secured Parties) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Collateral Agent in its sole discretion, any such payments made by the Collateral Agent to become obligations of such Grantor to the Collateral Agent, due and payable immediately without demand; and

(g) to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes (but subject to the terms of this Agreement).

Amended & Restated Security Agreement*

4.11 Perfection and Recordation. Such Grantor authorizes, without releasing such Grantor from its obligation to do so, the Collateral Agent to file Uniform Commercial Code financing statements, including amendments and continuations, including those describing the Collateral as “all assets” or “all personal property and fixtures” of such Grantor and in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Collateral relates (provided, that no such description shall be deemed to modify the description of Collateral set forth in Section 3).

4.12 Termination. When all Obligations shall have been indefeasibly paid in full in cash and the Loan Agreement shall have expired or been terminated as evidenced by a letter agreement among the Grantors and the Administrative Agent (the “Payoff Letter”), this Agreement shall terminate, and the Collateral Agent shall, at such Grantor’s cost and expense, forthwith cause to be assigned, transferred and delivered, against receipt but without any recourse, warranty or representation whatsoever, any remaining Collateral and money received in respect thereof, to or on the order of such Grantor and to be released and canceled all licenses and rights referred to in Section 4.04(a). The Collateral Agent shall also, at the expense of such Grantor, execute and deliver to such Grantor upon such termination such Uniform Commercial Code termination statements and such other documentation as shall be reasonably requested by such Grantor to effect the termination and release of the liens on the Collateral as required by this Section 4.12 and the Payoff Letter.

4.13 Further Assurances. Such Grantor agrees that, from time to time upon the written request of the Collateral Agent, it shall execute and deliver such further documents and do such other acts and things as the Collateral Agent may reasonably request in order fully to effect the purposes of this Agreement. The Collateral Agent shall release any lien covering any asset that has been disposed of in accordance with the provisions of the Loan Documents.

4.14 No Marshalling.

(a) To the fullest extent permitted by law, such Grantor hereby agrees that it shall not invoke any law relating to the marshalling of Collateral which might cause delay in or impede the enforcement of the Collateral Agent’s rights or remedies under this Agreement, and, to the fullest extent permitted by law, such Grantor hereby irrevocably waives the benefits of all such laws (including any right to a marshalling of assets or a sale or inverse order of alienation).

(b) Such Grantor hereby waives, to the maximum extent permitted by law (i) all rights under any law to require the Collateral Agent to pursue any other Person, any security which the Collateral Agent may hold, or any other remedy before proceeding against such Grantor; (ii) all rights to require the Collateral Agent to give any notices of any kind, including, without limitation, notices of nonpayment, nonperformance, protest, dishonor, default, delinquency or acceleration, or to make any presentments, demands or protests, except as expressly provided in this Agreement; other than notices required by the Loan Documents; (iii) all rights to assert the bankruptcy or insolvency of such Grantor as a defense hereunder or as the basis for rescission hereof; (iv) all defenses based on any change in the time, manner or place of payment of, or in any other term of the Obligations; (v) any exchange, release or non-perfection of any lien on any Collateral;

and (vi) all suretyship and such Grantor's defenses generally. Such Grantor, to the maximum extent permitted by law hereby agrees that it will not invoke, claim or assert the benefit of any rule of law or statute now or hereafter in effect (including, without limitation, any right to prior notice or judicial hearing in connection with the Collateral Agent's possession, custody or disposition of any Collateral or any appraisal, valuation, stay, extension, moratorium or redemption law), or take or omit to take any other action, that would or could reasonably be expected to have the effect of delaying, impeding or preventing the exercise of any rights and remedies in respect of the Collateral, the absolute sale of any of the Collateral or the possession thereof by any purchaser at any sale thereof, and waives the benefit of all such laws and further agrees that it will not hinder, delay or impede the execution of any power granted hereunder to the Collateral Agent or, but that it will permit the execution of every such power as though no such laws were in effect.

Section 5. Miscellaneous.

5.01 Notices. All notices, requests and other communications provided for in this Agreement shall be given in accordance with Section 9.2 of the Depositary Agreement; provided, that the addresses for notices to the parties hereto shall be given at such Person's address shown on the signature pages hereof.

5.02 No Waiver. No failure on the part of the Collateral Agent to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Collateral Agent of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided herein are cumulative and are not exclusive of any remedies provided by law.

5.03 Amendments, Etc. The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by an authorized representative of each Grantor and the Collateral Agent.

5.04 Expenses. Each Grantor agrees to reimburse the Collateral Agent for all reasonable costs and expenses incurred by it (including the reasonable fees and expenses of legal counsel) in connection with (i) any Default and any enforcement or collection proceeding resulting therefrom, including all manner of participation in or other involvement with (w) performance by the Collateral Agent of any obligations of such Grantor in respect of the Collateral that such Grantor has failed or refused to perform, (x) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings, or any actual or attempted sale, or any exchange, enforcement, collection, compromise or settlement in respect of any of the Collateral, and for the care of the Collateral and defending or asserting rights and claims of the Collateral Agent in respect thereof, by litigation or otherwise, including expenses of insurance, (y) judicial or regulatory proceedings and (z) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated) and (ii) the enforcement of this Section 5.04, and all such costs and expenses shall be Obligations entitled to the benefits of the collateral security provided pursuant to Section 3.

5.05 Successors and Assigns; Continuing Security Interest. This Agreement shall be binding upon and inure to the benefit of the respective successors and permitted assigns of each Grantor, the Collateral Agent and the Secured Parties (provided, that no Grantor shall assign or transfer its rights or obligations hereunder without the prior written consent of the Collateral Agent). This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the indefeasible payment in full in cash of all Obligations and the expiration or termination of the Loan Agreement, be binding upon each Grantor, their respective successors and assigns, and inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms and transfer restrictions of the Loan Agreement, the Collateral Agent may assign or otherwise transfer its rights under the Loan Documents to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Collateral Agent herein or otherwise.

5.06 Counterparts. This Agreement may be executed by one or more of the parties hereto on any number of separate counterparts, by facsimile or electronic mail, and all of said counterparts taken together shall be deemed to constitute one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signatures are physically attached to the same document. A facsimile or "pdf" signature page shall constitute an original for purposes hereof.

5.07 Governing Law; Submission to Jurisdiction, Etc. **UNLESS EXPRESSLY PROVIDED IN ANY OTHER LOAN DOCUMENT, THIS AGREEMENT AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND FEDERAL LAWS RELATING TO NATIONAL BANKS. EACH PARTY HEREBY CONSENTS TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER NEW YORK COUNTY, THE STATE OF NEW YORK AND THE SOUTHERN DISTRICT OF NEW YORK IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO THIS AGREEMENT, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS.**

5.08 WAIVER OF JURY TRIAL. **To the fullest extent permitted by Applicable Law, each Grantor waives (a) the right to trial by jury (which Collateral Agent hereby also waives) in any proceeding or dispute of any kind relating in any way to this Agreement, the Obligations or the Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, documents, instruments, chattel paper and**

guaranties at any time held by Collateral Agent on which any Grantor may in any way be liable, and hereby ratifies anything Collateral Agent may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Collateral Agent to exercise any rights or remedies; (e) the benefit of all valuation, appraisal and exemption laws; (f) any claim against Collateral Agent or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, the Obligations, this Agreement or transactions relating thereto; and (g) notice of acceptance hereof. Each Grantor acknowledges that the foregoing waivers are a material inducement to Collateral Agent entering into this Agreement and that they are relying upon the foregoing in their dealings with the Grantors. Each Grantor has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

5.09 Captions. The captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

5.10 Agents and Attorneys-in-Fact. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith and with due care.

5.11 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of this Agreement shall remain in full force and effect.

5.12 Collateral Agent. The Bank of New York Mellon, in performance of its duties as Collateral Agent hereunder, shall enjoy all rights and protections afforded it as the Collateral Agent under the Depository Agreement (as defined in the Loan Agreement) and the Depository Agreement (as defined in the Other Loan Facility), respectively.

5.13 Instruction of Collateral Agent by Administrative Agent. Notwithstanding anything to the contrary contained in this Agreement, the Collateral Agent will not commence any exercise of remedies or any foreclosure actions or otherwise take any action or proceeding against or in respect of any of the Collateral, including the delivering of any notice required to be delivered or the giving of any instruction required to be given by the Collateral Agent hereunder, unless and until it shall have been directed by written notice of the Administrative Agent on behalf of the Secured Parties and then only in accordance with the provisions of such notice, this Agreement and the other Security Documents.

5.14 Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Lien granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by Collateral Agent hereunder are subject to the provisions of that certain Intercreditor Agreement, dated as of July 19, 2013 (as amended, amended and restated, supplemented,

restated, replaced, refinanced or otherwise modified from time to time, the “Intercreditor Agreement”) among each Grantor, the Administrative Agent, the Administrative Agent (as defined in the Other Loan Facility), the Collateral Agent and the Collateral Agent (as defined in the Other Loan Facility). In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

5.15 Amendment and Restatement; No Novation or Release of Security Except as amended hereby, the terms of the Original Security Agreement, including the grant of security in Section 3 thereof, remain unchanged, and nothing contained in this Agreement shall abrogate, prejudice, diminish or otherwise affect any powers, rights, remedies or obligations of any Person arising before the date of this Agreement. This Agreement constitutes an amendment and restatement of the Original Security Agreement and is not intended to and shall not extinguish or constitute a novation or release of the Original Security Agreement or the Obligations secured thereby, it being the intention of the parties hereto to preserve all Liens securing payment and performance of the Obligations, whether arising before or after the date of this Agreement, which Liens are acknowledged by the Grantors to be valid and subsisting against the Collateral. This Agreement is not intended to and shall not affect the priority of the Liens granted by the Original Security Agreement, the priority of all such Liens and the Lien of this Agreement being governed by the terms of the Intercreditor Agreement.

4. Secured Obligations. This Pledge Agreement secures the payment of all Obligations now existing or hereafter arising, owing to Agents or the other Secured Parties, and all obligations of Member set forth herein, including, to the maximum extent permitted by Applicable Law, any interest or expenses arising after the commencement of any proceeding with respect to any Borrower Subsidiary, or Member under the Bankruptcy Code or any other bankruptcy or insolvency Applicable Law (whether or not such interest or expenses are allowed or allowable as a claim in whole or in part in such case) (all such obligations being herein called, the “Secured Obligations”).

5. Use of Collateral. Unless and until such time as a Default has occurred and is continuing, Member reserves the right to, and shall be entitled to, use and possess the Collateral (except any certificates representing the Equity Interests) and exercise all of its rights in respect of the Collateral, including, without limitation, under the LLC Agreements (except as limited herein or by the Loan Documents) and to receive all income and other distributions from the Collateral.

6. Application of Proceeds. Collateral Agent shall apply any proceeds from time to time held by it and the proceeds of any collection, recovery, receipt, appropriation, realization or sale, in accordance with the terms of the Loan Agreement and the other Loan Documents to which it is a party.

7. Remedies. Upon the occurrence and during the continuance of an Event of Default:

(a) Collateral Agent shall have the right to take any of the following actions: (i) vote or exercise any and all of Member’s rights or powers under the LLC Agreements; (ii) demand, sue for, collect or receive any money or property at any time payable to or receivable by Member on account of or in exchange for all or any part of the Collateral; (iii) cause any action at law or suit in equity or other proceeding to be instituted and prosecuted to collect or enforce any Secured Obligations or rights hereunder or included in the Collateral or foreclose or enforce the security interest in all or any part of the Collateral, by taking possession thereof or otherwise, or to enforce any other legal or equitable right vested in it by this Pledge Agreement or by Applicable Law; (iv) sell or otherwise dispose of any or all of the Collateral or cause the Collateral to be sold or otherwise disposed of in one or more sales or transactions, at such prices as Collateral Agent may deem commercially reasonable, and for cash or on credit or for future delivery, without assumption of any credit risk at any broker’s board or at public or private sale, without demand of performance or notice of the time or place of sale (except such notice as is required by applicable statute and cannot be waived which notice shall be in accordance with the provisions hereof), it being agreed that Collateral Agent may be a purchaser on behalf of the other Secured Parties or on its own behalf at any such sale and that Collateral Agent, any other Secured Party or any other Person who may be the purchaser of any or all of the Collateral so sold shall thereafter hold the same absolutely free from any claim or right of whatsoever kind, including any equity of redemption, of Member or any Borrower Subsidiary, any such demand, notice or right and equity being hereby expressly waived and released to the

extent permitted by Applicable Law; (v) incur expenses, including reasonable attorneys' fees, consultants' fees, and other costs in connection with the exercise of any right or power under this Pledge Agreement; (vi) perform any obligation of Member hereunder, under any Loan Document or under the LLC Agreements; (vii) take any other action which Collateral Agent deems necessary or desirable to protect or realize upon its security interest in the Collateral or any part thereof; (viii) secure the appointment of a receiver for Member; or (ix) exercise any other or additional rights or remedies granted to a secured party under the UCC. If, pursuant to Applicable Law, prior notice of any such action is required to be given to Member or any Borrower Subsidiary, Member and each Borrower Subsidiary hereby acknowledge and agree that the minimum time required by such Applicable Law, or if no minimum is specified, of ten (10) Business Days, shall be deemed a reasonable notice period. In addition, to the extent permitted by Applicable Law, Member waives any and all rights that it may have to notice from Collateral Agent or of a judicial hearing in advance of the enforcement of any of Collateral Agent's rights hereunder.

(b) In addition to the foregoing remedies, Collateral Agent may, after written notice to Member, but shall not be obligated to, cure any Event of Default. Collateral Agent shall be the sole judge of the validity of any adverse claims, taxes, assessments, charges or encumbrances, and the amount to be paid in satisfaction thereof, and of the necessity for, and of the time and manner of doing everything herein authorized to be done, provided Collateral Agent shall be under no obligation to do any such acts or to make any such payments.

(c) If Collateral Agent shall decide to exercise its right, subject to the terms hereof and the other Loan Documents, to sell any or all of the Collateral, and if in the opinion of counsel for Collateral Agent it is necessary to have such Collateral registered under the provisions of the Securities Act of 1933, as amended, or otherwise registered or qualified under any federal or state securities laws or regulations (collectively, the "Securities Laws"), each Borrower Subsidiary and Member will execute and deliver all such instruments and documents which, in the opinion of Collateral Agent, are reasonably necessary to register or qualify such Collateral under the provisions of the Securities Laws and will use reasonable efforts to cause any registration statement relating thereto to become effective and to remain effective for a period of not less than six months from the date of the first public offering of such Collateral and to make all amendments thereto and/or to any related prospectus or similar document which, in the reasonable opinion of Collateral Agent, are necessary, all in conformity with the Securities Laws applicable thereto. Without limiting the generality of the foregoing, each Borrower Subsidiary and Member agree to comply with the provisions of the securities or "Blue Sky" laws of any jurisdiction or jurisdictions which Collateral Agent shall reasonably designate and to make available to their security holders, as soon as practicable, earnings statements which will satisfy the provisions of Section 11(a) of the Securities Act of 1933, as amended.

(d) All reasonable costs and expenses (including, without limitation, attorneys' fees and expenses) incurred by Collateral Agent in connection with exercising any remedy provided for herein or at law, curing any Event of Default, performing any of Member's obligations contained herein or in the LLC Agreements or in respect of any part of the Collateral, together with interest thereon (to the extent permitted by Applicable Law) computed at a rate per annum equal to the Default Rate from the date on which such costs or expenses are incurred to

the date of payment thereof, shall constitute additional indebtedness (and Secured Obligations) secured by this Pledge Agreement and shall be paid by Member to Collateral Agent on behalf of the Secured Parties upon demand.

(e) Any action or proceeding to enforce this Pledge Agreement or the LLC Agreements may be taken by Collateral Agent either in Collateral Agent's name or in Member's name, as Collateral Agent may deem necessary.

(f) Collateral Agent shall incur no liability as a result of the sale of the Collateral, or any part thereof, at any private sale pursuant to ~~Section 7(a)~~ conducted in a commercially reasonable manner and in accordance with the requirements of Applicable Law. Member hereby waives any claims against Collateral Agent arising by reason of the fact that the price at which the Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale or was less than the aggregate amount of the Secured Obligations.

(g) Except as otherwise required by this Pledge Agreement, to the extent permitted under Applicable Law, Member hereby waives all rights and remedies of a debtor or grantor under the UCC or other Applicable Law, and all formalities prescribed by Applicable Law relative to the sale or disposition of the Collateral (other than notice of sale and any other formalities expressly provided in this Pledge Agreement and the other Loan Documents), after the occurrence and during the continuation of an Event of Default.

(h) Member hereby agrees that in respect of any sale of any of the Collateral pursuant to the terms hereof, Collateral Agent is hereby authorized to comply with any limitation or restriction in connection with such sale as it may be advised by counsel is reasonably necessary in order to avoid any violation of Applicable Law, or in order to obtain any required approval of the sale or of the purchase by any Governmental Authority or official, and Member further agrees that such compliance shall not, in and of itself, result in such sale being considered or deemed not to have been made in a commercially reasonable manner, nor shall Collateral Agent be liable or accountable to Member for any discount allowed by reason of the fact that such Collateral is sold in compliance with any such limitation or restriction.

(i) If, in the exercise of any of its rights and remedies under this Pledge Agreement, Collateral Agent shall forfeit any of its rights or remedies, whether because of any Applicable Law pertaining to "election of remedies" or otherwise, Member hereby consents to such action by Collateral Agent and, to the extent permitted by Applicable Law, waives any claim based upon such action, even if such action by Collateral Agent shall result in a full or partial loss of any rights of subrogation, indemnification or reimbursement which Member might otherwise have had but for such action by Collateral Agent or the terms herein. Any election of remedies which results in the denial or impairment of the right of Collateral Agent to seek a deficiency judgment against Member in respect of the Collateral shall not, to the extent permitted by Applicable Law, impair Member's obligation hereunder.

8. Remedies Cumulative: Delay Not Waiver

(a) No right, power or remedy herein conferred upon or reserved to Collateral Agent or the other Secured Parties is intended to be exclusive of any other right, power or remedy, and every such right, power and remedy shall, to the extent permitted by Applicable Law, be cumulative and in addition to every other right, power and remedy given hereunder or now or hereafter existing at Applicable Law or in equity or otherwise. Resort to any or all security now or hereafter held by Collateral Agent may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken nonjudicial proceedings, or both.

(b) No failure or delay on the part of Collateral Agent in exercising any right, power, remedy or privilege hereunder or under any other Loan Document and no course of dealing between Member and Collateral Agent shall operate as a waiver or impairment thereof, nor shall any single or partial exercise of any right, power, remedy or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. No notice to or demand on Member in any case shall entitle Member to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of Collateral Agent to take any other or further action in any circumstances without notice or demand.

9. Marshalling. To the fullest extent permitted by Applicable Law, Member hereby agrees that it shall not invoke any Applicable Law relating to the marshalling of Collateral which might cause delay in or impede the enforcement of Collateral Agent's rights under this Pledge Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the fullest extent permitted by Applicable Law, Member hereby irrevocably waives the benefits of all such laws.

11. Covenants of Member. Member covenants and agrees as follows:

(a) Member shall at all times cause the Equity Interests to be "certificated securities" as such term is defined in Article 8 of the UCC.

(b) Member shall defend the Collateral against all claims and demands of all Persons (other than Secured Parties and "Secured Parties" (as defined in the Pledge Agreement executed in connection with the Loan Documents (as defined in the Other Loan Facility)) claiming an interest in any of such Collateral. (d) If Member in its capacity as a member of any Borrower Subsidiary receives any income or distribution of money or property of any kind from such Borrower Subsidiary while an Event of Default has occurred and is continuing, Member shall hold such income or distribution as trustee for and shall deliver the same to Collateral Agent.

(e) Member shall not sell, assign, transfer, hypothecate, grant a Lien on or otherwise dispose of any of the Equity Interests other than the grant hereunder and Permitted Liens described in *Section 11.2.2(a)* of the Loan Agreement.

Collateral Agent shall have sole possession and control of such certificates and instruments until payment in full in cash of the Secured Obligations. Collateral Agent shall have the right, at any time in its discretion, upon the occurrence and during the continuation of an Event of Default, and upon notice to Member (but only where such notice may be given without violating Applicable Law), to transfer to or to register in the name of Collateral Agent or any of its nominees any or all of the Collateral and to exchange certificates or instruments representing or evidencing the Collateral for certificates or instruments of smaller or larger denominations. In furtherance of the foregoing, Member shall execute and deliver to Collateral Agent a proxy in the form attached hereto as Exhibit A (a "Proxy") and an irrevocable power in the form of Exhibit B (a "Stock Power").

(b) Member agrees that from time to time, at the expense of Member, will promptly execute and deliver all further instruments and documents, and take all further action, that may be reasonably necessary or desirable, or that Collateral Agent may reasonably request, in order to perfect and protect the assignment and security interest granted or intended to be granted hereby or to enable Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to the Collateral. Without limiting the generality of the foregoing, Member will execute and file such financing or continuation statements, or amendments thereto, and such other instruments, endorsements or notices, as may be reasonably necessary or desirable or as Collateral Agent may reasonably request, in order to perfect and preserve the assignments and security interests granted or purported to be granted hereby.

(c) If, at any time and from time to time, any Collateral (including any certificate or instrument representing or evidencing any Collateral) is in the possession of a Person other than Collateral Agent (a "Holder"), then Member shall immediately, at Collateral Agent's option, either cause such Collateral to be delivered into Collateral Agent's possession, or cause such Holder to enter into a control agreement, in form and substance satisfactory to Collateral Agent, and take all other steps deemed necessary by Collateral Agent to perfect the security interest of Collateral Agent in such Collateral, all pursuant to Section 9-106 and Section 9-313 of the UCC or other Applicable Law governing the perfection of Collateral Agent's security interest in the Collateral in the possession of such Holder.

(d) If any Collateral consists of "uncertificated securities" within the meaning of the UCC or is otherwise not evidenced by any certificate or instrument, Member will promptly notify Collateral Agent thereof and will immediately take and cause to be taken all actions required under Articles 8 and 9 of the UCC and any other Applicable Law, to enable Collateral Agent to acquire "control" (within the meaning of such term under Section 8-106 (or its successor provision) of the UCC) of such uncertificated securities and as may be otherwise reasonably necessary or deemed reasonably appropriate by Collateral Agent to perfect the security interest of Collateral Agent therein.

Member agrees to furnish any such information to Collateral Agent promptly upon Collateral Agent's request.

(f) Member shall pay all filing, registration and recording fees and all refiling, re-registration and re-recording fees, and all reasonable expenses incident to the execution and acknowledgment of this Pledge Agreement, any assurance, and all federal, state, county and municipal stamp taxes and other taxes, duties, imports, assessments and charges arising out of or in connection with the execution and delivery of this Pledge Agreement, any agreement supplemental hereto, any financing statements, and any reasonable instruments of further assurance required to be paid pursuant to the terms of the Loan Agreement or any other Loan Document.

16. Limitation on Duty of Collateral Agent with Respect to Collateral The powers conferred on Collateral Agent hereunder are solely to protect its interest in the Collateral for the benefit of the Secured Parties and shall not impose any duty on Collateral Agent or any of its designated agents to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for monies actually received by it hereunder, and except to the extent of any duties imposed by Applicable Law that have not been waived hereunder, Collateral Agent shall have no duty with respect to any Collateral and no provision of this Pledge Agreement shall be interpreted as giving rise to any implied duties or obligations on the part of Collateral Agent. Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment that is substantially equivalent to that which Collateral Agent accords its own property, it being expressly agreed, to the maximum extent permitted by Applicable Law, that Collateral Agent shall have no responsibility for taking (a) any necessary steps to preserve rights against any Persons with respect to any Collateral or (b) any action to protect against any diminution in value of the Collateral, but, in each case, upon the occurrence and during the continuation of an Event of Default, Collateral Agent may take any such action it shall deem advisable in the best interest of the Secured Parties and all expenses reasonably incurred in connection therewith shall be part of the Secured Obligations. For the avoidance of doubt, Collateral Agent shall not be liable for any loss, reduction or diminution in value of the Collateral in its possession; provided that Collateral Agent has exercised reasonable care in the custody and preservation of such Collateral in accordance with this Section 16.

The release of the security interest in any or all of the Collateral, the taking or acceptance of additional security, or the resort by Collateral Agent to any security it may have in any order it may deem appropriate, shall not affect the liability of any Person on the indebtedness secured hereby. Upon the Discharge Date, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to Member. Upon the Discharge Date, Collateral Agent will, at Member's expense, execute and deliver to Member such documents as any Borrower Subsidiary or Member shall reasonably request to evidence the termination of this Pledge Agreement. 25. Headings. Paragraph headings have been inserted in this Pledge Agreement as a matter of convenience for reference only and it is agreed that such paragraph headings are not a part of this Pledge Agreement and shall not be used in the interpretation of any provision of this Pledge Agreement.
